END OF LIST

TRADEMARK SECURITY AGREEMENT AND LICENSE

TRADEMARK SECURITY AGREEMENT AND LICENSE (hereinafter referred to as the "Agreement") dated as of September 30, 1998 by and between PARSONS TECHNOLOGY, INC., a California corporation with its chief executive office at One Athenaeum Street, Cambridge, Massachusetts 02142 (the "Company"), and LEXINGTON PARKER CAPITAL COMPANY, LLC, a Delaware limited liability company with its chief executive office at 227 West Monroe, 41st Floor, Chicago, IL 60606 (the "Purchaser").

WHEREAS, The Learning Company Funding, Inc., a Delaware corporation and an affiliate of the Company, as seller ("Funding"), the Purchaser, Fleet National Bank, a national banking association ("Fleet"), as the administrative agent, TLC Multimedia, Inc., a Minnesota corporation ("TLC Multimedia"), and The Learning Company, Inc., a Delaware corporation ("TLC" or "Parent"), are parties to the Receivables Purchase Agreement dated as of June 30, 1997 (as the same has been and may be amended, supplemented, modified, extended or restated from time to time, the "Domestic Receivables Purchase Agreement"), pursuant to which Funding has agreed to sell Receivables Interests (as defined therein) to Purchaser in the accounts receivable acquired by Funding from certain subsidiaries of TLC;

WHEREAS, TLC Eurofunding, Inc., a Delaware corporation and an affiliate of the Company, as seller ("Eurofunding"), the Purchaser, Fleet as the administrative agent, TLC Multimedia and TLC are parties to the Receivables Purchase Agreement dated as of July 1, 1998 (as the same may be amended, supplemented, modified, extended or restated from time to time, the "Foreign Receivables Purchase Agreement"; together with the Domestic Receivables Purchase Agreement, the "Receivables Purchase Agreements"), pursuant to which Eurofunding has agreed to sell Receivables Interests (as defined therein) to the Purchaser in the accounts receivable acquired by Eurofunding from certain foreign subsidiaries of TLC;

WHEREAS, the Company has entered into a Deemed Collection Guaranty dated as of the date hereof, in favor of the Purchaser (as the same may be amended, supplemented, modified, extended or restated from time to time, the "Guaranty"), pursuant to which the Company has guaranteed Funding's and Eurofunding's performance of certain of their respective obligations to the Purchaser under the Receivables Purchase Agreements;

WHEREAS, the parties to the Receivables Purchase Agreements require that the Company grant to the Purchaser a security interest in and collaterally assign the Collateral (as hereafter defined) to secure certain of Funding's and Eurofunding's respective obligations under the Receivables Purchase Agreements, and to place in the public record of the Patent and Trademark Office (as hereafter defined) the security interests granted hereunder;

WHEREAS, the Company wishes to grant Purchaser a non-exclusive license in and to all of its trademarks, including, without limitation, all unregistered trademarks of the Company;

provided, however, that, unless an Event of Default (as hereafter defined) has occurred and is continuing, the foregoing license shall not be exercised and shall be effective only to the extent necessary to perfect the Purchaser's security interest in the Collateral under applicable law; and

NOW, THEREFORE, for good and valuable consideration, and to secure the payment and performance of all the Secured Obligations (as defined below), the parties hereto agree as follows:

1. **Definitions.** All capitalized terms used herein and not otherwise defined shall have the meanings prescribed therefor in the Foreign Receivables Purchase Agreement. The following additional terms, as used herein, shall have the following respective meanings:

“Business Judgment Exception” shall have the meaning set forth in Section 4 below.

“Collateral” shall have the meaning set forth in Section 2.

“Credit Agreement” means the Amended and Restated Credit Agreement, dated as of May 6, 1998, by and among Fleet National Bank, as agent, TLC Multimedia, the Company and certain of the Company's corporate affiliates, as the same may be amended, supplemented, modified, extended or restated from time to time.

“Event of Default” means any event or condition constituting a default in the performance of the Company's obligations under the Guaranty or this Agreement.

