TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement is made and entered into as of the 16th day of March, 1999, between CECO FILTERS, INC., a Delaware corporation (the "Assignor"), and PNC BANK, NATIONAL ASSOCIATION (the "Secured Party").

Background

On March 16, 1999 pursuant to a Letter Agreement (the "Letter Agreement"), the Assignor, Air Purator Corporation, New Busch Co., Inc. and U.S. Facilities Management Company, Inc. (collectively, the "Borrowers") obtained extensions of credit from the Secured Party in an amount not to exceed Eight Million Four Hundred Fifty-Three Thousand Eight Hundred Twenty-Two and 40/100 Dollars (\$8,453,822.40) (collectively, the "Loans"), which Loans are evidenced by certain promissory notes or other instruments in favor of the Secured Party (collectively, as same may hereafter be modified, restated or substantially, the "Notes") and the Assignor is executing and delivering this Trademark Security Agreement as collateral security for the Loans. The Letter Agreement, the Notes and all related documents, instruments and agreements referred to therein are hereafter referred to as the "Loan Documents".

NOW, THEREFORE, in consideration of the premises and to induce the Secured Party to enter into the Loan Documents, and intending to be legally bound hereby, the parties agree as follows:

1. Grant of Security Interest. Pursuant to and in confirmation of the terms and conditions of the Letter Agreement and as additional collateral security for the performance of the obligations under the terms and provisions of the Loan Documents (the "Secured Indebtedness"), the Assignor hereby grants and conveys to the Secured Party and its successors and assigns, a security interest in and to all of the Assignor's right, title and interest existing in the trademarks which are registered or for which application for registration has been made with the United States Patent and Trademark Office in the name of the Assignor, as listed on Exhibit A attached hereto (as the same may be amended pursuant hereto from time to time), and in the trademarks hereafter acquired or filed by the Assignor, including without limitation all renewals thereof, all proceeds of infringement suits to sue for past, present and future infringements and all rights corresponding thereto in the United States, together with any goodwill of the business in connection with which all such trademarks are used ("Trademarks").

2. Representations and Warranties. The Assignor represents and warrants to the Secured Party that:

(a) The Trademarks are subsisting and have not been adjudged invalid or unenforceable;

(b) Each of the Trademarks is valid and enforceable;

(c) There is no outstanding claim that the use of any of the Trademarks violates the rights of any third person;

(d) The Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, free and clear of any liens, charges and encumbrances (including without limitation pledges, assignments, licenses, registered user agreements and covenants by the Assignor not to sue third persons), except liens, charges and encumbrances in favor of CoreStates Bank, N.A., which shall be removed upon payment in full of Assignor's obligation to CoreStates Bank, N.A. on the date hereof;

(e) The Assignor has the right to enter into this Trademark Security Agreement and perform its terms; and

(f) The Assignor will use for the duration of this Trademark Security Agreement, proper statutory notice, where appropriate, in connection with its use of the Trademarks.

3. New Trademarks. If before the Secured Indebtedness shall have been paid in full, the Assignor shall obtain rights to any new trademarks, the provisions of Section 1 shall automatically apply thereto and the Assignor shall give the Secured Party prompt written notice thereof.

4. Covenants. The Assignor covenants that until the Secured Indebtedness is fully satisfied:

(a) Further Documentation; Pledge of Instruments.

At any time and from time to time, upon the written request of the Secured Party, the Assignor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as the Secured Party may reasonably deem necessary in obtaining the full benefits of this Trademark Security Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation

statements under the Uniform Commercial Code with respect to the liens and security interests granted hereby. The Assignor also hereby authorizes the Secured Party to file any such financing or continuation statement without the signature of the Assignor to the extent permitted by applicable law. After an Event of Default (as defined in the Notes), if any amount payable under or in connection with any of the Trademarks shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be immediately pledged to the Secured Party hereunder, duly endorsed in a manner satisfactory to the Secured Party.

(b) Maintenance of Trademarks. The Assignor will not do any act, or omit to do any act, whereby the Trademarks which are necessary for the operation of the Assignor's business or any registration or application appurtenant thereto, may become abandoned, invalidated, unenforceable, avoided, avoidable, or will otherwise diminish in value, and shall notify the Secured Party immediately if it knows of any reason or has reason to know of any ground under which this result may occur. The Assignor shall take appropriate action at its expense to halt the infringement of the Trademarks.

(c) Indemnification. The Assignor assumes all responsibility and liability arising from the use of the Trademarks, and the Assignor hereby indemnifies and holds the Secured Party harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of the Assignor's operations of its business from the use of the Trademarks.

(d) Limitation of Liens on Trademarks. The Assignor will not create, permit or suffer to exist, and will defend the Trademarks against and take such other action as is necessary to remove any lien, security interest, encumbrance, claim or right, in or to the Trademarks.

(e) Notices. The Assignor will advise the Secured Party promptly, in reasonable detail, (i) of any lien or claim made or asserted against any of the Trademarks, (ii) of any material change in the composition of the Trademarks, and (iii) of the occurrence of any other event which would have a material adverse effect on the value of any of the Trademarks or on the security interests created hereunder.

