2. AUTHORIZATION AND REQUEST. Debtor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks record this conditional assignment.

3. COVENANTS AND WARRANTIES. Debtor represents, warrants, covenants and agrees as follows:

(a) Debtor is now the sole owner of the Intellectual Property Collateral, except for non-exclusive licenses granted by Debtor to its customers in the ordinary and normal course of business as now conducted;

(b) Performance of this Security Agreement does not conflict with or result in a breach of any agreement to which Debtor is a party or by which Debtor is bound, except to the extent that certain intellectual property agreements may prohibit the assignment of the rights thereunder to a third party without the licensor's or other party's consent and this Security Agreement would constitute such an assignment;

(c) During the term of this Security Agreement, Debtor will not sell, transfer, assign or otherwise encumber any interest in the Intellectual Property Collateral, except for (i) non-exclusive licenses granted by Debtor in the ordinary and normal course of its business as now conducted or as set forth in this Security Agreement and (ii) subject to Debtor's execution of appropriate documents, in form acceptable to Bank, to perfect or continue the perfection of Bank's interest in the Intellectual Property Collateral, transfers to affiliates of Debtor;

(d) To its knowledge, each of the Patents is valid and enforceable, and there is no Intellectual Property which has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the Intellectual Property Collateral violates the rights of any third party;

(e) Debtor shall promptly advise Bank of any material changes in the composition of the Intellectual Property Collateral, including but not limited to any subsequent ownership right of Debtor in or to any Intellectual Property not specified in this Security Agreement;

(f) Debtor shall (i) protect, defend and maintain the validity and enforceability of the Intellectual Property, (ii) use its best efforts to detect infringements of the Intellectual Property and promptly advise Bank in writing of material infringements detected and (iii) not allow any of its Intellectual Property to be abandoned, forfeited or dedicated to the public without the written consent of Bank, which shall not be unreasonably withheld, unless Debtor determines that reasonable business practices suggest that abandonment is appropriate;

(g) Debtor shall promptly register the most recent version of Debtor's material Copyrights, if not so already registered, as Bank may reasonably request from time to time based on its review of the Quarterly Report (as hereinafter defined) and shall, from time to time, execute and file such other instruments, and take such further actions as Bank may reasonably request from time to time to perfect or continue the perfection of Bank's interest in the Intellectual Property Collateral;

(h) This Security Agreement creates, and in the case of after acquired Intellectual Property Collateral, will create at the time Debtor first has rights in such after acquired Intellectual Property Collateral, in favor of Bank a valid and perfected first priority security interest in the Intellectual Property Collateral in the United States securing the payment and performance of all present or future indebtedness, obligations and liabilities of Debtor to Bank, including, without limitation, such indebtedness, obligations and liabilities under the Credit Agreement and the other Loan Documents, upon making the filings referred to in **Section 3(i)** below, subject only to those liens permitted under **Section 5.03** of the Credit Agreement;

(i) To its knowledge, except for, and upon, the filings with, as applicable, (1) the United States Patent and Trademark Office, (2) the Register of Copyrights and (3) the UCC Division of the applicable office of the Secretary of State, necessary to perfect the security interests and assignment created hereunder, and except as has been already made or obtained, no authorization, approval or other action by, and no notice to or filing with, any United States governmental authority or United States regulatory body is required either (a) for the grant by Debtor of the security interest granted hereby or for the execution, delivery or performance of this Security Agreement by Debtor in the United States or (b) for the perfection in the United States or the exercise by Bank of its rights and remedies hereunder;

(j) All information heretofore, herein or hereafter supplied to Bank by or on behalf of Debtor with respect to the Intellectual Property Collateral is accurate and complete in all material respects;

(k) Debtor shall not enter into any agreement that would materially impair or conflict with Debtor's obligations hereunder without Bank's prior written consent, which consent shall not be unreasonably withheld. Debtor shall not permit the inclusion in any material contract to which it becomes a party of any provisions that could or might in any way prevent the creation of a security interest in Debtor's rights and interests in any property included within the definition of the Intellectual Property Collateral acquired under such contracts, except that certain contracts may contain anti-assignment provisions that could in effect prohibit the creation of a security interest in such contracts; and

(l) Upon any executive officer of Debtor obtaining actual knowledge thereof, Debtor will promptly notify Bank in writing of any event that materially adversely affects the value of any Intellectual Property Collateral, the ability of Debtor to dispose of any Intellectual Property Collateral or the rights and remedies of Bank in relation thereto, including the levy of any legal process against any of the Intellectual Property Collateral.

