## Trademark and Domain Name Assignment Agreement

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Agreement") is made effective as of 12:01 a.m. Pacific Standard Time on February 17, 1999 (the "Effective Date") by and between NETCOM ON-LINE COMMUNICATION SERVICES, INC., a Delaware corporation ("Assignor"), and MINDSPRING ENTERPRISES, INC., a Delaware corporation ("Assignee"). Assignor and Assignee are sometimes referred to collectively in this Agreement as "parties" and each individually as a "party."

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement dated as of January 5, 1999 as amended by the Closing Agreement dated the date hereof, and the execution and delivery of this Agreement is a condition to the consummation of the transactions contemplated therein;

WHEREAS, Assignor is the owner of the trademarks and service marks, registered or common law, together with all other trademark and service mark interests accruing by reason of international trademark conventions and all trade dress associated therewith as described in Exhibit A attached hereto and incorporated by reference herein ("the Assigned Marks"), and accompanied by the goodwill of the business symbolized by such marks in connection with the goods and services with respect to which the Marks are used as described in Exhibit A ("the Products");

WHEREAS, Assignor is the owner of certain domain name registrations as described in Exhibit B attached hereto and incorporated by reference herein (the "Assigned Domain Names"); and

WHEREAS, Assignor desires to convey, transfer, assign, and deliver to Assignee all of its right, title, and interest in and to the Assigned Marks and the Assigned Domain Names throughout the world except for any right, title, and interest in and to the Assigned Marks and any related domain name registrations in Brazil, Canada, and the United Kingdom (collectively, the "Assignor's Territory").

NOW, THEREFORE, Assignor and Assignee in consideration of the mutual agreements herein contained and for other good and valuable consideration, acknowledged by each of them to be satisfactory and adequate, do hereby agree as follows:

### Section 1

#### ASSIGNMENT

1.1 For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby conveys, transfers, assigns, delivers, and relinquishes to Assignee all of Assignor's right, title, and interest in and to the Assigned Marks and the Assigned Domain Names in all parts of the world except for Assignor's Territory, together with (a) the right to file for

and obtain registrations of the Assigned Marks and the Assigned Domain Names throughout the world, except in Assignor's Territory ("Assignee's Territory") with the right to base priority on Assignor's first date of use or on any application and/or registration being assigned herein; (b) the goodwill of the business relating to the Products with respect to which the Assigned Marks are used and for which they are registered; (c) all income, royalties, and damages due or payable to Assignor on or after the Effective Date with respect to the Assigned Marks and the Assigned Domain Names, including without limitation, damages, and payments for infringements and misappropriations of the Assigned Marks and the Assigned Domain Names occurring on or after the Effective Date; and (d) all rights to sue and collect damages for infringements or misappropriations of the Assigned Marks and the Assigned Domain Names occurring on and after the Effective Date. Assignee will cooperate on a reasonable basis with Assignor, at Assignor's expense, in connection with all actions involving any infringements occurring prior to the Effective Date.

1.2 Assignor further conveys, transfers, assigns, delivers, and relinquishes to Assignee all rights within Assignee's Territory in the trade dress, labels, and designs associated with the Assigned Marks.

1.3 Assignor covenants not to (a) use or display the Assigned Marks, or any mark confusingly similar thereto in Assignee's Territory, or (b) register, use, or display the Assigned Domain Names or any domain names confusingly similar thereto in Assignee's Territory, and further covenants not to contest or challenge the ownership of the Assigned Marks or the Assigned Domain Names by Assignee in Assignee's Territory.

1.4 Assignee covenants not to (a) use or display the Assigned Marks, or any mark confusingly similar thereto in Assignor's Territory, or (b) register, use, or display the Assigned Domain Names or any domain names confusingly similar thereto in Assignor's Territory, and further covenants not to contest or challenge the ownership of the Assigned Marks or related domain names by Assignor in Assignor's Territory.

1.5 The parties acknowledge that due to the nature of electronic communications, the Assigned Marks and Assigned Domain Names may be accessed, used, displayed, or transmitted from Assignor's Territory to Assignee's Territory or vice versa over the Internet and other global communications networks. Both parties covenant not to contest or challenge any such access, use, display, or transmittal of the Assigned Marks or the Assigned Domain Names, provided such access, use, display, or transmittal (a) is not related to the solicitation of potential customers for Internet services by one party in the other party's territory, and (b) such access, use, display, or transmittal would otherwise comply with the intention of the terms and conditions of this Agreement.

## Section 2

### FURTHER ASSURANCES

**2.1** Assignor further covenants that it will execute all documents, papers, forms, and authorizations and, at Assignee's sole expense, take all other actions that may be reasonably necessary for securing, completing, or vesting in Assignee full right, title, and interest in the Assigned Marks and the Assigned Domain Names, including any documents attached hereto in Exhibit B.

**2.2** If, following the Effective Date, either party discovers the existence of additional trademarks, service marks, or domain names that (i) should have been assigned under this Agreement pursuant to the Asset Purchase Agreement, or (ii) should not have been assigned under this Agreement pursuant to the Asset Purchase Agreement, then the party making the discovery shall so notify the other pursuant to Section 10.6 of the Asset Purchase Agreement. Upon the mutual agreement of the parties, which agreement will not be unreasonably withheld, such trademarks, service marks, or domain names shall thereafter be treated as, or deleted from the treatment of (as the case may be), Assigned Marks or Assigned Domain Names under this Agreement, as the case may be.

## Section 3

### MISCELLANEOUS

**3.1** This Agreement shall inure to the benefit of, and be binding upon, the parties hereto, together with their respective legal representatives, successors, and assigns.

**3.2** This Agreement shall be governed by and construed in accordance with the domestic laws of the State of Colorado without giving effect to any choice or conflict of law provision or rule (whether State of Colorado or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Colorado.

**3.3** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall be deemed to be one and the same instrument. The execution of a counterpart of the signature page to this Agreement will be deemed the execution of a counterpart of this Agreement. The delivery of this Agreement may be made by facsimile, and facsimile signatures shall be treated as original signatures for all applicable purposes.

**3.4** This Agreement (including the Exhibits and documents referred to herein), along with and the Asset Purchase Agreement, constitutes the entire agreement among the parties regarding the subject matter hereof and supersedes any prior understandings, agreements, or representations by or among the parties, written or oral, to the extent they relate in any way to the subject matter hereof.

IN WITNESS WHEREOF, the parties hereto have duly executed under seal and delivered this Agreement, as of the day and year first above written.
