Credit Agreement or upon the sale or other disposition of or foreclosure upon the Collateral pursuant to the Security Agreement and applicable law (including the transfer or other disposition of the Collateral by the Assignor to the Agent or its nominee in lieu of foreclosure).

2.3. Assignment of Marks. The Assignor agrees to execute and deliver to the Agent, upon the request of the Agent given after the occurrence and during the continuance of an Event of Default, an assignment of federally registered trademarks substantially in the form of Exhibit 1 attached hereto (the "Assignment of Marks"). The Assignor hereby authorizes the Agent to complete as assignee and record with the PTO the Assignment of Marks upon the occurrence and during the continuance of an Event of Default and the proper exercise of Agent's remedies under the Trademark Agreement and the Security Agreement. 2.4. Supplemental to Security Agreement. Pursuant to the Security Agreement the Assignor has granted to the Agent, for the benefit of the Banks and the Agent, a continuing security interest in and lien on the Collateral (including the Pledged Trademarks). The Security Agreement, and all rights and interests of the Agent in and to the Collateral (including the Pledged Trademarks) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Trademark Agreement, the grant, assignment, transfer and conveyance of the Pledged Trademarks hereunder, or the recordation of this Trademark Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Security Agreement, the security interest of the Agent in the Collateral (including the Pledged Trademarks) pursuant to the Security Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code (including the security interest in the Pledged Marks), or any present or future rights and interests of the Agent in and to the Collateral under or in connection with the Security Agreement or the Uniform Commercial Code. Any and all rights and interests of the Agent in and to the Pledged Trademarks (and any and all obligations of the Assignor with respect to the Pledged Trademarks) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Agent (and the obligations of the Assignor) in, to or with respect to the Collateral (including the Pledged Trademarks) provided in or arising under or in connection with the Security Agreement and shall not be in derogation thereof.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

The Assignor represents, warrants and covenants that: (i) Schedule A sets forth a true and complete list of all Trademarks and Trademark Registrations now owned, licensed, controlled or used by the Assignor; (ii) the Trademarks and Trademark Registrations are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the Trademarks or Trademark Registrations; (iii) to the best of the Assignor's knowledge, each of the Trademarks

and Trademark Registrations is valid and enforceable; (iv) to the best of the Assignor's knowledge, there is no infringement by others of the Trademarks, Trademark Registrations or Trademark Rights which could reasonably be expected to have a materially adverse effect on the business, operations, property, assets, condition (financial or otherwise) or prospects of Assignor; (v) no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person, and to the best of the Assignor's knowledge, there is no infringement by the Assignor of the trademark rights of others; (vi) the Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks (other than ownership and other rights reserved by third party owners with respect to Trademarks that the Assignor is licensed to use), free and clear of any liens, charges, encumbrances and adverse claims, including pledges, assignments, licenses, registered user agreements and covenants by the Assignor not to sue third persons, other than the security interest and assignment created by the Security Agreement and this Trademark Agreement; (vii) the Assignor has the unqualified right to enter into this Trademark Agreement and to perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents, consultants, licensors and licensees that will enable them to comply with the covenants herein contained; (viii) the Assignor will use for the duration of this Trademark Agreement consistent standards of quality in its manufacture and provision of products and services sold or provided under the Trademarks; (ix) this Trademark Agreement, together with the Security Agreement, is intended to create in favor of the Agent a valid and perfected first priority security interest in the Pledged Trademarks upon making the filings referred to in clause (x) of this §3; and (x) except for the filing of financing statements with the Secretary of State of Connecticut under the Uniform Commercial Code and the recording of this Trademark Agreement with the PTO, no authorization, approval or other action by, and no notice to or filing with, any governmental or regulatory authority, agency or office is required either (A) for the grant by the Assignor or the effectiveness of the security interest and assignment granted hereby or for the execution, delivery and performance of this Trademark Agreement by the Assignor, or (B) for the perfection of or the exercise by the Agent of any of its rights and remedies hereunder.

4. INSPECTION RIGHTS.

The Assignor hereby grants to each of the Agent and the Banks and its employees and agents the right to visit the Assignor's plants and facilities that manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto, in each case at such reasonable times during normal business hours and at such reasonable intervals as the Agent or any Bank may reasonably request.

