## 2. Grant of Security Interest

(a) Grantor hereby grants to the Lender, its successors and assigns, a continuing security interest in all of Grantor's right, title, and interest in the following (the "Trademark Collateral"), whether now owned or hereafter acquired or arising, in order to secure the due and punctual payment and performance of all the Secured Obligations (as hereinafter defined):

(i) All "Trademarks" (as defined below), whether now owned or hereafter arising or acquired by Grantor, including each trademark identified on Schedule I hereto. For purposes of this Agreement, "Trademarks" shall mean all trade names, trademarks, service marks, and logos (registered and unregistered) and state, federal, and foreign trademark and service mark registrations and state, federal and foreign registration applications (in use and intent to use) and all renewals and divisions thereof, all income, royalties, damages, and payments now or hereafter due and/or payable with respect thereto, the right to recover for all past, present, and future infringements thereof, all other rights of any kind whatsoever accruing thereunder or pertaining thereto, all rights corresponding thereto throughout the world, together, in each case, with the product lines and goodwill of the business connected with the use of, and symbolized by, each such Trademark and all proceeds of the foregoing; and

Notwithstanding the foregoing, Grantor authorizes the Lender, upon notice to Grantor, to modify this Agreement in the name of and on behalf of Grantor without obtaining Grantor's signature to such modification, to the extent that such modification constitutes an amendment of Schedule I to add any right, title, or interest in any Trademark owned or subsequently acquired by Grantor.

5. Representations and Warranties

(a) Schedule I hereto contains a true and accurate list of all Grantor's Trademark registrations and applications.

(b) Grantor is the sole owner of the Trademarks and Trademark Licenses, free and clear of all liens, claims and encumbrances, other than the lien created by the Security Agreement and this Agreement; the records of the United States Patent and Trademark Office currently reflect that Grantor is the owner of all Trademark registrations and applications; and none of the Trademark Collateral has been licensed by Grantor to any third party, except for the Trademark Licenses listed on Schedule II.

(c) To the best of Grantor's knowledge, each Trademark is valid, subsisting, unexpired, and enforceable, and to the extent necessary to maintain its rights thereto, Grantor has used and continues to use the appropriate statutory notice of registration in connection with its use of all federally registered Trademarks.

(d) No holding, decision, or judgment has been rendered in any action or proceeding limiting, canceling, or questioning the validity of Grantor's rights in any Trademark and no such action or proceeding is pending or, to the best of Grantor's knowledge, threatened. To the best of Grantor's knowledge, there is no subsisting material breach or default under any Trademark License.

(e) To the best of Grantor's knowledge, (i) the conduct of Grantor's business does not infringe upon any trademark or other intellectual property right owned or controlled by a third party and (ii) except as previously disclosed in writing to the Lender, no third party is infringing upon any of the Trademark Collateral.

6. Covenants of Grantor

(a) Except for Trademarks which are no longer in use, or shall no longer be used, in connection with its business, Grantor will not do any commercially reasonable act or omit to do any commercially reasonable act (and not permit any licensees or sublicensees of Grantor to do any commercially reasonable act) whereby any Trademark of Grantor will become

abandoned, invalidated, or unenforceable, and Grantor shall diligently pursue each Trademark application unless it shall reasonably determine that a registration is not likely to issue or the costs associated with such registration process will not be commercially justified by the sales of the related product, and shall maintain each Trademark registration in full force and effect. In the event that any Trademark owned by, or, to the extent permitted by the related Trademark License, licensed to, Grantor, is infringed or diluted by a third party, Grantor shall promptly take all commercially reasonable actions to stop such infringement or dilution and protect its exclusive rights in such Trademark.

(b) Grantor agrees to promptly report to the Lender on an annual basis and, in the event of a continuing Event of Default, on a quarterly basis (i) the filing of any application for registration of any Trademark (whether such application is filed by Grantor or through any agent, employee, licensee, or designee) and (ii) the registration of any Trademark. Grantor agrees to execute and deliver to the Lender an amendment to this Agreement covering such new applications or registrations for Trademarks in form appropriate for recordation in the United States Patent and Trademark Office.

