COLLATERAL ASSIGNMENT OF TRADEMARKS AS SECURITY

THIS COLLATERAL ASSIGNMENT OF TRADEMARKS AS SECURITY (this "Assignment") is made as of this 25th day of February, 1999, by AMERICAN HANDLING, INC., a corporation organized and existing under the laws of the State of Ohio (the "Assignor"), in favor of BANKAMERICA BUSINESS CREDIT, INC., a Delaware corporation, as agent for itself and other lenders (the "Lenders") which are party to the Financing Agreement defined below (the "Agent").

RECITALS

A. The Assignor and others have applied to the Lenders and the Agent for certain revolving credit, term loan, capital expenditure loan, acquisition loan and letter of credit facilities (the "Credit Facilities") under the provisions of a certain Loan and Security Agreement dated the date hereof by and between the Lenders, the Agent, the Borrower (as defined therein) and the Assignor (as amended, restated, supplemented or otherwise modified, the "Financing Agreement"). All capitalized terms used, but not specifically defined herein, shall have the same meaning given such terms in the Financing Agreement.

B. The Assignor has adopted, used and is using certain trademarks as listed on SCHEDULE A attached hereto and made a part hereof (the "Trademarks").

C. The Financing Agreement and certain other Financing Documents contain security agreements under which the Assignor has granted to the Lenders and the Agent, a Lien on, and security interest in, certain assets of the Assignor associated with or relating to products sold under any one or more of the Trademarks and under which the Agent is entitled to foreclose or otherwise deal with the Trademarks under the terms and conditions set forth in the Financing Agreement.

D. The Agent and the Lenders desire to have the interest of the Lenders and the Agent in such Trademarks confirmed by a document identifying the same and in such form that it may be recorded in the United States Patent and Trademark Office.

E. As collateral security for the Obligations, whether arising under the Financing Documents or otherwise, the Assignor has agreed to assign to the Agent, for the benefit of itself and the Lenders, the Trademarks and the goodwill of the business associated therewith.

NOW THEREFORE, with the foregoing Recitals being deemed incorporated by reference and made a part hereof, and in consideration of the premises and mutual promises herein contained, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

ARTICLE I ASSIGNMENT

In consideration of and pursuant to the terms of the Financing Agreement and each of the other Financing Documents, and for other good, valuable and sufficient consideration, the receipt

of which is hereby acknowledged, and to secure all of the Obligations, the Assignor hereby grants, assigns and conveys to the Agent, for itself and for the benefit of the Lenders, all of its present and future right, title and interest in and to, and grants to the Agent, for itself and for the benefit of the Lenders, a security interest in, Lien on, and collateral assignment of the Trademarks, together with all the goodwill of the Assignor associated with and represented by the Trademarks and any registration therefor, and the right (but not the obligation) to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world.

The foregoing grant, security interest and assignment is a present grant of a collateral assignment and, upon the occurrence of an Event of Default beyond applicable grace periods, if any, under the Financing Agreement and notice to the Assignor from the Agent, and subject to the filing with and notice to the United States Patent and Trademark Office, shall become an absolute assignment in favor of the Agent or in favor of such person as the Agent may designate, and may be the subject of such confirmatory instruments as the Agent may elect, which instruments shall be conclusive evidence of the Event of Default and absolute assignment.

ARTICLE II REPRESENTATIONS AND WARRANTIES

Section 2.1 Trademark Existence.

The Assignor represents and warrants to the Agent, and shall be deemed to represent and warrant to the Agent at the time a Loan is made or a Letter of Credit is issued, that based on the records of the United States Patent and Trademark Office and any state trademark offices and on the Assignor's knowledge:

2.1.1 To the best of the Assignor's knowledge, the registered Trademarks are subsisting and have not been adjudged invalid or unenforceable in the United States or in the jurisdictions in which they are registered.
