TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT

THIS TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT

(the "Agreement") is made this 16th day of December, 1998 by and between PLAYWORLD SYSTEMS INCORPORATED, d/b/a Playworld Systems, Inc., a Pennsylvania corporation having a mailing address at 1000 Buffalo Road, Lewisburg, PA 17837 ("Assignor"), and FIRST UNION NATIONAL BANK, a national banking association, having a mailing address at 600 Penn Street, P.O. Box 1102, Reading, Berks County, Pennsylvania 19603 ("Assignee").

BACKGROUND

Assignor has executed and delivered certain promissory notes and suretyship agreements (collectively the "Note") to the Assignee pursuant to a certain Loan and Reimbursement Agreement dated even date herewith by and between Assignor, the Assignee and Dale L. Miller and Joan E. Miller (as amended thereafter from time to time, the "Loan Agreement"). In addition, pursuant to the Loan Agreement, Assignor has executed and delivered to Assignee certain security agreements, financing statements and other documentation in connection with the Loan Agreement (all such agreements and documentation, together with the Note, hereinafter individually and collectively, as amended from time to time, the "Related Documentation"). In order to induce the Assignee to execute and deliver to the Loan Agreement and Related Documentation dated even date herewith and provide additional credit, Assignor has agreed to assign to Assignee, certain trademark rights, as is hereinafter set forth. Pursuant to this Agreement, the Loan Agreement, and the Related

Documentation, Assignee shall have the right to foreclose on the Trademarks (as defined hereinbelow) in the event of the occurrence and continuance of an Event of Default under the Loan Agreement, the Related Documentation and/or hereunder (subject, however, to any applicable grace periods specified therein or herein which must expire before such Default occurs), in order that the owner of the Trademarks may continue the manufacture of products to be sold under the Trademarks and maintain substantially the same product specifications and quality as maintained by Assignor.

NOW, THEREFORE, in consideration of the premises, Assignor hereby agrees with Assignee as follows:

1. To secure the complete and timely satisfaction of all indebtedness and obligations of the Assignor to Assignee (the "Liabilities"), including, but not limited to, all sums owing to Assignee and pursuant to the Note, Assignor hereby grants, assigns and conveys to Assignee, the entire right, title and interest in and to the trademark applications and trademarks listed in Schedule A hereto (as the same may be amended pursuant hereto from time to time), including without limitation all renewals thereof, all proceeds thereof (such as, by way of example, license agreements, license royalties and proceeds of infringement suits), all physical manifestations of the foregoing, the right to sue for past, present and future infringements and all accounts, contract rights and other rights corresponding thereto throughout the world (all of the foregoing are collectively called the "Trademarks"), and the good will of the business to which each of the Trademarks relates. This Agreement shall constitute a security agreement and the grant of a security interest in the Trademarks under the terms of the applicable Uniform Commercial Code.

2. Assignor covenants and warrants that:

(a) To the best of Assignor's knowledge, the Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

(b) To the best of Assignor's knowledge, each of the Trademarks is valid and enforceable;

(c) To the best of Assignor's knowledge, no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person;

(d) To the best of Assignor's knowledge, Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, free and clear of any liens, charges and encumbrances, including without limitation pledges, assignments, licenses, registered user agreements and covenants by Assignor not to sue third persons;

(e) Assignor has the unqualified right to enter into this Agreement and perform its terms;

(f) Assignor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Trademarks; and

(g) Assignor has used, and will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture of products sold under the Trademarks.

3. Assignor hereby grants to Assignee and its employees and Assignees the right to visit Assignor's plant and facilities which manufacture, inspect and/or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours after the giving of reasonable prior notice to Assignor. Assignor shall do any and all acts required by Assignee to ensure Assignor's compliance with Subparagraph 2(g) above.

4. Assignor agrees that, until all of the Liabilities shall have been satisfied in full, it will not enter into any agreement (for example, a license agreement) which is inconsistent with Assignor's

obligations under this Agreement, without Assignee's prior written consent, which consent shall not be unreasonably withheld by Assignee.

5. If, before the Liabilities shall have been satisfied in full, Assignor shall obtain rights to any new trademarks, the provisions of Paragraph 1 above shall automatically apply thereto and Assignor shall give Assignee prompt written notice thereof.

6. Assignor authorizes Assignee to modify this Agreement by amending Schedule A to include any future trademarks and trademark applications covered by Paragraphs 1 and 5 hereof.

7. Unless and until there shall have occurred and be continuing an Event of Default (as defined in the Loan Agreement and/or Related Documentation), Assignee hereby grants to Assignor the exclusive, nontransferable right and license to use the Trademarks on and in connection with products sold by Assignor, for Assignor's own benefit and account and for none other. Assignor agrees not to sell or assign its interest in, or grant any sublicense under, the license granted to Assignor in this Paragraph 7, without the prior written consent of Assignee; provided, however, that as concerns any sublicense, the consent of the Assignee will not be unreasonably withheld.

