**CONDITIONAL ASSIGNMENT AND SECURITY AGREEMENT**

**(TRADEMARK)**

**THIS CONDITIONAL SECURITY AGREEMENT (TRADEMARK)** ("Agreement"), dated as of May 18, 1999 between Cavalier Specialty Yarn Inc./Fils Spécialisés Cavalier Inc. (the "Grantor") and Bank of America Canada for itself as the Canadian Lender and as agent for the Lenders (the "Agent");

**WITNESSETH:**

**WHEREAS**, pursuant to a Loan Agreement dated as of May 18, 1999 between, inter alia, the Grantor and the Agent, as the same may be amended, supplemented, revised or restated from time to time (the "Loan Agreement"), the Agent and the Lenders have agreed to make extensions of credit to, amongst others, the Grantor, subject to the terms and provisions of the Loan Agreement.

**WHEREAS**, in connection with the Loan Agreement, the Grantor has executed and delivered a Debenture dated as of May 18, 1999 (together with all amendments, supplements, restatements and other modifications, if any, from time to time made thereto, the "Debenture");

**WHEREAS**, as a condition to the making of loans under the Loan Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Agent an assignment and transfer and a continuing security interest in all of the Trademark Collateral (as hereinafter defined) to secure: (a) the payment of principal and interest and all other moneys from time to time owing by the Grantor to the Agent and the Lenders arising under or in connection with the Loan Agreement; and (b) the payment and performance of all other indebtedness and obligations of the Grantor to the Agent and the Lenders in connection therewith (all of the foregoing being herein collectively called the "Obligations"); and

**WHEREAS**, the Grantor has duly authorized the execution, delivery and performance of this Agreement.

**NOW THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees as follows:

1. **Definitions.** Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Loan Agreement.

2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the payment and performance of all of the Obligations, the Grantor hereby transfers and assigns a continuing security interest to and in favour of the Agent, to the full extent possible, in all of its right, title and interest in and all of the following property (the "Trademark Collateral"), whether now owned or hereafter acquired or existing:

- (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear and designs owned by the Grantor (all of the foregoing items in this clause (a) being collectively called a "Trademark"), now existing anywhere in the world or hereafter adopted or acquired whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications with the Canadian Intellectual Property Office or in any office or agent of the United States of America or any foreign country, including those referred to in Schedule "A" hereto and all reissues, extensions or renewals thereof;
- (b) all Trademark licenses and other agreements providing the Grantor with the right to use, or pursuant to which the Grantor provides the right to use, any of the items described in Section 2(a), including each Trademark license referred to in Schedule B hereto;
- (c) all of the goodwill of the business connected with the use of, and symbolized by the items described in Section 2(a);
- (d) the right to sue third parties for past, present or future infringements of any Trademark Collateral described in Section 2(a) and, to the extent applicable, Section 2(b); and
- (e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement to dilution of any Trademark, Trademark registration or Trademark license, including any Trademark, Trademark registration, or Trademark license referred to in Schedule "A" and Schedule "B" hereto, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world.

3. Restrictions on Future Agreements. The Grantor agrees that until all Obligations shall have been satisfied in full and the Loan Agreement shall have been terminated, the Grantor will not, without the Agent's prior written consent enter into any agreement including, without limitation, any license agreement, which is inconsistent with the Grantor's obligations under this Agreement if such action would reasonably be expected to materially adversely affect the fair market value of the Trademark Collateral or the benefits of this Agreement to the Agent, and the Grantor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would materially adversely affect the validity or enforcement of the rights transferred to the Agent under this Agreement.

4. New Trademarks. The Grantor represents and warrants to the Agent that the Trademarks listed on Schedule "A" hereto and the license agreements listed on Schedule "B" hereto constitute all of the Trademarks now owned by or licensed to the Grantor for which registrations have been issued or applied for in the Canadian Intellectual Property Office and the United States Patent and Trademark Office, as the case may be. If, before the Obligations have been satisfied in full and the Loan Agreement terminated, the Grantor shall (i) obtain rights to any new trademarks, trademark registrations or applications or tradenames used in Canada, the United States or in any foreign country or (ii) become entitled to the benefit of any trademark application, trademark, trademark registration or tradename used in Canada, the United States or in any foreign country, the provisions of Section 2 above shall automatically apply thereto and the Grantor shall give to the Agent prompt written notice thereof. The Grantor hereby authorizes the Agent to modify this Agreement upon such written notice by amending Schedule "A" and Schedule "B" hereto to include any future trademarks, trademark registrations, trademark applications, tradenames and license agreements which are Trademarks, as applicable, under Section 2 above or under this Section 4.

