**REQUEST FOR CORRECTION OF ERROR IN COVER SHEETS
AND RECORDED DOCUMENT AND FOR RE-RECORDATION**

Sir/Madam:

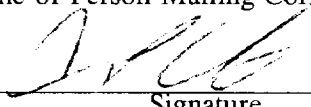

Pursuant to Trademark Rule §3.34 and TMEP §503.06, Color Prelude Inc. requests that errors in the previous cover sheet and recorded document be corrected and that the document be re-recorded under the proper registration number.

Specifically, on July 13, 1998, the United States Patent and Trademark Office recorded an Assignment against Registration No. 1,649,219 under Reel 1755, Frame 0328. This recordation was due to an inadvertent typographical which appeared in both the recordation cover sheet and the underlying assignment. The Assignment should have been recorded under Registration No. 1,649,216.

Annexed hereto is a Declaration which has been executed by the same person who previously executed the Assignment attesting to the fact that the reference to the wrong registration number was the result of an inadvertent typographical error and noting that the proper registration number is 1,649,216.

Also enclosed is a new recordation cover sheet along with the original Assignment which both show the corrected registration number.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C. 20231, on November 12, 1998:
