**TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT**

THIS AGREEMENT (this "Agreement"), dated as of December 27, 1998, is made by and between AMERICAN EXERCISE & GYM EQUIPMENT CO., INC., a Michigan corporation ("Debtor"), with its chief executive office at 4540 Beltway Drive, Addison, Texas 75244 and HANCOCK MANAGEMENT PARTNERS, INC., a California corporation, in its capacity as administrative agent for the Original Purchasers (as such term is defined in the Note Purchase Agreement, defined below) (in such capacity, and together with any successor thereto, "Secured Party"), with its mailing address at c/o Hancock Park Capital, L.P., 1925 Century Park East, Suite 801, Los Angeles, California 90067.

**W I T N E S S E T H:**

WHEREAS, Debtor has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Exhibit A hereto and made a part hereof.

WHEREAS, Original Purchasers, Secured Party and Busy Body, Inc., a Delaware corporation, formerly known as Busy Body Acquisition, Inc., as successor by merger to Busy Body, Inc., a California corporation ("Borrower") (i) have entered into that certain Note Purchase Agreement, dated as of even date herewith (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced from time to time, the "Note Purchase Agreement"), pursuant to which, among other things, Borrower has agreed to issue, and the Original Purchasers agreed to purchase, certain Notes (as defined in the Note Purchase Agreement) as set forth in the Note Purchase Agreement and (ii) have entered into, or caused to be entered into, other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection therewith or related thereto, including, but not limited to, the Guarantee (as defined below) and the other Note Documents (as defined in the Note Purchase Agreement) (all of the foregoing agreements, documents and instruments, together with the Note Purchase Agreement, as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced from time to time, being collectively referred to herein as the "Financing Agreements").

WHEREAS, pursuant to the Note Purchase Agreement, Debtor has executed and delivered that certain Guarantee dated as of the date hereof in favor of Secured Party (as from time to time amended, restated, supplemented or otherwise modified, the "Guarantee"), pursuant to which Debtor absolutely and unconditionally guaranteed to Secured Party and the Original Purchasers the prompt payment and performance of all now existing and hereafter arising obligations, liabilities and indebtedness of Borrower to the Original Purchasers.

WHEREAS, in order to induce each Original Purchaser to enter into the Note Purchase Agreement and to purchase the Notes as provided for in the Note Purchase Agreement, Debtor has agreed to grant to Secured Party certain collateral security as set forth herein to secure its Obligations (as defined herein) to the Original Purchasers.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Debtor hereby grants to Secured Party a continuing security interest in and a general lien upon, and a conditional assignment of, the following (being collectively referred to herein as the "Collateral"): (a) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: (i) all of Debtor's trademarks, tradenames, trade styles and service marks and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, including, without limitation, the trademarks, terms, designs and applications described in Exhibit A hereto, together with all rights and privileges arising under applicable law with respect to Debtor's use of any trademarks, tradenames, trade styles and service marks, and all reissues, extensions, continuation and renewals thereof (all of the foregoing being collectively referred to herein as the "Trademarks"); and (ii) all prints and labels on which such trademarks, tradenames, tradestyles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all income, fees, royalties and other payments at any time due or payable with respect thereto, including, without limitation,

payments under all licenses at any time entered into in connection therewith; (d) the right to sue for past, present and future infringements thereof; (e) all rights corresponding thereto throughout the world; and (f) any and all other proceeds of any of the foregoing, including, without limitation, damages and payments or claims by Debtor against third parties for past or future infringement of the Trademarks. Notwithstanding anything to the contrary set forth above, the types or items of Collateral described in this section shall not include any rights or interests in any contract, lease, permit, license, charter or license agreement covering personal property, as such, if under the terms of such contract, lease, permit, license, charter or license agreement, or applicable law with respect thereto, the valid grant of a security interest or lien therein to Secured Party is prohibited and such prohibition has not been or is not waived or the consent of the other party to such contract, lease, permit, license, charter or license agreement has not been or is not otherwise obtained or under applicable law such prohibition cannot be waived; provided, that, the foregoing exclusion shall in no way be construed (A) to apply if any such prohibition is unenforceable under Section 9-318 of the Uniform Commercial Code or other applicable law or (B) so as to limit, impair or otherwise affect Secured Party's unconditional continuing security interests in and liens upon any rights or interests of Debtor in or to monies due or to become due under any such contract, lease, permit, license, charter or license agreement.

## 2. OBLIGATIONS SECURED

The security interest, lien and other interests granted to Secured Party pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all obligations, liabilities and indebtedness of every kind, nature and description owing by Debtor to Original Purchasers and/or the Secured Party, including principal, interest, charges, fees, costs and expenses, however evidenced, whether as principal, surety, endorser, guarantor or otherwise, whether arising under the Guarantee, this Agreement, the Note Purchase Agreement, the other Financing Agreements, or otherwise, whether now existing or hereafter arising, whether arising before, during or after the initial or any renewal term of the Note Purchase Agreement or after the commencement of any case with respect to Debtor under the United States Bankruptcy Code or any similar statute (including, without limitation, the payment of interest and other amounts which would accrue and become due but for the commencement of such case), whether direct or indirect, absolute or contingent, joint or several, due or not due, primary or secondary, liquidated or unliquidated, secured or unsecured, and however acquired by any Original Purchaser or Secured Party (all of the foregoing being collectively referred to herein as the "Obligations").

