Note that the previous submission of this request (on June 11, 1998) was found to be non-recordable due to the need for each document submitted for recording to be accompanied by a cover sheet. The documents returned to us from the Assignment Branch contained only the cover sheet that accompanied the Merger document. However, when we originally submitted the request to the Assignment Branch, a separate cover sheet accompanied both the Release of Intellectual Property and the Merger document. Proof that a cover sheet for each document was indeed originally submitted can be seen on the photocopy of the itemized post card receipt stamped by the PTO and returned to us (note the highlighted section). A photocopy of the originally submitted cover sheet accompanying the Release of Intellectual Property document is also enclosed for your reference.

Although this correction is being submitted past the 30 days allowed from the date of Notice of Non-Recordation of Document for retention of the original date of submission, we ask that the original date of filing of the Release of Intellectual Property and Merger documents be maintained given that the error was on the part of the PTO and through no fault of the applicant.

The amount of \$365.00 for the cost of recording the merger of Fort Howard Corporation into Fort James Operating Company was previously charged to Deposit Account No. 10-0235. Evidence of this charge to our account can be found on the June 30, 1998, Statement of Account at control numbers 234 and 235.

Please withdraw the amount of \$365.00 from deposit account number 10-0235 to cover the cost of recordal of the document setting forth the Release of Intellectual Property by Bankers Trust Company in favor of Fort Howard Corporation. If the amount is inadequate, please draw the additional amount from deposit account number 10-0235.

Respectfully submitted,

Mary Eckert