“GAAP” means accounting principles generally accepted in the United States and applied on a consistent basis.

“Lien” means any mortgage, pledge, hypothecation, assignment, deposit arrangement, encumbrance, lien (statutory or other), or preference, priority or other security agreement of any kind or nature whatsoever (including without limitation, any exclusive license, shop right or covenant by the Company not to sue third Persons).

“Patent and Trademark Office” means the United States Patent and Trademark Office.

“Permitted Lien” means any Lien that is a Permitted Encumbrance under the Credit Agreement.

“Secured Obligations” means all obligations of the Company to Purchaser, whether such obligations are now existing or hereafter incurred or created, joint or several, direct or indirect, absolute or contingent, due or to become due, matured or unmatured, liquidated or unliquidated, to the extent, but only to the extent arising pursuant to the Guaranty to pay all amounts (including, without limitation, any amounts which accrue after the commencement of any case, proceeding or other action relating to the bankruptcy, insolvency or reorganization of Funding, Eurofunding or the Company) which (a) are payable by Funding as Deemed Collection Amounts pursuant to Section 1.8

of the Domestic Receivables Purchase Agreement; (b) are payable by Eurofunding as Deemed Collection Amounts pursuant to Section 1.8 of the Foreign Receivables Purchase Agreement or under Article VII of the Foreign Receivables Purchase Agreement; (c) are payable by the Company hereunder; or (d) any renewals or extensions of any of the foregoing.

“Trademark License” means any agreement, whether written or oral, providing for the grant by the Company to any Person or Persons of any right to use any Trademark.

“Trademarks” means all of the following to the extent owned by the Company: all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, including, without limitation, those described in Schedule I hereto, and all reissues, extensions or renewals thereof.

2. Grant of Security Interest. In furtherance and as confirmation of the security interests granted by the Company under the Security Agreement dated as of the date hereof, as the same may be amended from time to time, by and between the Company and Purchaser, and in order to secure the prompt and complete payment and performance of all the Secured Obligations, together with any and all expenses which may be incurred by Purchaser in collecting any or all of such Secured Obligations or enforcing any rights, obligations or liabilities under this Agreement, the Company hereby grants Purchaser a security interest in (including, without limitation, a collateral assignment and pledge of) all of the Company's present and future right, title and interest in and to the following whether presently existing or hereafter arising or acquired (collectively, the “Collateral”):

(a) all registered or unregistered Trademarks and, where applicable, the federal registrations thereof, including, without limitation, the federal registrations listed on Schedule I attached hereto (the “Registered Trademarks”),

(b) the Company's rights under all Trademark Licenses;

(c) all of the goodwill of the business connected with the use of, and symbolized by, each Trademark including those Trademarks subject of a Trademark License;

(d) all products and proceeds of each Trademark and Trademark License, including, without limitation, any claim by the Company against third parties for past, present or future infringement or dilution of any Trademark, including, without limitation, the Registered Trademarks, and any Trademark licensed under any Trademark License, or for injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License;

(e) all causes of action, claims and warranties now or hereafter owned or acquired by the Company in respect of any of the items listed above; and

(f) all proceeds of any of the items described in clauses (a) through (e).

Provided, however, that "Collateral" shall not include any contract, license or agreement of any kind that has valid and enforceable provisions (i) that prohibit the grant of a security interest therein or (ii) that provide that a default may or shall occur as a result of the grant of a security interest therein, unless any required consents shall have been obtained or such provision shall have been rendered ineffective by reason of applicable law or otherwise.

3. Representations and Warranties. As an inducement to Purchaser to enter into this Agreement, the Company makes the following representations and warranties:

(a) The Company is the sole beneficial owner of the Registered Trademarks, and is duly licensed to use or license any of the Trademarks, and, except for Permitted Liens, no Lien exists or will exist upon any Registered Trademark at any time except for the collateral assignment thereof in favor of Purchaser provided for herein, which collateral assignment and security interest constitutes a first priority perfected security interest in all of the Registered Trademarks.

(b) Except pursuant to Trademark Licenses entered into by the Company in the ordinary course of business, the Company owns and possesses the exclusive right to use, and has done nothing to authorize or enable any other Person to use, the Trademarks, including the Registered Trademarks listed on Schedule I.

(c) Except as otherwise disclosed in Schedule 3 to the Credit Agreement, to the best of the Company's knowledge, there is no infringement by others of any right of the Company with respect to any Trademark that would have a Material Adverse Effect, the Company is not infringing in any respect upon any Trademark of any other Person, and no proceedings have been instituted or are pending against the Company or threatened, alleging any such violation, which proceedings could have a material adverse effect on the condition, assets, business, operations or prospects of the Company.

4. Defense of Collateral, Etc. The Company agrees that it will at its expense, at Purchaser's request, defend the Collateral from any and all claims and demands of any other Person; provided, however, nothing herein shall prevent the Company in the exercise of its reasonable business judgment from determining that it is in the best interest of the Company to abandon any item of Collateral or to refrain from defending any item of Collateral against such claims or demands (the foregoing prerogative of the Company being sometimes referred to herein as the "Business Judgment Exception"). The Company hereby agrees to pay, indemnify, and hold Purchaser harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses of disbursements or any kind or nature whatsoever with respect to the Collateral, including, without limitation, claims of trademark infringement to the extent such claims arise prior to Purchaser's exercising a right of control over the Collateral pursuant hereto, provided that the Company shall have no obligation

hereunder with respect to such indemnification arising from Purchaser's gross negligence or willful misconduct.

5. Continued Use of Trademarks, Etc. (a) During the term of this Agreement the Company shall employ consistent standards of quality in its manufacture of products and delivery of services sold or services provided under the Trademarks (and shall do any and all acts reasonably required by Purchaser to ensure the Company's compliance with such standards), and shall employ the appropriate notice of such Trademarks in connection with its use of such Trademarks, subject, in each case to the Business Judgment Exception. The Company hereby grants to Purchaser and its employees and agents the right, exercisable upon the occurrence and during the continuance of an Event of Default, but subject to the provisions of Section 13 below, to visit the Company's plants and facilities which manufacture, inspect or store products or which provide services sold under any of the Trademarks, and to inspect the products or monitor the services and quality control records relating thereto at reasonable times during regular business hours. The Company confirms its commitment to take any and all actions reasonably required by Purchaser to ensure the maintenance of quality standards for such products and services.

(b) Subject to the Business Judgment Exception, the Company agrees as follows:

(i) the Company shall use its best ability to maintain the registration of the Registered Trademarks listed on Schedule I hereto in full force and effect by taking any action which it believes necessary, through attorneys of its choice, all at its expense; (ii) in the event that any Trademark is infringed by a third party, so as to have a Material Adverse Effect, or if such infringement gives rise to litigation or to the filing of a claim or notice of opposition with the Patent and Trademark Office which would have a material adverse effect on the condition, assets, business, operations or prospects of the Company, the Company shall promptly notify Purchaser and shall take such actions as may be reasonably required to terminate such infringement. Any damages recovered from the infringing party shall be deemed to be part of the Collateral.

6. No Assignments, Etc. The Company shall not, except as otherwise permitted by the Credit Agreement, grant, create or permit to exist any Lien upon the Collateral in favor of any other Person, or assign this Agreement or any rights in the Collateral or the material protected thereby without, in either case, the prior written approval of Purchaser and such attempted Lien or assignment shall be void ab initio.