4. BANK'S RIGHTS. Bank shall have the right, but not the obligation, to take, at Debtor's sole expense, any actions that Debtor is required under this Security Agreement to take but which Debtor fails to take, after fifteen (15) days' notice to Debtor. However, if any Default, other than a payment Default, is curable and if Debtor has not been given a prior notice of the same provision under this Security Agreement, it may be cured (and no Event of Default will have occurred) if Debtor, after notice thereof has been given to Debtor, (i) cures the Default within ten (10) days, or (ii) if the cure requires more than ten (10) days, immediately initiates steps which Bank deems (in Bank's sole discretion) to be sufficient to cure the Default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical. Debtor shall reimburse and indemnify Bank for all reasonable costs and reasonable expenses incurred in the reasonable exercise of its rights under this **Section 4**.

5. INSPECTION RIGHTS. Debtor hereby grants to Bank and its employees, representatives and agents the right to visit, during reasonable hours upon prior reasonable written notice to Debtor, any of Debtor's plants and facilities that manufacture, install or store products (or that have done so during the prior six-month period) that are sold utilizing any of the Intellectual Property Collateral, and to inspect the products and quality control records relating thereto upon reasonable written notice to Debtor and as often as may be reasonably requested.

6. FURTHER ASSURANCES; ATTORNEY IN FACT.

(a) On a quarterly basis, Debtor agrees to deliver to Bank a report, in form acceptable to Bank and certified by an officer of Debtor, which lists all Intellectual Property that is material to the operation of Debtor's business on an on-going basis, and in which Bank does not already

have a perfected security interest (the "*Quarterly Report*"); *provided, however*, Debtor may provide a general description of the Copyrights by type. Based upon review of the Quarterly Report, Bank shall, in its reasonable discretion, identify which Intellectual Property it deems material to the operation of Debtor's business on an on-going basis or the value of the Intellectual Property Collateral.

(b) On a continuing basis, Debtor will make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States, all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the United States Patent and Trademark Office, the Register of Copyrights and the UCC Division of the applicable office of the Secretary of State, and take all such action as may reasonably be necessary or advisable, or as reasonably requested by Bank, to perfect Bank's security interest in all Intellectual Property, which Bank reasonably identifies pursuant to **Section 6(a)** above as material to the operation of Debtor's business on an on-going basis or the value of the Intellectual Property Collateral, and otherwise to carry out the intent and purposes of this Security Agreement, or for assuring and confirming to Bank the grant or perfection of a security interest in all Intellectual Property Collateral.

(c) Debtor hereby irrevocably appoints Bank, as its true and lawful attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor, from time to time in Bank's discretion, to take such action and to execute any instrument which Bank may reasonably deem necessary or advisable to accomplish the following: (i) upon review of the Quarterly Report and notice to Debtor, but without first obtaining Debtor's approval of or signature to such modification, to modify **Exhibit A, Exhibit B or Exhibit C** of this Security Agreement, in its reasonable discretion, to include reference to any material right, title or interest in any Intellectual Property acquired by Debtor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which Debtor no longer has or claims any right, title or interest and (ii) to file, in its reasonable discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Intellectual Property Collateral without the signature of Debtor where permitted by law.

(d) Upon the occurrence and after the continuance of an Event of Default, Debtor hereby irrevocably appoints Bank, as its true and lawful attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor, from time to time in Bank's discretion, to take any action and to execute any instrument which Bank may reasonably deem necessary or advisable to accomplish the purposes of this Security Agreement, including, without limitation, the transfer of the Intellectual Property Collateral into the name of Bank or a third party to the extent permitted under the UCC. As used herein, "*UCC*" shall mean the Uniform Commercial Code as the same may, from time to time, be in effect in the State of California; *provided, however*, in the event that, by reason of mandatory provisions of law, any or all of the attachment, perfection or priority of Bank's security interest in any Intellectual Property Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of California, the term "*UCC*" shall mean the Uniform Commercial Code as in effect in such other jurisdiction for purposes of the provisions hereof relating to such attachment, perfection or priority and for purposes of definitions related to such provisions.

