ASSIGNMENT OF INTELLECTUAL PROPERTY

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY is made May 3, 1999 (this "Assignment") by Concept Enterprises, Inc., a California corporation ("Concept"), to Mitek Corporation, an Illinois corporation ("Mitek").

WHEREAS, the Coustic Division of Concept is engaged in the business of the sale of automotive audio speakers and electronic components (the "Business");

WHEREAS, Concept has adopted, owns and is using in the Business (hereinafter defined) the United States and foreign registrations, pending applications, common law trademarks trade dress, logos, slogans, and trade names disclosed in Exhibit A attached hereto and made a part hereof (the "Trademarks") and is the exclusive owner of such Trademarks and the goodwill of the business symbolized by such Trademarks and all common law rights associated therewith;

WHEREAS, Mitek is desirous of using the Trademarks and of acquiring the entire right, title and interest in, to and under the Trademarks and the goodwill of the business symbolized by such Trademarks in connection therewith; and

WHEREAS, Concept owns and is using in the Business the United States patents, patent applications, patent disclosures and inventions (wether or not patent able and whether or not reduced to practice) disclosed in Exhibit B attached hereto and made a part hereof (the "Patents");

WHEREAS, Concept has created or had created on its behalf, owns and is using the Business the unregistered copyrights and the copyrights subject to United States copyright registrations disclosed in Exhibit C attached hereto and made a part hereof (the "Copyrights");

WHEREAS, Concept owns and is using in the Business (i) data, data bases and related documentation; (ii) trade secrets, confidential information, and proprietary data and information including, without limitation, compilations of data (whether or not copyrighted or copyrightable); (iii) ideas, formulae, compositions, blends, processes, know-how, processes and techniques, research and development information, drawings, specifications, designs, plans, improvements, proposals, technical data, financial and accounting data, business and marketing plans, and customer and supplier lists and related information; and (iv) copies and tangible embodiments of the foregoing or of the Trademarks, Patents and Copyrights (in whatever form or medium) (the "Proprietary Rights");

WHEREAS, Concept and Mitek have entered into that certain Asset Purchase Agreement dated April 21, 1999, providing for the purchase by Mitek the goodwill and going concern value of the Business and certain assets of the Coustic Division of Concept, including the Trademarks, Patents, Copyrights, and Proprietary Rights (collectively, the "Intellectual Property").

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, the parties agree as follows:

1. Concept hereby sells, assigns, conveys and transfers unto Mitek all right, title and interest in, to and under the Trademarks, and any derivation thereof, together with (a) all associated common law rights, (b) the goodwill of the business symbolized by thereby, and (c) all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past or continuing infringement of the Trademarks, as well as the right to seek any and all remedies available at law or in equity.

2. Concept hereby sells, assigns, conveys and transfers unto Mitek all right, title and interest in, to and under the Patents together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of the Patents and all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past or continuing infringement of the Patents, as well as the right to seek any and all remedies available at law or in equity.

3. Concept hereby sells, assigns, conveys and transfers unto Mitek all right, title and interest in, to and under the Copyrights together with all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past or continuing infringement of the Copyrights, as well as the right to seek any and all remedies available at law or in equity.

4. Concept hereby sells, assigns, conveys and transfers unto Mitek all right, title and interest in the Proprietary Rights and all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past or continuing infringement or misappropriation of the Proprietary Rights, as well as the right to seek any and all remedies available at law or in equity.

5. Concept agrees that it will make no further use of the Intellectual Property except pursuant to licenses granted by Mitek.

6. All right, title and interest in the Intellectual Property shall be held and enjoyed by Mitek, for its own use and benefit and for the use and benefit of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Concept if this Assignment had not been made. Without limitation to the foregoing, Concept assigns with the Intellectual Property all associated income, royalties, damages and payments due from or payable by any third party (including, without limitation, damages and payments for past, present, or future infringements or misappropriations thereof) and any and all corresponding rights that, now or hereafter, may be secured throughout the world.

7. Concept hereby covenants that it has full right to convey the entire right, title and interest in the Intellectual Property herein assigned.

IN WITNESS WHEREOF, the parties have caused this Assignment of Intellectual Property to be executed as of the date first written above.