7. Continuing Liability. The Company hereby expressly agrees that, anything herein to the contrary notwithstanding, it shall remain liable under any Trademark License, interest or obligation with respect to which Purchaser has been granted a security interest pursuant to Section 2 hereof to observe and perform all the conditions and obligations to be observed and performed by the Company thereunder, all in accordance with and pursuant to the terms and provisions thereof. Purchaser shall not have any obligation or liability under any such Trademark License, interest or obligation by reason of or arising out of this Agreement or the conditional assignment thereof, or the grant of a security interest therein, to Purchaser or the receipt by Purchaser of any payment relating to any such Trademark License, interest or obligation pursuant hereto, nor shall Purchaser be required or obligated in any manner to perform or fulfill any of the obligations of the Company thereunder or pursuant thereto, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it

or the sufficiency of any performance by any party under any such Trademark License, interest or obligation, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

8. Additional Security Agreements and Registrations.

(a) The Company shall provide to Purchaser a then current comprehensive list and description of all U.S. registered Trademarks owned by the Company with respect to products currently sold or licensed by the Parent, the Company or any Subsidiary thereof, (i) within forty-five (45) days after the completion of each fiscal quarter of the Company, and (ii) more frequently upon the request of Purchaser if an Event of Default has occurred and is continuing.

(b) Following the delivery of the list referenced in Section 8(a) hereof, the Company shall promptly take all necessary action, including the execution and delivery of trademark security agreements and any other instruments reasonably requested by Purchaser to provide Purchaser with, to the extent it does not already have, a first priority security interest relating to each U.S. Trademark owned by the Company with respect to products currently sold or licensed by the Parent, the Company or any U.S. Subsidiary. The Company shall register with the appropriate U.S. governmental authorities all U.S. Trademarks associated with software titles sold or licensed by the Parent, the Company or any U.S. Subsidiary in conducting their respective businesses and the Company shall maintain such registrations; provided, however, the foregoing requirements shall be subject to the exercise of the Company's reasonable business judgment as to when any such attempted registration would not be cost effective or could reasonably be expected to be rejected or relates to any Trademark that is immaterial.

9. Retention of Rights. Unless and until an Event of Default shall have occurred and be continuing and Purchaser shall have exercised its remedies hereunder, but subject to the terms and conditions of this Agreement, the Company shall retain the legal and equitable title to the Collateral and shall have full right to use the Collateral in the ordinary course of its business.

10. Remedies.

(a) If an Event of Default with respect to any of the Secured Obligations has occurred and is continuing Purchaser may exercise, in addition to all other rights and remedies granted to it in this Agreement, all rights and remedies of a secured party under the Uniform Commercial Code. Without limiting the generality of the foregoing, the Company expressly agrees that in any such event Purchaser, without demand of performance or other demand, advertisement or notice of any kind (except to such extent as notice may be required by applicable law with respect to the time or place of any public or private sale) to or upon the Company or any other Person (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give an option or options to purchase, or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange, broker's board or at any of Purchaser's offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Purchaser shall

have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Company, which right or equity is hereby expressly waived and released. To the extent permitted by applicable law, the Company waives all claims, damages and demands against Purchaser arising out of the repossession, retention or sale of the Collateral.

(b) Without limiting the generality of the foregoing, if any Event of Default has occurred and is continuing,

(i) Purchaser may license, or sublicense, whether on an exclusive or non-exclusive basis, any Trademark included in the Collateral throughout the world for such term or terms, on such conditions and in such manner as Purchaser shall in its sole discretion determine, the proceeds of such license or sublicense to be applied to the payment of the Secured Obligations;

(ii) Purchaser may (without assuming any obligations or liability thereunder), at any time and from time to time, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of the Company in, to and under any Trademark License and take or refrain from taking any action under any Trademark License, and the Company hereby releases Purchaser from, and agrees to hold Purchaser free and harmless from and against, any claims arising out of any lawful action so taken or omitted to be taken with respect thereto other than any claims arising by reason of its own gross negligence or willful misconduct; and

(iii) upon request by Purchaser, the Company will execute and deliver to Purchaser a power of attorney, in addition to and supplemental to that set forth in Section 12 below, in form and substance satisfactory to Purchaser, for the implementation of any lease, assignment, license, sublicense, a grant of option, sale or other disposition of any Trademark, provided, however, that in the event of any disposition pursuant to this Section 10, the Company shall supply its customer lists and other records relating to such Trademarks and to the distribution of said products and sale of such services, to Purchaser;

provided, however, that Purchaser shall provide the Company with five Business Days' prior notice before exercising any of its rights or remedies set forth in this Section 10(b).