### 3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Debtor hereby represents, warrants and covenants with and to each of the Original Purchasers and the Secured Party the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) Debtor shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Collateral is valid and subsisting in full force and effect, and Debtor owns the sole, full and clear title thereto, and the right and power to grant the security interest and conditional assignment granted hereunder, subject only to the Permitted Liens (as defined in the Note Purchase Agreement) and liens indicated on Schedule 4.7(a) of the Note Purchase Agreement. Debtor shall, at Debtor's expense, perform all acts and execute all documents necessary to maintain the existence of the Collateral consisting of registered Trademarks as registered trademarks and to maintain the existence of all of the Collateral as valid and subsisting, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted hereunder and pursuant to the Note Purchase Agreement, (ii) the security interests permitted under the Note Purchase Agreement, (iii) the security interest granted in favor of Congress Financial Corporation (Southwest) ("Senior Lender") under that certain Trademark Collateral Assignment and Security Agreement dated as of the date hereof between Senior Lender and Debtor (the "Congress Trademark Security Agreement"), (iv) the security interest granted to Senior Lender under that certain General Security Agreement dated as of the date hereof between Debtor and Senior Lender (the "Congress Security Agreement") and (v) the licenses permitted under Section 3(e) below.

(c) Debtor shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Secured Party, except (i) as otherwise permitted herein or in the Note Purchase Agreement or (ii) the security interest granted in favor of the Senior Lender under the Congress Trademark Security Agreement

and the Congress Security Agreement. Nothing in this Agreement shall be deemed a consent by Secured Party to any such action, except as such action is expressly permitted hereunder.

(d) Debtor shall, at Debtor's expense, promptly perform all acts and execute all documents requested at any time by Secured Party to evidence, perfect, maintain, record or enforce the security interest in and conditional assignment of the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtor hereby authorizes Secured Party to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Secured Party or as otherwise determined by Secured Party. Debtor further authorizes Secured Party to have this Agreement or any other similar security agreement recorded with the United States Patent and Trademark Office ("PTO") or any other appropriate federal, state or government office. When the financing statements have been filed with the appropriate state offices and this Agreement is recorded with the PTO, Secured Party will have a fully perfected security interest in the Trademarks.

(e) As of the date hereof, Debtor does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than as set forth in Exhibit B hereto.

(f) Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise, at any time on or after an Event of Default exists or has occurred and is continuing, of the rights and remedies granted to Secured Party hereunder.

(g) Secured Party may, in its discretion, after notice to Debtor (and so long as Debtor has not taken such action within a reasonable time after such notice, but in any event within five (5) days after such notice, unless Secured Party determines in good faith that under the circumstances it is necessary to act sooner) pay any amount or do any act which Debtor fails to pay or do as required hereunder or which, in Secured Party's good faith judgment, is necessary or appropriate to preserve, defend, protect, maintain, record or enforce the Obligations, the Collateral, or the security interest and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees,

court costs, collection charges, attorneys' fees and legal expenses. Debtor shall be liable to Secured Party and each Original Purchaser for any such payment, which payment shall be deemed an advance by Secured Party to Debtor, shall be payable on demand together with interest at the rate then applicable to the indebtedness of Borrower to the Original Purchasers as set forth in the Note Purchase Agreement and shall be part of the Obligations secured hereby.

(h) Debtor shall not file any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States, unless Debtor has given Secured Party thirty (30) days prior written notice of such action. If, after the date hereof, Debtor shall (i) obtain any registered trademark or tradename, or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any trademark registrations or applications for trademark registration used in the United States or any State thereof, political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Secured Party, Debtor shall promptly execute and deliver to Secured Party any and all assignments, agreements, instruments, documents and such other papers as may be reasonably requested by Secured Party to evidence the security interest in and conditional assignment of such Trademark in favor of Secured Party.

(i) Debtor has not abandoned any of the Trademarks and Debtor will not do any act nor omit to do any act, whereby the Trademarks may become abandoned, invalidated, unenforceable, avoided, or avoidable. Debtor shall notify Secured Party immediately if it knows or has reason to know of any reason why any application, registration, or recording with respect to the Trademarks may become abandoned, canceled, invalidated, avoided, or avoidable.

(j) Debtor shall render any assistance, as Secured Party shall determine is necessary, to Secured Party in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Trademarks as Debtor's property, to the extent of Debtor's interest therein on the date hereof, and to protect Secured Party's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) To Debtor's knowledge, no material infringement or unauthorized use presently is being made of any of the Trademarks that would adversely affect in any material respect the fair market value of the Collateral or the benefits of this Agreement granted to Secured Party, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of Secured Party hereunder. Debtor shall promptly notify Secured Party if Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes on any Trademark or is likely to cause confusion with any Trademark. If requested by Secured Party, Debtor, at Debtor's expense, shall join with Secured Party in such action as Secured Party, in Secured Party's discretion, may deem advisable for the protection of Secured Party's interest in and to the Trademarks.