(c) Without the prior written consent of the Lender, Grantor shall not (i) sell, assign (by operation of law or otherwise), or otherwise dispose of any of the Trademark Collateral or any rights therein (except as contemplated by paragraph (c)(iii)), (ii) grant any lien or security interest in any of the Trademark Collateral (except for the lien created by this Agreement and the Security Agreement, or (iii) license any of the Trademark Collateral to any third party, except that, unless an Event of Default has occurred and is continuing, Grantor can grant non-exclusive licenses of any of the Trademarks to a third party in the ordinary course of business; provided that the Lender shall receive a security interest in any fees, royalties, and payments with respect to all and any such licenses.

## 7. Grant of License

(a) Grantor hereby grants to the Lender a non-exclusive, royalty-free right and license, with rights of sublicense, in and to the Trademark Collateral, and a sublicense in and to Grantor's rights under Trademark Licenses to the extent permitted under the terms of such Trademark Licenses, to use such Trademark Collateral or operate under such Trademark Licenses, effective upon the occurrence and during the continuance of an Event of Default, in connection with the enforcement of the Lender's rights and remedies hereunder and under the Security Agreement. Without limiting the generality of the foregoing, the Lender shall have the right, pursuant to the foregoing license and sublicense, to use the Trademark Collateral in connection with the foreclosure upon any of the Collateral granted hereunder or under the Security Agreement.

(b) The license granted pursuant to Section 7(a) is conditional upon the requirement that the goods sold and services rendered by the Lender under the Trademark Collateral shall be of a nature and quality substantially consistent with those theretofore offered under such Trademarks by Grantor.

8. Remedies Upon Default; Power of Attorney

(a) Upon the occurrence and continuance of a Default or an Event of Default under the Security Agreement, and subject to the notice provisions therein, the Trademarks shall be assigned, transferred, set over, and delivered to the Lender or its designee, and Grantor hereby irrevocably constitutes and appoints the Lender and any officer, agent or employee thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Grantor and in the name of Grantor or the Lender's own name or the name of the Lender's designee, upon the occurrence of an Event of Default, (i) to complete, date, execute, and file, or cause to be filed, the Assignment attached hereto as Exhibit A and incorporated hereby by reference (the "Assignment") in the United States Patent and Trademark Office and in all other applicable offices, and to execute and deliver any and all documents and instruments which may be necessary or desirable to accomplish the purpose of the Assignment, (ii) to collect proceeds of any Trademark Collateral, (iii) in any transaction authorized by the Security Agreement, convey any Trademark Collateral to any purchaser thereof, payment or discharge of taxes or liens levied or placed upon or threatened against any Trademark Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Lender in its sole discretion, and such payments made by the Lender to become the obligations of Grantor to the Lender, due and payable immediately without demand. The Lender's authority hereunder shall include, without limitation, the authority to endorse and negotiate any checks or instruments constituting proceeds of any Trademark Collateral in the name of Grantor, execute and give receipt for any certificate of ownership or any document (constituting Trademark Collateral), sign Grantor's name on all financing statements or any other documents necessary or appropriate by the Lender to preserve, protect or perfect the security interest in any Trademark Collateral (to the extent permitted by Applicable Law) and to file the same, prepare, file, and sign Grantor's name on any notice of Lien, and prepare, file, and sign Grantor's name on a proof of claim in bankruptcy or similar document against any customer of Grantor with respect to any claim of Grantor comprising part of any Trademark Collateral, and to take any other actions arising from or incident to the powers granted to the Lender in the Security Agreement.

(b) Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue of this power of attorney. This power of attorney is a power coupled with an interest and shall be irrevocable.

(c) In addition to the foregoing, upon the occurrence of a Default or an Event of Default, the Lender shall have all rights and remedies of a secured party under the applicable Uniform Commercial Code and as provided in the Security Agreement and as otherwise available at law and equity.

9. Termination of Agreement This Agreement shall terminate upon the latter to occur of (a) termination of the Credit Agreement, and (b) the payment in full of all Secured Obligations then outstanding under the Credit Agreement, the Guaranty and the other Loan Documents. At such time, the Lender upon the Grantor's request and at the Grantor's expense, shall execute and deliver such instruments and documents as are reasonably necessary to terminate the security interest granted hereby.
