SOUTH AFRICA		Telegroup is handling this with local counsel. South Africa has made callback services illegal, but Telegroup is working to have this changed. Ms. Bettis will have trademark searches run and then will decide whether to apply to register. There is a dispute between Telegroup and its agent in South Africa. The agent, Manasse Cahu, apparently has made local registrations in his own name for some Telegroup marks.	In process	Spoor & Fisher (Russell Norton, Esq.), P.O.