5. Use of Trademark Collateral. Notwithstanding the provisions of this Agreement, the Grantor shall be entitled to use and apply the Trademark Collateral in the ordinary course of business until the occurrence of any Event of Default.

6. Remedies Upon Default: Power of Attorney.

- (a) In addition to the grant of the security interest contained in Section 2 hereof, upon the occurrence of an Event of Default which is continuing or upon the exercise by the Agent and/or the Lenders of its and their rights under Section 11.2 of the Loan Agreement and, upon the election of the Agent, all right, title and interest in and to the Trademark Collateral shall be automatically granted, assigned, conveyed and delivered to the Agent or its designee. The Grantor hereby irrevocably constitutes and appoints the Agent and any officer, agent or employee thereof, with full power of substitution, as its true and lawful attorney-in-fact with

full irrevocable power and authority in the place and stead of the Grantor and in the name of the Grantor or the Agent's own name or the name of the Agent's designee, all acts of said attorney being hereby ratified and confirmed, upon the occurrence of an Event of Default: (i) to complete, date, execute and file, or cause to be filed, the Assignment attached hereto as Schedule "C" and incorporated hereby by reference (the "Assignment") in the Canadian Intellectual Property Office or the United States Patent and Trademark Office, as applicable, and in all other applicable offices, and to execute and deliver any and all documents and instruments which may be necessary or desirable to accomplish the purpose of the Assignment, including, without limitation, the right (but not the obligation) to prosecute applications in the name of the Grantor or the Agent, and to take any other actions deemed necessary by the Agent to maintain such registrations in effect; (ii) to collect proceeds from the Trademark Collateral (including, by way of example, license royalties and proceeds of infringement suits); (iii) to convey in any transaction authorized by the Loan Agreement, any goods covered by the registrations applicable to the Trademark Collateral to any purchaser thereof; and (iv) to make payment or to discharge taxes or liens levied or placed upon or threatened against any goods covered by the Trademark Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Agent in its sole discretion, and such payments made by the Agent to become the obligations of the Grantor to the Agent, due and payable immediately without demand. Such power, being coupled with an interest, is irrevocable.

- (b) The Agent shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under any applicable law, and, without limiting the generality of the foregoing, the Agent may, if any Event of Default shall have occurred, immediately, without demand or performance and without other notice (except as set forth below) or demand whatsoever to the Grantor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, the Trademark Collateral, together with the goodwill of the business symbolized by the Trademark Collateral, and after deducting from the proceeds of sale or other disposition of the Trademark Collateral all expenses (including all reasonable expenses for brokers' fees and legal services), shall apply the residue of such proceeds in accordance with the Loan Agreement. Without in any way requiring notice to be given in the following manner, notice of any sale or other disposition of the Trademark Collateral may be given to the Grantor at least seven Business Days before the time of any intended public or private sale or other disposition of the Trademark Collateral is to be made, which the Grantor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Agent or any Lender may, to the extent permissible under

applicable law, purchase the whole or any part of the Trademark Collateral sold, free from any right of redemption on the part of the Grantor, which right is hereby waived and released. The Grantor hereby agrees to execute any documents reasonably requested by the Agent in connection with any disposition hereunder.

- (c) Upon the occurrence of the conditional assignment provided for herein, the Grantor shall not have any right, title, or interest in or to any of the Trademark Collateral and the Grantor shall cease and desist in the use of the Trademark Collateral and of any colorable imitation thereof, and shall, upon written demand of the Agent, or pursuant to the terms of the Loan Agreement, deliver to the Agent all goods bearing the Trademark Collateral.

7. Agent not liable. Notwithstanding the assignment herein, the Agent does not by virtue of this Agreement assume any obligations whatsoever in respect of the Trademark Collateral including, without limitation, any obligation to renew registrations of or defend the validity, enforceability or distinctiveness of the Trademark Collateral.

