D. Assignor's Business is ongoing and existing and Assignee desires to continue the Business of Assignor in connection with the use of the Trademarks.

## **TERMS OF AGREEMENT**

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. **Assignment.** Assignor does hereby assign unto Assignee all right, title, interest and claims in and to:

(a) the Trademarks (including all future royalties or other fees paid or payments made or to be made to Assignor in respect of the Trademarks), and proceeds of any and all of the above, including all common law rights in and to the foregoing, all registrations and applications to register the same and all licenses for the use thereof, including, without limitation, those trademarks and trademark registrations and applications set forth on Exhibit A attached hereto (being referred to collectively in this Agreement as the "Trademark Rights");

Assignor acknowledges that the foregoing powers are coupled with an interest and shall be irrevocable. Assignee shall be entitled to retain for its own account any amounts collected pursuant to the foregoing powers, including any amounts payable as interest and penalties in respect thereof. The foregoing shall not limit any other rights and remedies of the Assignee, and shall survive the execution and delivery of this Agreement. Assignor hereby ratifies all that the attorney shall lawfully do or cause to be done by virtue of this Agreement. Notwithstanding anything herein to the contrary, Assignee shall not exercise the foregoing power of attorney with respect to any action or the execution of any document unless it has provided ten (10) days prior written notice to the Assignor of the Assignee's intended action or execution of any document and the Assignor has refused to take such action or execute such documentation or has not responded to the Assignee's notice within such ten (10) day period.

No extension of time for performance of any obligations or other acts hereunder or under any other agreement shall be deemed to be an extension of the time for performance of any other obligations or any other acts. The rights and remedies of the parties under this Agreement are in addition to all other rights and remedies, at law or equity, that they may have against each other. Time shall be of the essence in this Agreement.

5. **Binding Effect.** The rights and obligations of this Agreement shall bind and inure to the benefit of the parties and their respective successors and assigns.
