## TRADEMARK SECURITY AGREEMENT

This Agreement is between **VOYAGER INFORMATION NETWORKS, INC.**, a Michigan corporation (the "Borrower"), located at 4660 South Hagadorn, Suite 320, East Lansing, Michigan 48823 and **FLEET NATIONAL BANK**, located at One Federal Street, Boston, Massachusetts 02110, as agent (in such capacity, together with its successors and assigns in such capacity, the "Agent") for the benefit of the various financial institutions who are now or hereafter become Lenders (the "Lenders" and collectively with the Agent, the "Secured Parties") under, and as defined in, the Credit Agreement dated as of September 23, 1998 as from time to time in effect (the "Credit Agreement"), between the Borrower, the Secured Parties and the Agent. Terms defined in the Credit Agreement and not otherwise defined herein are used herein with the meanings so defined.

1. Grant of Security Interest. The Borrower hereby grants to the Agent for the benefit of the Secured Parties and its successors and assigns a security interest in the items referred to below, whether now owned or hereafter acquired, and all proceeds thereof (collectively, the "Collateral"):

1.1. All of the right, title and interest of the Borrower in and to all trademarks (collectively, the "Marks"), registrations for the Marks (collectively, the "Registrations") and all trademark applications for the Marks (collectively, the "Applications"). Such Registration and Applications shall include without limitation all existing United States registrations and applications of the Borrower described in Exhibit A hereto.

1.2. The goodwill of the business of the Borrower symbolized by each of the Marks.

1.3. All right, title and interest of the Borrower in and to any cause of action that has heretofore arisen or that may arise with respect to unconsented use or infringement of the Marks, the Registrations or the Applications.

2. Further Assurances. The Borrower shall execute, or use its reasonable efforts at its reasonable expense to cause to be executed, such further documents as may be reasonably requested by the Agent in order to effectuate fully the grant of security interest set forth in Section 1 hereof.

3. Agreement to Assign Collateral. The Borrower shall execute and deliver to the Agent for the benefit of the Secured Parties on the date of this Agreement a written Assignment of Trademarks to the Agent in substantially the form attached hereto as Exhibit B (the "Assignment"). The Agent shall hold the Assignment in escrow, and the Assignment shall have no legal effect and shall not be binding on the Borrower, until the occurrence and continuance of an Event of Default, at which time the Agent, on behalf of the Secured Parties, may file the

Assignment with the U.S. Patent and Trademark Office and, upon such filing, the Assignment shall take effect as a legal document binding upon the Borrower.

4. Foreclosure. Upon the occurrence and during the continuance of an Event of Default, in addition to all other rights and remedies granted by this Agreement and the Assignment, the Agent, at the Secured Parties' direction, may exercise the rights and remedies of a secured party enacted in any of the jurisdictions in which the Collateral may be located. Without limiting the generality of the foregoing, upon the occurrence and during the continuance of an Event of Default, without demand or notice (except as set forth next below), all of which are waived, and without advertisement, the Agent may sell at public or private sale or otherwise realize upon, in The Commonwealth of Massachusetts or elsewhere, all or from time to time any of the Collateral, or any interest which the Borrower may have therein. Notice of any sale or other disposition of the Collateral shall be given to the Borrower at least ten (10) days before the time of any intended public or private sale or other disposition of the Collateral is to be made, which the Borrower agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, any holder of any Obligation or any Secured Party may, to the extent permissible under applicable law, purchase the whole or any part of the Collateral (including associated goodwill) free from any right or redemption on the part of the Borrower, which right is waived and released. After deducting from the proceeds of sale or other disposition of the Collateral and associated goodwill all expenses (including reasonable expenses for brokers' fees and legal services), the balance of such proceeds shall be applied toward the payment of the Obligations. Any remainder of the proceeds after payment in full of the Credit shall be paid over to the Borrower.

5. Defeasance. Upon payment in full of the Obligations and termination of the commitments therefor, the Agent shall, at the Borrower's expense, release the security interest in the Collateral granted under this Agreement and execute and deliver such instruments and other documents and take such further actions as may be necessary to carry out such release, including cancellation of this Agreement by written notice to the U.S. Patent and Trademark Office and delivery back to the Borrower of the Assignment upon request of the Borrower.

