TRADEMARK SECURITY AGREEMENT

(TRADEMARKS, TRADEMARK REGISTRATIONS, TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

WHEREAS, Nash-De Camp Company (the "Pledgor"), now owns or holds and may hereafter acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired;

WHEREAS, pursuant to various credit agreements, each dated as of August 3, 1999 (as the same may be amended, modified or otherwise supplemented from time to time, the "Credit Agreements"), among the Pledgor, certain other entities named therein and Sanwa Bank California (the "Bank"), the Bank has agreed to make loans to the Pledgor subject to the terms and conditions set forth in the Credit Agreements;

WHEREAS, pursuant to and in connection with the Credit Agreements and other documents, agreements and instruments executed in connection therewith (the "Loan Documents"), the Pledgor intends to grant to the Bank a security interest in all personal property of the Pledgor including, without limitation, all right, title and interest of the Pledgor in, to and under all of the Pledgor's Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether presently existing or hereafter arising, adopted or acquired, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment of the Obligations (such term being used herein as defined in the Credit Agreements);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor does, as security for the Obligations,

hereby grant to the Bank a continuing security interest in all of the Pledgor's right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;

(ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by any Pledgor against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

The Pledgor agrees to deliver updated copies of Schedule A and Schedule B to the Bank at the end of any quarter in which the Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Pledgor, such further instruments or documents (in form and substance satisfactory to the Bank), and promptly perform, or cause to be promptly performed, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Bank, to carry out the provisions and purposes of the Credit Agreements and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Bank under the Credit Agreements and this Trademark Security Agreement, in the Trademark Collateral or any portion thereof.

The Pledgor agrees that if any person, firm, corporation or other entity shall do or perform any acts which the Bank believes constitute an infringement of any Trademark, or violate or infringe any right of a Pledgor or the Bank therein or if any person, firm, corporation or other entity shall do or perform any acts which the Bank believes constitute an unauthorized or unlawful use thereof, then and in any such event, upon 30 days' prior written notice to the Pledgor while an Event of Default (as defined in the Credit Agreements) is continuing, the Bank may and shall have the right (but not the obligation) to take such steps and institute such suits or proceedings as the Bank may deem advisable or necessary to prevent such acts and conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Bank may take such steps or institute such suits or proceedings in its own name or in the name of the applicable Pledgor or in the names of the parties jointly. The Bank hereby agrees to give the applicable

Pledgor notice of any steps taken, or any suits or proceedings instituted, by the Bank pursuant to this paragraph.

This security interest is granted in conjunction with the security interests granted to the Bank pursuant to the Credit Agreements and the other Loan Documents. The Pledgor does hereby further acknowledge and affirm that the rights and remedies of the Bank with respect to the security interest in the Trademark Collateral made and granted hereby are subject to the Credit Agreements, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all of the Obligations has been indefeasibly repaid in full, all the commitments of the Bank under the Credit Agreement shall have terminated, the Bank shall execute and deliver to the Pledgor, at the Pledgor's expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Bank in the Trademark Collateral, subject to any disposition thereof which may have been made by the Bank pursuant to the terms hereof or of the Credit Agreements.

So long as no Event of Default shall have occurred and be continuing, and subject to the various provisions of the Credit Agreements to which it is a party, the Pledgor may use, license and exploit the Trademark Collateral in any lawful manner.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY, THE LAWS OF THE STATE OF CALIFORNIA APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF CALIFORNIA.

Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Credit Agreements.

IN WITNESS WHEREOF, the Pledgor have caused this Trademark Security Agreement to be duly executed as of August 2, 1999 by their officers thereunto duly authorized.