5. NO TRANSFER OR INCONSISTENT AGREEMENTS.

Without the Agent's prior written consent and except for licenses of the Pledged Trademarks in the ordinary course of the Assignor's business consistent with its past practices, the Assignor will not (i) mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Pledged

Trademarks, or (ii) enter into any agreement (for example, a license agreement) that is inconsistent with the Assignor's obligations under this Trademark Agreement or the Security Agreement.

6. AFTER-ACQUIRED TRADEMARKS, ETC.

6.1. After-acquired Trademarks. If, before the Obligations shall have been finally paid and satisfied in full, the Assignor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark Registrations or Trademark Rights, the provisions of this Trademark Agreement shall automatically apply thereto and the Assignor shall, within 10 Business Days, provide to the Agent notice thereof in writing and execute and deliver to the Agent such documents or instruments as the Agent may reasonably request further to implement, preserve or evidence the Agent's interest therein.

6.2. Amendment to Schedule. The Assignor authorizes the Agent to modify this Trademark Agreement and the Assignment of Marks, without the necessity of the Assignor's further approval or signature, by amending Schedule A hereto and the Annex to the Assignment of Marks to include any future or other Trademarks, Trademark Registrations or Trademark Rights under §2 or §6.

7. TRADEMARK PROSECUTION.

7.1. Assignor Responsible. The Assignor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Pledged Trademarks, and shall hold each of the Agent and the Banks harmless from any and all costs, damages, liabilities and expenses that may be incurred by the Agent or any Bank in connection with the Agent's interest in the Pledged Trademarks or any other action or failure to act in connection with this Trademark Agreement or the transactions contemplated hereby. In respect of such responsibility, the Assignor shall retain reputable trademark counsel.

7.2. Assignor's Duties, etc. The Assignor hereby agrees, through reputable trademark counsel, to prosecute diligently any trademark registration applications of the Trademarks pending as of the date of this Trademark Agreement or thereafter, to preserve and maintain all rights in the Trademarks and Trademark Registrations, including the filing of appropriate renewal applications and other instruments to maintain in effect the Trademark Registrations and the payment when due of all registration renewal fees and other fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Trademark or Trademark Registrations; provided that the Assignor shall not be obligated to prosecute, preserve or maintain any Trademark or Trademark Registration in the event that the Assignee determines, in its reasonable business judgment, that such prosecution, preservation or maintenance thereof is no longer desirable. Any expenses incurred in connection with such applications and actions shall be borne by the Assignor.

7.3. Assignor's Enforcement Rights. The Assignor agrees to bring suit or other action in the Assignor's own name to maintain and enforce the Trademarks, the Trademark Registrations and the Trademark Rights; provided that the Assignor shall not be obliged to bring such suit or action in the event that the Assignor determines, in its reasonable business judgment, that such maintenance or enforcement is no longer commercially desirable. The Assignor may require the Agent to join in such suit or action as necessary to assure the Assignor's ability to bring and maintain any such suit or action in any proper forum if (but only if) the Agent is completely satisfied that such joinder will not subject the Agent or any Bank to any risk of liability. The Assignor shall promptly, upon demand, reimburse and indemnify the Agent for all damages, costs and expenses, including legal fees, incurred by the Agent if it joins in any such suit or action.

7.4. Protection of Trademarks, etc. In general, the Assignor shall take any and all such actions (including institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate in its reasonable business judgment to properly maintain, protect, preserve, care for and enforce the Pledged Trademarks in its reasonable business judgment. The Assignor shall not take or fail to take any action, nor permit any action to be taken or not taken by others under its control, that would adversely affect the validity, grant or enforcement of the Pledged Trademarks.

7.5. Notification by Assignor. The Assignor will notify the Agent in writing within ten (10) Business Days of becoming aware thereof of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Trademarks or Trademark Registrations or the Assignor's rights, title or interests in and to the Pledged Trademarks, and of any event that does or reasonably could materially adversely affect the value of any of the Pledged Trademarks, the ability of the Assignor or the Agent to dispose of any of the Pledged Trademarks or the rights and remedies of the Agent in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Trademarks).