7. **EVENTS OF DEFAULT.** The occurrence of any of the following (each a "*Default*") shall constitute an "*Event of Default*" under this Security Agreement:

(a) An Event of Default occurs under the Credit Agreement (as defined therein) or a default occurs under any of the other Loan Documents; or

(b) Debtor breaches any warranty or agreement in any material respect made by Debtor in this Security Agreement and, if any Default, other than a payment Default, is curable and if Debtor has not been given a prior notice of the same provision under this Security Agreement, it may be

cured (and no Event of Default will have occurred) if Debtor, after notice thereof has been given to Debtor, (i) cures the Default within ten (10) days, or (ii) if the cure requires more than ten (10) days, immediately initiates steps which Bank deems (in Bank's sole discretion) to be sufficient to cure the Default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

8. REMEDIES. Upon the occurrence and during the continuance of an Event of Default, Bank shall have the right to exercise all the remedies of a secured party under the UCC, including, without limitation, the right to require Debtor to assemble the Intellectual Property Collateral and any tangible property in which Bank has a security interest and to make it available to Bank at a place designated by Bank. Bank shall have a nonexclusive, royalty free license or other right, solely pursuant to the provisions of this **Section 8**, to use, without charge, the Intellectual Property and any property of a similar nature as it pertains to the Intellectual Property Collateral, to the extent reasonably necessary to permit Bank to exercise its rights and remedies pursuant to this **Section 8**, including, without limitation, the completion of production, advertising for sale and the sale of any Intellectual Property Collateral and, in connection with Bank's exercise of its rights hereunder, Debtor's rights under all licenses and all franchise agreements shall inure to the benefit of Bank. Debtor will pay any expenses (including reasonable attorneys' fees) incurred by Bank in connection with the exercise of any of Bank's rights hereunder, including, without limitation, any expense incurred in disposing of the Intellectual Property Collateral. All of Bank's rights and remedies with respect to the Intellectual Property Collateral shall be cumulative.

9. INDEMNITY. Debtor agrees to defend, indemnify and hold harmless Bank and its officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Security Agreement and (b) all losses or expenses in any way suffered, incurred, or paid by Bank as a result of or in any way arising out of, following or consequential to transactions between Bank and Debtor, whether under this Security Agreement or otherwise (including, without limitation, reasonable attorneys' fees and reasonable expenses), except for losses arising from or out of Bank's gross negligence or willful misconduct.

10. SUCCESSORS AND ASSIGNS. This Security Agreement and all obligations of Debtor hereunder shall be binding upon the successors and assigns of Debtor, and shall, together with the rights and remedies of Bank hereunder, inure to the benefit of Bank, any future holder of any Note and their respective successors and assigns. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the indebtedness secured hereby or any portion thereof or interest therein shall in any manner affect the security interest created herein and granted to Bank hereunder.

11. REASSIGNMENT. At such time as Debtor shall completely satisfy all of the obligations secured hereunder, Bank shall execute and deliver to Debtor all deeds, assignments and other instruments as may be necessary or proper to revest in Debtor full title to the property assigned hereunder, subject to any disposition thereof which may have been made by Bank pursuant hereto.

12. NO FAILURE OR DELAY. No failure or delay on the part of Bank, in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof.

13. ATTORNEYS' FEES. If any action relating to this Security Agreement is brought by either party hereto against the other party, the prevailing party shall be entitled to recover reasonable attorneys' fees, costs and disbursements.

14. **AMENDMENTS.** Except as otherwise provided herein, this Security Agreement may be amended only by a written instrument signed by both parties hereto.

15. **COUNTERPARTS.** This Security Agreement may be executed in any number of counterparts, each of which when so delivered shall be deemed an original, but all such counterparts shall constitute but one and the same instrument. Each such Security Agreement shall become effective upon the execution of a counterpart hereof or thereof by each of the parties hereto and telephonic notification that such executed counterparts has been received by Debtor and Bank.

16. **JUDICIAL REFERENCE.** The terms and provisions of **Section 7.11** of the Credit Agreement are incorporated herein by this reference and made a part hereof.

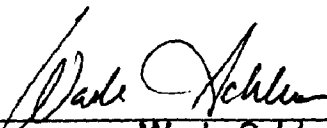

17. **GOVERNING LAW; JURISDICTION; JURY WAIVER.** This Security Agreement shall be governed by, and construed in accordance with, the internal laws of the State of California, without regard to principles of conflicts of law. Debtor and Bank consent to the exclusive jurisdiction of any state or federal court located in Santa Clara County, California. **DEBTOR AND BANK EACH WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS SECURITY AGREEMENT AND ANY OTHER LOAN DOCUMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS.**

18. **CONFLICT.** In the event of a conflict between any term and/or provision contained in this Security Agreement with any term and/or provision contained in that certain Commercial Security Agreement dated of even date herewith (as the same may be modified, amended, supplemented, restated or superceded from time to time, the "*Commercial Security Agreement*"), executed by Debtor in favor of Bank, the term and/or provision of this Security Agreement shall govern.

IN WITNESS WHEREOF, the parties hereto have executed this Security Agreement on the day and year first above written.
