Registrations and pending applications in the United States and other countries, if applicable, are as listed in the table attached hereto as Schedule B.

WHEREAS, Seller and Purchaser have entered into an Agreement of Purchase and Sale of Assets which is signed on even date herewith.

WHEREAS, Purchaser is desirous of acquiring all Seller's rights in said trademarks, registrations and applications, along with the goodwill connected with and symbolized by said trademarks in such countries and the assets of the business associated therewith.

NOW, THEREFORE, in consideration of U.S. \$10, and other good and valuable consideration:

Seller hereby sells, assigns and transfers to Purchaser its entire right, title and interest in and to the trademarks set forth in Schedule A, and any registrations and pending applications worldwide set forth in Schedule B, and any common law trademarks, product designation or trade designation which is associated therewith, along with the goodwill connected with such trademarks, trade designations, and/or product designations for these goods, including the right to sue for infringement thereof which may have occurred prior to the date of this assignment. Seller agrees that upon request it will, in a timely manner without charge to Purchaser, execute or arrange for execution of such further assignment documents as may be required, if any, to permit Purchaser to obtain recording of the assignment to Purchaser of the listed trademark registrations and applications in Schedule B, or any others which may not be listed herein.
