COLLATERAL ASSIGNMENT AND TRADEMARK SECURITY AGREEMENT

THIS COLLATERAL ASSIGNMENT AND TRADEMARK SECURITY AGREEMENT (this "Agreement"), made as of the 6th day of November, 1998, by the undersigned ("Grantor"), in favor of FLEET CAPITAL CORPORATION, a Rhode Island corporation ("Fleet"), as a Lender individually and as Agent for itself and all Lenders from time to time party to the Credit Agreement defined below (Fleet, acting in both such capacities, herein sometimes called "Agent");

WITNESSETH THAT:

WHEREAS, Grantor owns and uses certain trademarks which are registered in the United States Patent and Trademark Office and other trademarks for which applications to register are pending in the United States Patent and Trademark Office, all as more fully described on Exhibit "A" attached hereto and by reference made part hereof (hereinafter, together with all rights, benefits and privileges derived therefrom, the goodwill of the business symbolized thereby, all registrations thereof, all reissues, divisions, continuations, renewals and extensions thereof, and all proceeds of the foregoing, called the "Trademark Rights"); and

WHEREAS, the Lenders propose to make certain loans and advances to CONVERGENT RESOURCES, INC., a Georgia corporation ("Borrower") on the date hereof and hereafter, all pursuant to that certain Credit Agreement, dated as of even date herewith, among Grantor, the other Affiliate Guarantors identified as such therein, the Borrower, the Lenders and Agent (hereinafter, together with any amendments, modifications or supplements thereto, called the "Credit Agreement"; capitalized terms used herein and not defined herein shall have the meanings ascribed to them in the Credit Agreement); and

WHEREAS, as a condition precedent to the extension of such financial accommodations to Borrower pursuant to the Credit Agreement, Fleet has required that Grantor grant to Agent a security interest in and collateral assignment of the Trademark Rights;

NOW, THEREFORE, in order to induce the Lenders to consummate the financial accommodations to Borrower provided for in the Credit Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to Agent a security interest in, and makes to Agent a collateral assignment of, the entire right, title, and interest of Grantor in and to the Trademark Rights. The Trademark Rights shall serve as collateral security to Agent for the payment of all Obligations to Lenders and Agent, shall constitute a part of the Collateral and shall be subject to all of the terms and conditions of the Credit Agreement and that certain Security Agreement, dated as of even date herewith, made by Grantor in favor of Agent (the "Security Agreement").

Notwithstanding the foregoing, unless and until Agent exercises the rights and remedies accorded to it under the Security Agreement and by law with respect to the realization upon its security interest in and collateral assignment of the Trademark Rights, Grantor shall own, and may

use and enjoy the Trademark Rights in connection with its business operations, but only in a manner consistent with the preservation of their current substance, validity, registration and the security interest herein granted.

Grantor further agrees (a) that Agent shall not have any obligation or responsibility to protect or defend the Trademark Rights and Grantor shall at its own expense protect, defend and maintain the same to the extent advisable for its business, (b) that it shall forthwith advise Agent in writing of infringements of the Trademark Rights detected by it and (c) that if Grantor fails to comply with the requirements of the preceding clause (a), Agent may do so in Grantor's name or in Agent's name but at Grantor's expense, and Grantor hereby agrees to reimburse Agent for all expenses, including attorneys' fees, incurred by Agent in protecting, defending and maintaining the Trademark Rights owned by Grantor.

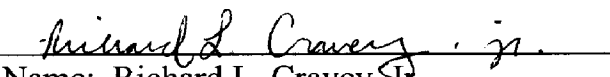

The security interest in and collateral assignment of the Trademark Rights granted hereunder shall remain in full force and effect until the termination of the Credit Agreement and the payment and satisfaction in full of the Obligations. At such time, Agent shall, if requested by Grantor, execute and deliver to Grantor, or to a third party upon Grantor's instructions, for filing with the United States Patent and Trademark Office and in each office in which any financing statement relative to the security interest granted hereby may have been filed, (i) documentation in accordance with the rules and regulations of said office, (ii) termination statements under the Uniform Commercial Code and (iii) any other documentation reasonably requested by Grantor, all as may be necessary to release Agent's interest in the Trademark Rights, all at the cost and expense of Grantor.

This Agreement shall inure to the benefit of Agent and its successors and assigns and bind Grantor and its successors and assigns.

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed by its officers thereunto duly authorized as of the date first above written.

SURPAS RESOURCE CORPORATION

By: 
Name: David B. Kriess