8. Additional Representations and Warranties. The Grantor hereby represents, warrants, covenants and agrees that:

- (a) It is the owner of all right, title and interest in the Trademarks listed on Schedule "A" and Schedule "B" (other than any licensed to the Grantor) and, if not, it will forthwith take all necessary actions where commercially reasonable to become the owner thereof. Except as otherwise provided herein or in the Loan Agreement, it is and will continue to be the owner of all right, title and interest in the Trademark Collateral so long as the Trademarks shall continue in force, free from any lien or security interest in favour of any Person except for the security interest granted to the Agent.
- (b) It has the right and power to grant the security interest in the Trademark Collateral made hereby.
- (c) It has made no previous assignment, transfer or agreements in conflict herewith or constituting a present or future assignment, transfer, or encumbrance on any of the Trademark Collateral except for license agreements to use such Trademarks granted to licensees described on Schedule "B" hereto.

- (d) There is no effective financing statement or other document or instrument now signed or on file in any public office covering any part of the Trademark Collateral, except those financing statements showing the Agent as secured party or those disclosed to the Agent permitted under the Loan Agreement. So long as the Loan Agreement has not terminated, it will not execute, without the consent of the Agent, such consent not to be unreasonably withheld, and there will not be on file in any public office, any such financing statement or other document or instruments, except financing statements filed or to be filed in favour of the Agent.
- (e) To the best of the Grantor's knowledge, no material infringement or unauthorized use presently is being made of any of the Trademark Collateral which would materially adversely affect the fair market value of the Trademark Collateral or the benefits of this Agreement granted to the Agent including, without limitation, the priority or perfection of the security interest granted herein or the remedies of the Agent hereunder.

9. Additional Covenants of the Grantor. The Grantor shall have the duty (i) where commercially reasonable to file and prosecute diligently any trademark or service mark application that is part of the Trademark Collateral pending as of the date hereof or thereafter until all Obligations have been paid in full and the Loan Agreement shall have been terminated, (ii) where commercially reasonable to preserve and maintain all rights in the Trademark Collateral. Any expenses incurred in connection with this Section 10 shall be borne by the Grantor.

If the Grantor fails to comply with any of the foregoing duties, upon notice to the Grantor (it being understood that no such notice shall be required if an Event of Default has occurred and is continuing or if the Agent and/or the Lenders has/have exercised its or their rights under Section 11.2 of the Loan Agreement and, it being further understood that failure to give such notice will not result in any liability on the Agent or any Person acting on its behalf) the Agent may do so in the Grantor's name to the extent permitted by law, but at the Grantor's expense, and the Grantor hereby agrees to reimburse the Agent in full for all expenses, including the reasonable fees and disbursements of counsel incurred by the Agent in protecting, defending and maintaining the Trademark Collateral.

In the event that the Grantor shall fail to pay when due any fees required to be paid by it hereunder, or shall fail to discharge any lien or security interest prohibited hereby, or shall fail to comply with any other duty hereunder, the Agent may, but shall not be required to, pay, satisfy, discharge or bond the same for the account of the Grantor, and all moneys so paid out shall be Obligations repayable on demand, together with interest at the rate applicable to the Loans under the Loan Agreement.

10. Debenture. This shall be a continuing agreement and the security interest granted hereby are in addition to and not in substitution for any other security held by the Agent in respect of any of the Obligations or otherwise and shall not operate as a merger, or suspend the fulfillment of, or affect the rights, remedies and powers of the Agent in respect of any of the Obligations.

11. Release of Security Interest. Upon payment in full of all Obligations and the termination of the Loan Agreement, the Agent shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents as may be necessary or proper to release the lien on any security interest in the Trademark Collateral which has been granted hereunder.

12. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Debenture, the terms and provisions of which (including the remedies provided for therein) are incorporated by references herein as if fully set forth herein.

13. Paramountcy. Notwithstanding any other term or provision hereof, in the event that any provisions hereof contradict and are incapable of being construed in conjunction with the provisions of the Loan Agreement, the provisions of the Loan Agreement take precedence over those contained herein and, in particular, if any act of the Grantor is expressly permitted under the Loan Agreement but is prohibited hereunder, any such act shall be permitted hereunder and any encumbrance expressly permitted hereunder and thereunder. This instrument, document or agreement may be sold, assigned or transferred by the Agent in accordance with the terms of the Loan Agreement.

14. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

15. Successors and Assigns. This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

16. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and first year above written.
