DEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement is made this 25<sup>th</sup> day of November, 1998 by and between Elscint Limited, an Israeli corporation having its principal place of business located in Haifa, Israel, and its related companies including but not limited to Elscint, Inc., a New Jersey corporation having its principal place of business located in Rockleigh, New Jersey, Elscint MR, Inc., a Delaware corporation having its principal place of business located in Fort Collins, Colorado, Elscint Medical Technology GmbH, a German corporation, and Elscint España, S.A., a Spanish corporation (collectively, "ELSCINT"), and General Electric Company ("GE"), a New York corporation having a place of business in Waukesha, Wisconsin.

In consideration of One Dollar (\$1.00) and other good and valuable consideration in hand paid, the receipt and sufficiency thereof are hereby acknowledged, ELSCINT hereby assigns, transfers, conveys and/or grants to GE, its successors and assigns, the entire right, title and interest in:

1) All registered trademarks and service marks identified in the attached Trademark Schedule A, including without limitation all renewals thereof, all proceeds of infringement suits, the right to sue for past, present and future infringements and all rights corresponding thereto throughout the world, together with the good will of the business symbolized by each and/or all of such trademarks, all common law rights associated with the use of the mark and the registration thereof; and

2) All statutory and common law rights in any trademarks, service marks and/or trade dress (excluding the name "Elscint"), whether registered or common law, that are owned by ELSCINT but are not listed in Trademark Schedule A, that have been, or are, used to identify products or services that:

- a) relate to the field of magnetic resonance imaging ("MRI");
- b) relate to the field of nuclear medicine ("NM"); and/or
- c) relate to the field of imaging with actual or potential application to the field of MRI and/or NM,

including without limitation all common law trademarks or service marks identified in Trademark Schedule B, and all renewals thereof, all proceeds of infringement suits, the right

to sue for past, present and future infringements and all rights corresponding thereto throughout the world, together with the good will of the business symbolized by each and/or all of such trademarks, service marks, or trade dress, and all common law rights associated with the use thereof.

ELSCINT further agrees, upon the request of GE, to cooperate in the execution and filing of any and all documents that are necessary to fully assign, transfer, convey or grant the rights described in this agreement and/or that are necessary or useful to ensure GE's full and unencumbered enjoyment and benefit of the rights described in this agreement.

ELSCINT further agrees, where not already done, to obtain executed assignment documents for the trademarks, service marks and trade dress referenced above in paragraphs 1-2 from any and all third parties who are obligated to assign to ELSCINT an ownership interest in said trademarks, service marks and trade dress.

IN WITNESS WHEREOF, each of the parties hereto has caused this Trademark Assignment Agreement to be executed on its behalf by a duly authorized officer, agent, or representative.