6. Covenants. The Borrower covenants and agrees as follows:

6.1. The Borrower shall not abandon any Marks, Registrations or Applications included in the Collateral except such Marks, Registrations or Applications, the abandonment of which could not reasonably be expected to have a Material Adverse Effect.

6.2. The Borrower shall maintain all rights held by the Borrower relating to the Marks, Registrations and Applications except such Marks, Registrations or Applications which the failure to maintain could not reasonably be expected to have a Material Adverse Effect.

6.3. Until all of the Obligations shall have been paid in full and termination of the commitments therefor, the Borrower shall not enter into any agreement (including a license agreement) which conflicts with the Borrower's obligations under this Agreement other than

agreements that could not reasonably be expected to affect the value of the Collateral, without the Agent's prior written consent (which consent will not be unreasonably withheld or delayed).

6.4. If the Borrower shall obtain rights to any new registrable trademarks, the provisions of Section 1 shall automatically apply thereto and at least annually the Borrower shall give to the Agent written notice thereof, shall execute an amendment to Exhibit A including such registrations and applications and shall take any other action reasonably necessary to record the Secured Parties' interest in such trademarks with the U.S. Patent and Trademark Office.

6.5 The Borrower has used, and will continue to use, proper statutory notice in connection with its use of the Collateral to the extent commercially practicable and customary within the relevant industry.

7. Representations and Warranties of Title. The Borrower represents and warrants to the Secured Parties (which representations and warranties are made as of the date hereof and shall survive the delivery of this Agreement) as follows:

7.1. Exhibit A set forth as of the date hereof all United States Registrations and Applications owned by the Borrower.

7.2. As of the date hereof, the Collateral set forth on Exhibit A is subsisting and has not been adjudged invalid or unenforceable.

7.3. As of the date hereof, no claim has been made that the use of any of the Collateral violates the rights of any third person and the Borrower is not aware of any basis for any such claim to be asserted.

7.4. The Borrower is the sole and exclusive owner of the entire right, title and interest in and to the Collateral, free and clear of any Encumbrances, including without limitation, pledges, assignments, licenses, registered user agreements and covenants by the Borrower not to sue third persons (other than any of the foregoing entered into in the ordinary course of business or other Permitted Encumbrances).

7.5. The Borrower has the full power and authority to enter into this Agreement and perform its terms.

8. General.

8.1. No course of dealing between the Borrower and the Agent or the Secured Parties, nor any failure to exercise, nor any delay in exercising on the part of the Agent or the Secured Parties, any right, power or privilege hereunder or under the Credit Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any right, power or privilege.

8.2. All of the Agent's rights and remedies with respect to the Collateral, whether established hereby or by the Credit Agreement, or by any other agreement or by law shall be cumulative and may be exercised singularly or concurrently.

8.3. If any clause or provision of this Agreement shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

8.4. This Agreement is subject to modification only by a writing signed by the parties, except as otherwise provided in Section 6.4 hereof.

8.5. The benefits and obligations of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

8.6. The validity and interpretation of this Agreement and the rights and obligations of the parties shall be governed by the laws (other than the conflict of laws rules) of The State of New York.

8.7. This Agreement is a Loan Document (as defined in the Credit Agreement) and may be executed in any number of counterparts, which together shall constitute one instrument.

9. Agency. The parties hereto, and any person not a party hereto for whose benefit the Agent holds the collateral hereunder, acknowledge that the Agent has been requested to act as agent for the Secured Parties hereunder pursuant to the terms of the Credit Agreement, and that the Agent, to the extent it may so act hereunder, shall exercise all of the rights and remedies hereunder of, and as agent for the benefit of, the Secured Parties and each of them, without limiting the generality of the foregoing, the Agent is authorized to execute and deliver, from time to time, on behalf of the Secured Parties, any and all amendments and modifications to this Agreement and any and all waivers to any conditions herein or any Event of Default hereunder.