(l) Debtor assumes all responsibility and liability arising from the use of the Trademarks and Debtor hereby indemnifies and holds Secured Party harmless from and against any claim, suit, loss, damage, or expense (including attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment in full of the Obligations, the termination of this Agreement and the termination or non-renewal of the Note Purchase Agreement.

(m) Debtor shall promptly pay Secured Party and each Original Purchaser for any and all reasonable expenditures made by Secured Party pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the rate then applicable to the indebtedness of Borrower to the Original Purchasers as set forth in the Note Purchase Agreement and shall be part of the Obligations secured hereby.

#### 4. EVENTS OF DEFAULT

All Obligations shall become immediately due and payable, without notice or demand (except as otherwise provided in the Note Purchase Agreement), at the option of Secured Party, upon the occurrence of any Event of Default, as such term is defined in the Note Purchase Agreement (each an "Event of Default" hereunder).

5. RIGHTS AND REMEDIES

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Secured Party and the Original Purchasers, whether provided under this Agreement, the Note Purchase Agreement, the Guarantee, the other Financing Agreements, applicable law or otherwise, Secured Party and the Original Purchasers shall have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder:

(a) Secured Party may require that neither Debtor nor any affiliate or subsidiary of Debtor make any use of the Trademarks or any marks similar thereto for any purpose whatsoever. Secured Party may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services in connection with enforcing any other security interest granted to Secured Party by Debtor or any subsidiary or affiliate of Debtor or for such other reason relating to the business of the Debtor, or the enforcement of any security interest granted by Debtor or any subsidiary or affiliate of Debtor to Secured Party, as Secured Party may determine.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its discretion deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of five (5) days prior written notice to Debtor of any proposed disposition shall be deemed reasonable notice thereof and Debtor waives any other notice with respect thereto. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Debtor shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to the terms hereof, Secured

Party may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Debtor agrees to pay Secured Party and the Original Purchasers on demand all reasonable costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and attorneys' fees and legal expenses. Debtor agrees that neither the Secured Party nor any Original Purchaser has any obligation to preserve rights to the Trademarks against any other parties.

(e) Secured Party may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Debtor shall remain liable to Secured Party and the Original Purchasers for any of the Obligations remaining unpaid after the application of such proceeds, and Debtor shall pay Secured Party and the Original Purchasers on demand any such unpaid amount, together with interest at the rate then applicable to the indebtedness of Borrower to the Original Purchasers as set forth in the Note Purchase Agreement.

(f) Debtor shall supply to Secured Party or to Secured Party's designee, Debtor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Debtor's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Secured Party or any Original Purchaser to take any such action at any time. All of Secured Party's and each Original Purchaser's rights and remedies, whether provided under this Agreement, the other Financing Agreements, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. **JURY TRIAL WAIVER; OTHER WAIVERS  
AND CONSENTS, GOVERNING LAW**

(a) The validity, interpretation and enforcement of this Agreement and the other Financing Agreements and any dispute arising out of the relationship between

the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of Texas (without giving effect to principles of conflicts of law).

(b) Debtor and Secured Party irrevocably consent and submit to the non-exclusive jurisdiction of the District Court of the State of Texas and the United States District Court for the Northern District of Texas and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or any of the other Financing Agreements or in any way connected or related or incidental to the dealings of Debtor, Secured Party and Original Purchasers in respect of this Agreement or the other Financing Agreements or the transactions related hereto or thereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Secured Party and the Original Purchasers shall have the right to bring any action or proceeding against Debtor or its property in the courts of any other jurisdiction which Secured Party deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Debtor or its property).

(c) Debtor hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails, or, at Secured Party's option, by service upon Debtor in any other manner provided under the rules of any such courts. Within thirty (30) days after such service, Debtor shall appear in answer to such process, failing which Debtor shall be deemed in default and judgment may be entered by Secured Party against Debtor for the amount of the claim and other relief requested.

(d) EACH OF THE ORIGINAL PURCHASERS, DEBTOR AND SECURED PARTY HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (i) ARISING UNDER THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR (ii) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF DEBTOR AND SECURED PARTY IN RESPECT OF THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. EACH OF THE ORIGINAL PURCHASERS, DEBTOR AND SECURED PARTY HEREBY AGREES AND CONSENTS THAT

ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT DEBTOR OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF DEBTOR AND SECURED PARTY TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) Neither Secured Party nor any Original Purchasers shall have any liability to Debtor (whether in tort, contract, equity or otherwise) for losses suffered by Debtor in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Agreement or any act omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment or court order binding on Secured Party or any Original Purchaser that the losses were the result of acts or omissions constituting gross negligence or willful misconduct. In any such litigation, Secured Party and/or any Original Purchaser shall be entitled to the benefit of the rebuttable presumption that it acted in good faith and with the exercise of ordinary care in the performance by it of the terms of this Agreement and the other Financing Agreements.