11. Grant of License to Use Collateral. For the purposes (a) of perfecting Purchaser's security interest in the Collateral and (b) of enabling Purchaser to exercise rights and remedies under Section 10 hereof or under any other Transaction Document (as defined in the Receivables Purchase Agreements), the Company hereby grants to Purchaser an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Company), subject to any third-party rights, to use, assign, license or sublicense any of the Collateral, whether now owned or hereafter acquired by the Company, and wherever the same may be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof; provided, however, that, unless an Event of Default has occurred and is continuing, the foregoing license

shall not be exercised and shall be effective only to the extent necessary to perfect Purchaser's security interest in the Collateral under applicable law.

12. **Power of Attorney.** The Company hereby irrevocably appoints Purchaser its true and lawful attorney (such appointment coupled with an interest), with full power of substitution, in the name of the Company, Purchaser, or otherwise, for the sole use and benefit of Purchaser, but at the Company's expense, to exercise (to the extent permitted by law), at any time and from time to time while an Event of Default has occurred and is continuing, all or any of the following powers with respect to all or any of the Collateral:

(a) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due thereon or by virtue thereof;

(b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

(c) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof, as fully and effectually as if Purchaser were the absolute owner thereof; and

(d) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto.

13. **Confidentiality.** Purchaser will endeavor in good faith to maintain the confidentiality of any non-public information relating to the Company which has been identified in writing as confidential on the information itself or otherwise (the "**Confidential Information**") and, except as provided below, will exercise the same degree of care that Purchaser exercises with respect to its own proprietary information to prevent the unauthorized disclosure of the Confidential Information to third parties. Confidential Information shall not include information that either: (a) is in the public domain or (b) is disclosed to Purchaser by a third party, provided Purchaser does not have actual knowledge that such third party is prohibited from disclosing such information. The terms of this **Section 13** shall not apply to disclosure of Confidential Information by Purchaser that is, in the good faith opinion of Purchaser, compelled by laws, regulations, rules, orders or legal process or proceedings or is disclosed to: (a) any party, including a prospective participant, who has signed a confidentiality agreement containing terms substantially similar to those contained herein; or (b) legal counsel, examiners, auditors and directors of Purchaser and examiners, auditors and investigators having regulatory authority over Purchaser.

14. **Notices.** All notices under this Agreement shall be in writing, and shall be given and shall be effective in accordance with the Receivables Purchase Agreements.

15. **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

16. No Waiver; Cumulative Remedies. Purchaser shall not, by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder, and no waiver shall be valid unless in writing, signed by Purchaser, and then only to the extent therein set forth. A waiver by Purchaser of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which Purchaser would otherwise have had on any other occasion. No failure to exercise nor any delay in exercising on the part of Purchaser any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law.

17. Waivers; Amendments. None of the terms and provisions of this Agreement may be waived, altered, modified or amended except by an instrument in writing executed by the parties hereto.

18. Limitation by Law. All rights, remedies and powers provided herein may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions hereof are intended to be subject to all applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable in whole or in part or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

19. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and shall inure to the benefit of Purchaser and its successors and assigns, and nothing herein is intended or shall be construed to give any other Person any right, remedy or claim under, to or in respect of this Agreement.

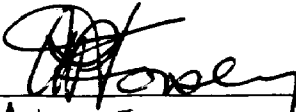

20. Termination. Purchaser agrees that, upon the payment in full and satisfaction of all the Secured Obligations, the collateral assignments and security interests created by this Agreement and any proceeds thereof or distributions in respect thereof shall be released, and Purchaser will execute all such documents as may be reasonably requested by the Company to release such security interests and to terminate such collateral assignment (without representation or warranty).

21. APPLICABLE LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF MASSACHUSETTS AND THE UNITED STATES OF AMERICA.
