AGREEMENT  
(Trademark)  
[G.T. Bicycles, Inc.]

THIS AGREEMENT (TRADEMARK) (this "Agreement"), dated as of September 30, 1998, among the undersigned (the "Debtor") and Comerica Bank in its capacity as agent for the Banks referred to below.

WITNESSETH

A. WHEREAS, pursuant to that certain Schwinn Amended and Restated Revolving Credit and Term Loan Agreement dated as of September 30, 1998 (as amended or otherwise modified from time to time, the "Credit Agreement"), among the Borrowers, including Debtor, each of the financial institutions party thereto (collectively, the "Banks") and Secured Party, as Agent for the Banks, the Banks have agreed, subject to the satisfaction of certain terms and conditions, to make Advances to Borrowers and to provide for the issuance of Letters of Credit for the account of Borrowers, individually, or jointly and severally with certain of the other Account Parties (as such terms are defined in the Credit Agreement), as provided therein; and

B. WHEREAS, in connection with the Credit Agreement, the Debtor has executed and delivered a Security Agreement, dated as of the date hereof (as amended or otherwise modified from time to time, the "Security Agreement"); and

C. WHEREAS, as a condition precedent to the making of the initial Advances under the Credit Agreement, the Debtor is required to execute and deliver this Agreement and to further confirm the grant to the Secured Party for the benefit of the Banks a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Secured Obligations.

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, and in order to induce the Banks to make Advances (including the initial Advance) to the Borrowers pursuant to the Credit Agreement, the Debtor agrees, for the benefit of the Banks, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Secured Obligations, the Debtor does hereby mortgage, pledge and hypothecate to the Secured Party for the benefit of the Banks, and grant to the Secured Party for the benefit of the Banks a security interest in, all of the

following property (the "Trademark Collateral"), whether now owned or hereafter acquired or existing:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (all of the foregoing items in this clause (a) being collectively called a "Trademark") now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any foreign country, including those referred to in Item A of Attachment 1 hereto;

(b) all Trademark licenses, including each Trademark license referred to in Item B of Attachment 1 hereto;

(c) all renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a) and (b); and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by the Debtor against third parties for past, present, or future infringement or dilution of any Trademark, Trademark registration, or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in Item A and Item B of Attachment 1 hereto, or for any injury to the goodwill associated with the use of any Trademark or for breach or enforcement of any Trademark license.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Debtor for the purpose of registering the security interest of the Secured Party and the Banks in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Party and the Banks under the Security Agreement. The Security Agreement (and all rights and remedies of the Secured Party and the Banks thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Security Interest. Upon payment in full of all Secured Obligations and when all commitments to extend any credit under the Credit Agreement have been terminated, the Secured Party shall, at the Debtor's expense, execute and deliver to the Debtor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.

SECTION 5. Acknowledgment. Debtor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party for the benefit of the Banks with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Documents, etc. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

**[Signatures follow on succeeding pages]**