(f) Limitation on Further Uses of Trademarks. The Assignor will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber,

grant an exclusive or non-exclusive license, or otherwise dispose of any of the Trademarks, without prior written consent of the Secured Party.

5. Remedies, Rights Upon Event of Default.

(a) Pursuant to this Trademark Security Agreement and as a condition to the Secured Party entering into the Letter Agreement, the Assignor shall execute and deliver to the Secured Party a written Assignment of Trademarks (attached hereto as Exhibit B) (the "Assignment"). The Secured Party shall hold the Assignment in escrow until (i) such time as an Event of Default occurs and the Secured Party has elected to exercise its remedies hereunder and under the other Loan Documents or (ii) until the Assignor requests delivery of the Assignment pursuant to Section 6 hereof. Upon the occurrence of any such Event of Default and the exercise by the Secured Party of its remedies in respect thereof, the Secured Party shall be entitled, without prior notice to the Assignor, to file the Assignment with the United States Patent and Trademark Office and shall have the right, at any time (but shall have no obligation) to take, in its name or in the name of the Assignor or otherwise, such actions as the Secured Party may, at any time or from time to time, deem necessary to sell, transfer and assign the Trademarks. If the Secured Party shall elect to exercise its rights hereunder and under the Assignment, the United States Patent and Trademark Office shall have the right to rely upon the Secured Party's written statement of the Secured Party's right to sell, assign and transfer the Trademarks and the Assignor hereby irrevocably authorizes the United States Patent and Trademark Office to recognize such sale by the Secured Party either in the Assignor's name or in the Secured Party's name without the necessity or obligation of the United States Patent and Trademark Office to ascertain the existence of any default by the Assignor under the Agreements.

(b) If an Event of Default shall occur and be continuing, all payments received by the Assignor under or in connection with any of the Trademarks shall be held by the Assignor in trust for the Secured Party, shall be segregated from other funds of the Assignor and shall forthwith upon receipt by the Assignor, be turned over to the Secured Party, in the same form as received by the Assignor (duly indorsed by the Assignor to the Secured Party, if required), and any and all such payments so received by the Secured Party (whether from the Assignor or otherwise) shall be applied in whole or in part by the Secured Party against all or any part of the Secured Indebtedness in such order as the Secured Party shall elect. Any balance of such payments held by the Secured Party and remaining

after payment in full of all the Secured Indebtedness shall be paid over to the Assignor or to whomsoever may be lawfully entitled to receive the same.

(c) If any Event of Default shall occur and be continuing, the Secured Party may exercise in addition to all other rights and remedies granted to it in this Trademark Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Indebtedness, all rights and remedies of a secured party under the Uniform Commercial Code. The Assignor shall remain liable for any deficiency if the proceeds of any sale or disposition of the Trademarks are insufficient to pay all amounts to which the Secured Party is entitled. The Assignor shall also be liable for the reasonable fees of any attorneys employed by the Secured Party to collect any such deficiency and also as to any reasonable attorneys' fees incurred by the Secured Party with respect to the collection of any of the Secured Indebtedness and the enforcement of any of the Secured Party's respective rights hereunder.

6. Termination. Upon payment and satisfaction in full of the Secured Indebtedness, the Secured Party shall, at the Assignor's expense, release the security interest in the Trademarks granted hereunder and execute and deliver such instruments and other documents and take such further actions as may be necessary to carry out such release, including (a) cancellation of this Agreement by written notice (in substantially the form of Exhibit C attached hereto), executed on behalf of the Secured Party, to the United States Patent and Trademark Office and (b) delivery of the Assignment to the Assignor.

7. Notices. Notices that may or are required to be delivered hereunder shall be sufficient if in writing and sent to the addresses designated below, or such other address as the Assignor and the Secured Party may designate in writing by notices similarly sent.

8. Governing Law and Severability. This Agreement and the Assignment shall be construed according to the laws of the Commonwealth of Pennsylvania and if any of its provisions are judicially determined to be in conflict with any law of the Commonwealth of Pennsylvania or otherwise judicially determined to be unenforceable for any reason whatsoever, such provision shall be deemed null and void to the extent of such unenforceability but shall be deemed separable from and shall not invalidate any other provision of this Agreement or the Assignment.

9. Successors and Assigns. The terms, covenants and conditions contained herein shall inure to the benefit of and be binding upon the parties hereto, their successors and assigns.

IN WITNESS WHEREOF, the Assignor has caused this Agreement to be executed in favor of the Secured Party by its duly authorized officer as of the 16th day of March, 1999.

6. Notices. Notices that may or are required to be delivered hereunder shall be sufficient if in writing and sent to the addresses designated below, or such other address as the Assignor and the Secured Party may designate in writing by notices similarly sent.

7. No Further Assignments. The Assignor shall not further assign, transfer or convey its interests in the Assigned Material without the prior written consent of the Secured Party.
