TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (the "Assignment") is made as of this 28th day of May, 1999, by and between BICC Cables Canada Inc., a Canadian federal corporation ("Assignor") and BICC General Cable (USA), LLC, a Delaware limited liability corporation ("Assignee").

WHEREAS, Assignor is willing in connection with certain transactions being consummated on the date hereof to assign to Assignee all of Assignor's right, title and interest in and to: all U.S trademarks listed on Exhibit A; and all foreign trademarks listed on Exhibit B, including all registrations and applications thereto (the "Marks"), and the goodwill of the business associated therewith; and

WHEREAS, Assignee wishes to acquire Assignor's entire right, title and interest in and to the Marks, together with the goodwill of the business in connection with which the Marks are used;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee, its successors, legal representatives and assigns, all of Assignor's right, title and interest in and to the Marks together with the goodwill of the business associated with said Marks and registrations thereof (including, without limitation, all proceeds thereof and the rights to sue for past, present and future infringements), the same to be held and enjoyed by Assignee, for its own use and on behalf of its successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

Assignor further agrees without further consideration to cause to be performed such other lawful acts and to execute such further assignments and other lawful documents as Assignee may from time to time reasonably request to effect fully this Assignment and to permit Assignee to be duly recorded as the registered owner of the Marks in the countries in which such Marks are currently registered and all other rights hereby conveyed.