8. REMEDIES.

Upon the occurrence and during the continuance of an Event of Default, the Agent shall have, in addition to all other rights and remedies given it by this Trademark Agreement (including, without limitation, those set forth in §2.2, the Credit Agreement, the Security Agreement and the other Loan Documents), those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the Commonwealth of Massachusetts, and, without limiting the generality of the foregoing, the Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to the Assignor, all of which are hereby expressly waived, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Pledged Trademarks, or any interest that the Assignor may have therein, and after deducting from the proceeds of sale or other disposition of

the Pledged Trademarks all expenses incurred by the Agent in attempting to enforce this Trademark Agreement (including all reasonable expenses for broker's fees and legal services), shall apply the residue of such proceeds toward the payment of the Obligations as set forth in or by reference in the Security Agreement. Notice of any sale, license or other disposition of the Pledged Trademarks shall be given to the Assignor at least five (5) days before the time that any intended public sale or other public disposition of the Pledged Trademarks is to be made or after which any private sale or other private disposition of the Pledged Trademarks may be made, which the Assignor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Agent may, to the extent permitted under applicable law, purchase or license the whole or any part of the Pledged Trademarks or interests therein sold, licensed or otherwise disposed of.

9. COLLATERAL PROTECTION.

If the Assignor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of the Assignor shall be breached, the Agent, in its own name or that of the Assignor (in the sole discretion of the Agent), may (but shall not be obligated to) do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and the Assignor agrees promptly to reimburse the Agent for any cost or expense incurred by the Agent in so doing.

10. POWER OF ATTORNEY.

If any Event of Default shall have occurred and be continuing, the Assignor does hereby make, constitute and appoint the Agent (and any officer or agent of the Agent as the Agent may select in its exclusive discretion) as the Assignor's true and lawful attorney-in-fact, with full power of substitution and with the power to endorse the Assignor's name on all applications, documents, papers and instruments necessary for the Agent to use the Pledged Trademarks, or to grant or issue any exclusive or nonexclusive license of any of the Pledged Trademarks to any third person, or to take any and all actions necessary for the Agent to assign, pledge, convey or otherwise transfer title in or dispose of any of the Pledged Trademarks or any interest of the Assignor therein to any third person including without limitation executing the Assignment of marks and completing the same as assignee, if applicable, and, in general, to execute and deliver any instruments or documents and do all other acts that the Assignor is obligated to execute and do hereunder. The Assignor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and releases each of the Agent and the Banks from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Agent under this power of attorney (except for the Agent's gross negligence or willful misconduct). This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Trademark Agreement.

11. FURTHER ASSURANCES.

The Assignor shall, at any time and from time to time, and at its expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Agent may request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to the Agent the grant, perfection and priority of the Agent's security interest in the Pledged Trademarks.

12. TERMINATION.

At such time as all of the Obligations have been finally paid and satisfied in full, this Trademark Agreement shall terminate and the Agent shall, reasonably promptly and in any event within ten (10) Business Days after the written request and at the expense of the Assignor, execute and deliver to the Assignor any instruments (including UCC termination statements) as may be necessary or proper to release the security interest in and lien the Pledged Trademarks hereunder and to reassign to the Assignor any Pledged Trademarks conditionally assigned pursuant to §2.2 hereof. previously granted, assigned, transferred and conveyed to the Agent by the Assignor pursuant to this Trademark Agreement, as fully as if this Trademark Agreement had not been made, subject to any disposition of all or any part thereof that may have been made by the Agent pursuant hereto or the Security Agreement.

13. COURSE OF DEALING.

No course of dealing between the Assignor and the Agent, nor any failure to exercise, nor any delay in exercising, on the part of the Agent, any right, power or privilege hereunder or under the Security Agreement or any other agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. EXPENSES.

Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and expenses incurred by the Agent in connection with the preparation of this Trademark Agreement and all other documents relating hereto, the consummation of the transactions contemplated hereby or the enforcement hereof, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance or renewal fees, encumbrances, or otherwise protecting, maintaining or preserving the Pledged Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Pledged Trademarks, shall be borne and paid by the Assignor.

15. OVERDUE AMOUNTS.

Until paid, all amounts due and payable by the Assignor hereunder shall be a debt secured by the Pledged Trademarks and other Collateral and shall bear, whether before or after judgment, interest at the rate of interest for overdue principal set forth in the Credit Agreement.

16. NO ASSUMPTION OF LIABILITY; INDEMNIFICATION.
