TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT is made and entered into as of April 26, 1999, by MONET.COM, INC., as grantor (the "Grantor") in favor of GETTY IMAGES, INC., as secured party (the "Secured Party") pursuant to the security agreement of even date herewith by the Grantor in favor of the Secured Party (the "Security Agreement"; capitalized terms used herein and not otherwise defined herein shall have the meanings given to such terms in the Security Agreement).

RECITALS:

WHEREAS, pursuant to the Investment Agreement and Convertible Secured Promissory Note dated as of the date hereof between the Grantor and the Secured Party (the "Note") the Secured Party has lent money to the Grantor; and

WHEREAS, as a condition to the Secured Party lending Grantor money pursuant to the Note, the Secured Party has required that the Grantor execute this Trademark and Security Agreement and the Security Agreement in favor of the Secured Party in which the Grantor has, among other things, granted to the Secured Party a security interest in the Intellectual Property, including a security interest in the trademarks and service marks and trademark and service mark applications and trademark licenses (to the extent that said trademark licenses are not prohibited from being assigned or pledged) listed on Schedule I attached hereto (the "Trademark Collateral") to secure the payment of all amounts owing under the Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor and Secured Party agree as follows:

1. Grantor hereby grants to the Secured Party for the benefit of the Secured Party a continuing security interest in (i) all of the Grantor's right, title and interest in and to the Trademark Collateral, (ii) the right (but not the obligation) to register claims under any state or federal trademark law or regulation or any trademark law or regulation of any foreign country and to apply for, renew and extend the Trademark Collateral, (iii) the right (but not the obligation) to bring opposition or cancellation proceedings in the name of the Grantor or in the name of the Secured Party or to sue or bring like proceedings for past, present and future infringements of the Trademark Collateral and (iv) all rights (but not obligations) corresponding thereto in the United States and any foreign country, and any goodwill associated with any of the foregoing. Grantor hereby further acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Grantor hereby further acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

2. Upon the occurrence of an Event of Default (as defined in the Note), the Grantor shall, in connection with any disposition of collateral that includes goodwill associated with the Trademark Collateral, execute and deliver to the Secured Party an Assignment of Trademark Registrations and Applications substantially in the form attached as Annex A hereto. If the Grantor fails to provide such document within ten days after it has been requested by the Secured Party, then the Secured Party may complete such document by exercise of a power of attorney hereby granted by the Grantor. Such power of attorney is coupled with an interest and is irrevocable.

3. All notices, demands, consents, statements, requests, approvals or other communications which are permitted or required to be given by either party to the other hereunder shall be in writing and shall be given as provided in the Security Agreement.

4. This Trademark Security Agreement cannot be modified, changed or discharged except by an agreement in writing signed by the Grantor and the Secured Party.

5. This Trademark Security Agreement shall be construed and enforced in accordance with the laws of the State of Washington without giving effect to the conflicts of law principles thereof.

6. This Trademark Security Agreement is subject in all respects to the Security Agreement, the terms of which are incorporated herein by this reference.

7. The security interests created hereunder and under the Security Agreement in the Trademark Collateral shall cease and be released in accordance with the terms of the Security Agreement.

8. If any provision hereof conflicts with any provision of the Security Agreement, the terms of the Security Agreement shall control to the extent of such inconsistency.
