Dear Bob,

Subject: Paying you what you are due + finding someone else to run Ron Jones.

I am very disappointed in your attitude + our phone conversation.

I thought you had matured by now. We have had differences in the past + I've let you have your own way, hoping that some day you would mature + realize that you can't continue to do what you want without discussing it with me. I have the final decision.

I don't think you appreciate what you get paid, which is 50% of the profits that are taken out of the company.

I don't think that you think of Ron Jones first even though over the years I have told you that this was a must!

I feel that you have out-

grown Ron Jones + you want
 to build your own Empire.
 So it is probably best that
 we set up a payment plan
 to pay what is owed to
 you, we or I hire someone
 else that you can train to
 do your job. I'd like you to
 show him everything you'd
 which would take approx
 6 months or longer.

This way you can buy the
 properties you want, hire
 what family members you
 want & make your own
 decision not to drug test
 your management & you to
 ignored all my requests &
 do it your way.

I'd like to part with friends
 & get it over with.

One had enough, at my
 age, of disrespect from you
 & the older you get the worse
 it's going to get. you have to
 give respect first before you
 can expect to get respect.

If you can't bring yourself
 to discuss this in the
 proper manner & with the

TRADEMARK

respect I demand from you
 then I will just work the
 matter thru my lawyers -
 Malcolm, Peeples & Lloyd.
 I am very sorry it has to
 be this way, but you have
 brought this upon yourself.
 I've reached the point that
 I will not accept your
 outbursts, yelling or
 tantrums ANYMORE!

Love you,
 Ron

(Sign sign for Ron)

P.S. Maybe we can have more
 of a friendship type of
 relationship without any
 business relationship.

P.P.S. You are not getting fired -
 it was your decision to do
 it your way & not work
 at all. Remember you quit.
 You are the one that said
 you wanted to quit & do it
 your way.
 If you decide to continue
 to act in an immature
 matter & threaten ~~TRADEMARK~~ well

000049

with new people that I won't
 have a problem with. They
 won't threaten to quit unless
 they can have their own way
 or blow out at me or
 Lloyd or Colin etc., etc. etc.

Hopefully you will handle
 yourself properly so none
 of this happens, but I
 have no problem "taking it
 to the limit" of bankruptcy
 if you choose to continue
 to threaten.

YOU DON'T THREATEN
THE THREATENER!

Remember my favorite T-shirt
 is "TAKE IT TO THE LIMIT"
 That should tell you something
 so think about that T-shirt
 saying before you start
 another one of your childish
 temper tantrums.

period - I am a man of
my word & I will help
you start your own Ron Jon
Surf Shop somewhere else in
the country & give you the
free right to use the name
no strings attached -
However the name would
have to be "Ron Jon Surf
Shop Out Post".

The ball is in your
court now & I'm not playing
any more games in the
future.

Dear Bob,

Subject: Jacob Bells / Out back
Steak House job
Re: are attached job

We are in the process of buying property for Ron Jones - not selling. Jacob Bells is a sale. Also a year ago you begged me not to buy FLX 6-3 until one year later so the town could "cool down". It's now one year later so a sale to Ron Jones is now in order.

I will things I will not stand for anymore is: ① losing your temper & ② showing disrespect for me & ③ the other is to make these decisions on land deals for Ron Jones's future without discussing them with me first - Remember I make the final decision.

Like I've said before - I've given you the offer to open your own Ron Jones firm, otherwise we do it my way & only my way. Discussions are fine, but the final decision is mine. I don't want to ever be threatened again! Now we are in the process of finding at least one person who can replace you because of your last attitude.

Bob

Ref letter April 29/1989. Sat 10:30
getting ready to leave for MS

I will answer only part of
this letter now, the rest later
what I think of you.

I like to get the record straight
that I think the world of you.
I always have and always will
what credit am I willing to give
you?

Let's put it this way I don't
think there's anyone that I ever
worked with that could have done
what we have accomplished in
the same situation.

I made a commitment to
you when you were watching the
"shop" for me in 1975 and it has
changed and as far as I'm
concerned it never will.

I made another statement
recently that you can't be
fired and you can't quit.

Would you have the right
to quit if you thought

TRADEMARK

REEL: 1831 FRAME: 0639

you realize my feelings
toward you. This is something
I guess I just fall short with
I hope this letter clarifies
it.

① All the other concerns you
have mentioned in your letter
can ~~we~~ be worked out if we
are willing to work with you
on them.

Like you say it's decision by
and if you feel that you
like to go on our "look the
out of things" then did suggest
you take me up on my offer
of being able to open your
own Ron Jon's and run it
exactly the way you want.

I think that is a generous
compensation for your years
of loyalty and to be able to use
the assets of Ron Jon's for
borrowing and have a grace
transition period so no one
gets hurt.

As soon as I get caught up
on 7 axes and the phones fixed
and get my life in order

(4)

So I guess I should just say you
can't be fired.

You are much more than
just an employee and always
will be.

I think both of our assistants
have contributed to the success.

I think both of our assistants
have contributed to our own stress
& frustration.

I think the authorities have
helped prevent us from growing
gracefully also.

I have the highest respect for
you in more ways than just
a knowledgeable retailer.

I have never listened to anyone
or hired anyone that didn't have
the highest regards & respect for
you and your ability.

All I hear is how lucky I
am to have a person like Bob
running Non Jon's for me.

As if you were born with
this ability, little do they know
how hard you've worked to achieve
this ability.

I know that I should really
& express my feelings to you
a lot more than I have.
I know just

(1)

to go to Australia I'll call
you towards the end of week.
Your letter has changed
my way of thinking as far
as Ron Jones goes. I guess
I must prepare myself also
in case you decide to go on
with a New life or something
happens to you. So now I've
got a heavier work load before
Australia to get caught up on

Love you
Norm