8. If any Event of Default (as defined in the Loan Agreement and/or Related Documentation) shall have occurred and be continuing, Assignor's license under the Trademarks, as set forth in Paragraph 7 above, shall terminate forthwith, and the Assignee shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks may be located and, without limiting the generality of the foregoing, the Assignee may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to Assignor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, in Reading,

Pennsylvania, or elsewhere, all or from time to time any of the Trademarks, or any interest which the Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Trademarks all expenses (including all reasonable expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Liabilities. Any remainder of the proceeds after payment in full of the Liabilities shall be paid over to the Assignor. Notice of any sale or other disposition of the Trademarks shall be given to Assignor at least five (5) days before the time of any intended public or private sale or other disposition of the Trademarks is to be made, which Assignor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, any holder of any of the Loan Agreement and/or Related Documentation or Assignee may, to the extent permissible under applicable law, purchase the whole or any part of the Trademarks sold, free from any right of redemption on the part of Assignor, which right is hereby waived and released.

9. At such time as Assignor shall completely satisfy all of the Liabilities, this Agreement shall terminate and Assignee shall execute and deliver to Assignor all deeds, assignments and other instruments as may be necessary or proper to re-vest in Assignor full title to the Trademarks, subject to any disposition thereof which may have been made by Assignee pursuant hereto.

10. Any and all fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses incurred by Assignee in connection with the enforcement of any of the provisions of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving the Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks,

shall be borne and paid by Assignor on demand by Assignee and until so paid shall be added to the principal amount of the Liabilities and shall bear interest at the highest rate prescribed in the Loan Agreement.

11. Assignor shall have the duty, through counsel acceptable to Assignee, to prosecute diligently any trademark applications of the Trademarks pending as of the date of this Agreement or thereafter until the Liabilities shall have been paid in full, to make federal application on registerable but unregistered Trademarks, to file and prosecute opposition and cancellation proceedings and to do any and all acts which are necessary or desirable to preserve and maintain all rights in the Trademarks. Any expenses incurred in connection with the Trademarks shall be borne by Assignor. The Assignor shall not abandon any Trademark without the consent of the Assignee, which consent shall not be unreasonably withheld.

12. Assignor shall have the right, with the prior written consent of Assignee, which will not be unreasonably withheld, to bring or defend any opposition proceedings, cancellation proceedings or lawsuit in its own name to enforce or protect the Trademarks, in which event Assignee may, if necessary, be joined as a nominal party to such suit if Assignee shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder. Assignor shall promptly, upon demand, reimburse and indemnify Assignee for all damages, costs and expenses, including reasonable attorneys' fees, incurred by Assignee in the fulfillment of the provisions of this Paragraph 12.

13. In the event of the occurrence of an Event of Default under the Loan Agreement and/or Related Documentation, Assignor hereby authorizes and empowers Assignee to make, constitute and appoint any officer or agent of Assignee as Assignee may select, in its exclusive discretion, as Assignor's true and lawful attorney-in-fact, with the power to endorse Assignor's name

on all applications, documents, papers and instruments necessary for Assignee to use the Trademarks, or to grant or issue any exclusive or non-exclusive license under the Trademarks to anyone else, or necessary for Assignee to assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone else. Assignor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the life of this Agreement.

14. If Assignor fails to comply with any of its obligations hereunder, Assignee may do so in Assignor's name or in Assignee's name, but at Assignor's expense, and Assignor hereby agrees to reimburse Assignee in full for all expenses, including reasonable attorneys' fees, incurred by Assignee in protecting, defending and maintaining the Trademarks.

15. No course of dealing between Assignor and Assignee, nor any failure to exercise, nor any delay in exercising, on the part of Assignee, any right, power or privilege hereunder or under the Loan Agreement and/or Related Documentation shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

16. All of Assignee's rights and remedies with respect to the Trademarks, whether established hereby or by the Loan Agreement and/or Related Documentation, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently.

17. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause

or provision of this Agreement in any jurisdiction. The Background provisions set forth hereinabove are incorporated herein.

18. This Agreement is subject to modification only by a writing signed by the parties, except as provided in Paragraph 6 above.

19. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

20. The validity and interpretation of this Agreement and the rights and obligations of the parties shall be governed by the laws of the Commonwealth of Pennsylvania.

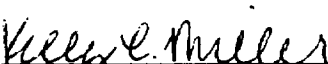

WITNESS the execution hereof, under seal, as of the day and year first above written.
