## SUPPLEMENTAL TRADEMARK ASSIGNMENT

This supplemental Trademark Assignment ("Assignment") is made as of January 16 1998 between Aquanot, Ltd., an Illinois corporation ("Assignor") and Zoeller Co., a Kentucky corporation ("Assignee").

### RECITALS

WHEREAS, by a Trademark Assignment dated January 16, 1998 (the "Original Assignment"), the Assignor assigned to the Assignee the mark, "FLOOD ALERT". That trademark is the subject of a U.S. trademark application, Serial No. 75/266,425.

WHEREAS, an exhibit to the Original Assignment listed an incorrect Serial Number "74/266,425" for that application.

NOW, THEREFORE, the Assignor supplements the Original Assignment by assigning the mark, "FLOOD ALERT" to the Assignee using the correct Serial Number.

### CLAUSES

1. Grant of Rights to Trademark. Assignor grants, conveys, transfers, alienates and assigns to Assignee, all of Assignor's rights, title and interests (legal, equitable, use and otherwise) in and to the pending trademark application, "FLOOD ALERT", Serial No. 75/266,425, including: (a) the right to file and register the same in Assignee's name with any governmental authority; (b) rights to record the transfer made under this Assignment in the United States Patent and Trademark Office; and (c) all goodwill of the Assignor associated with the trademark.

2. No Retained Right. Assignor's Assignment of the trademark to Assignee under this Assignment constitutes a complete, absolute and exclusive transfer of all rights (legal, equitable, use and otherwise) in the trademark, whether currently existing,

arising or recognized in the future. Assignor does not retain any right, title or interest in the trademark.

3. Authorization. Assignor represents and warrants that it has full power and authority: (i) to enter into this Assignment; (ii) to grant to Assignee all rights in and to the trademark; and (iii) to perform all of its obligations under this Assignment. Assignor further represents and warrants that it has taken all corporate actions necessary to authorize the preceding.

4. Notices. All notices concerning this Assignment shall be given in writing, as follows: (i) by actual delivery of the notice into the hands of the party entitled to receive it, in which case notice shall be deemed given when delivered; (ii) by mailing such notice by registered or certified mail, return receipt requested, in which case the notice shall be deemed given four (4) days from the date of its mailing; (iii) by Federal Express or any other overnight carrier, in which case the notice shall be deemed to be given on the date next succeeding the date of its transmission; or (iv) by facsimile or other telephonic or fiber optic transmission of written characters resulting in hard copy being received by the notified party, in which case the notice shall be deemed given as of the date sent. All notices which concern this Assignment shall be addressed as follows:

5. Binding Effect. This Assignment shall be binding upon and inure to the benefit of Assignor, Assignee, and their respective successors and assigns. This Assignment supersedes any prior understandings, written agreements or oral arrangements among the parties which concerns the subject matter of this Assignment.

The terms of this Assignment and any other written instrument which concerns or affects the subject matter of this Assignment.

6. Complete Understanding. This Assignment constitutes the complete understanding among the parties. No alteration or modification of any of this Assignment's provisions shall be valid unless made in a written instrument which both parties sign.

7. Applicable Law. The laws of the State of Illinois shall govern all aspects of this Assignment, irrespective of the fact that one of the parties now is or may become a resident of a different state or country, and without reference to or inclusion or application of the United Nations Convention on Contracts for the International Sale of Goods, said Convention being expressly excluded in its entirety. The parties shall submit all disputes which arise under this Assignment to state or federal courts located in Chicago, Illinois for resolution. The parties acknowledge the aforesaid courts shall have exclusive jurisdiction over this Assignment, and specifically waive any claims which they may have that involve jurisdiction or venue, including but not limited to forum non conveniens. Service of process for any claim which arises under this assignment shall be valid if made in accordance with the notice provisions set forth in Section 4 above. If service of process is made as aforesaid, the party served agrees that such service shall constitute valid service, and specifically waives any objections the party served may have under any state or federal law or rule concerning service of process. Service of process in accordance with this section shall be in addition to and not to the exclusion of any other service of process method legally available.

8. Severability. If a court of competent jurisdiction holds that any one or more of this Assignment's provisions are invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any of this Assignment's other provisions, and this Assignment shall be construed as if it had never contained such invalid, illegal or unenforceable provisions.

9. Waiver. A party's attempted waiver, consent or authorization of any kind, whether required pursuant to the terms of this Assignment or granted pursuant to any breach or default under this Assignment, shall not be effective or binding upon such party unless the same is in a written instrument which such party has signed. Any such waiver, consent or authorization will be valid solely to the extent specifically set forth in such written instrument. No failure of delay on the part of any party to this Assignment to exercise any right, remedy, power or privilege shall preclude or limit any other or further exercise of such right or the exercise of any other right, remedy, power or privilege with respect to the same or any other matter.
