TRADEMARK ASSIGNMENT AND SECURITY AGREEMENT

THIS TRADEMARK ASSIGNMENT AND SECURITY AGREEMENT (this "Agreement"), dated as of March 13, 1998, between EXCELL PERSONNEL SERVICES CORPORATION, (formerly known as Excell Personnel Service, Inc.) ("Assignor") and LASALLE NATIONAL BANK (together with any successor thereto, the "Bank"). Unless otherwise defined herein, or the context otherwise requires, terms used in this Agreement including the preamble have the meanings provided in the Credit Agreement (as defined herein).

PREAMBLE

A. Pursuant to a Loan and Security Agreement, dated as of March 13, 1998, (together with all amendments and other modifications, if any, from time to time made thereto, the "Credit Agreement"), among the Assignor, Temporary Placement Service, Inc. ("TPS"), Global Personnel Services, Inc. and Bank.

B. As a condition precedent to the making of the Loans under the Credit Agreement, the Assignor is required to execute and deliver this Agreement and to grant to the Bank a continuing security interest in all of the Trademark Collateral (as defined) to secure all Obligations.

STATEMENT OF AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the Lenders to make Loans to the Co-Borrowers pursuant to the Credit Agreement, the Assignor agrees, for the benefit of the Bank, as follows:

SECTION 1. Grant of Security Interest. To secure all of the Obligations, the Assignor does hereby assign, pledge and grant to the Bank a security interest in and to the Trademark Collateral, whether now or hereafter existing or acquired, including, without limitation, the following (collectively, the "Trademark Collateral"):

(a) all state (including common law), federal and foreign trademarks (excluding intent to use applications), service marks and trade names, and applications for registration of such trademarks, service marks and trade names, all licenses relating to any of the foregoing and all income and royalties with respect to any licenses, whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(b) all software, source code, trade secrets, confidential information, customer lists, license rights, advertising materials, operating manuals, methods, processes, know-how,

sales literature, drawings, specifications, blue prints, descriptions, inventions, name plates and catalogs;

(c) the entire goodwill of or associated with the businesses now or hereafter conducted by the Co-Borrowers connected with and symbolized by any of the aforementioned properties and assets; and

(d) all products, offspring, rents, issues, profits, returns, income and proceeds of and from and any claims relating to the foregoing and, to the extent not otherwise included, all payments under insurance, or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise in respect to any of the foregoing.

SECTION 2. Security Agreement. This Agreement has been executed and delivered by the Assignor for the purpose of registering the security interest of the Bank in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Bank under the Credit Agreement. The Credit Agreement (and all rights and remedies of the Bank thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 3. Release of Security Interest. Upon payment in full of all Obligations and the termination of all Commitments, the Bank shall, at the Assignor's expense, execute and deliver to the Assignor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Intellectual Property Collateral which has been granted hereunder.

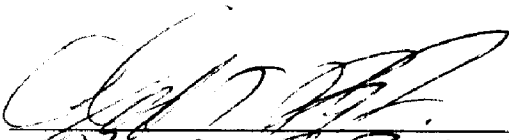

SECTION 4. Acknowledgment. The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Bank with respect to the security interest in the Intellectual Property Collateral granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Related Document, etc. This Agreement is executed pursuant to the Credit Agreement and administered and applied in accordance with the terms and provisions of the Credit Agreement.

SECTION 6. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, the Assignor has caused this Agreement to be duly executed and delivered as of the day and year first above written.
