(c) The Borrower (either itself or through licensees) will, for each work covered by a Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as required under the copyright laws.

(d) The Borrower shall notify the Bank immediately if it knows or has reason to know that any Patent, Trademark or Copyright to the conduct of its business may become abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding the Borrower's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Bank may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Bank may (in its sole and absolute discretion) determine. The Bank shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Bank may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Bank until the sale price is paid by the purchaser or purchasers thereof, but the Bank shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice to the Borrower. At any public sale made pursuant to this Section 5.02, the Bank may bid for or purchase, free from any

right of redemption, stay, valuation or appraisal on the part of the Borrower (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to the Bank from the Borrower as a credit against the purchase price, and the Bank may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to the Borrower therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Bank shall be free to carry out such sale pursuant to such agreement, and the Borrower shall not be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Bank shall have entered into such an agreement all Events of Default shall have been remedied and the Liabilities paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Bank may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver.

SECTION 5.03 *Application of Proceeds.* The Bank shall apply the proceeds of any collection or sale of Collateral, as well as any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by the Bank in connection with such collection or sale or otherwise in connection with this Agreement or any of the Liabilities, including, but not limited to, all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made hereunder by the Bank on behalf of the Borrower and any other reasonable costs or expenses incurred in connection with the exercise of any right or remedy hereunder.

SECOND, to the payment in full of the Liabilities; and

THIRD, to the Borrower, its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Bank shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of the Collateral by the Bank (including, without limitation, a sale pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Bank or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Bank or such officer or be answerable in any way for the misapplication thereof.

SECTION 5.04 *Grant of License to Use Patent, Trademark and Copyright Collateral.* For the purpose of enabling the Bank to exercise rights and remedies under this Article V at such time as the Bank shall be lawfully entitled to exercise such rights and remedies, the Borrower hereby grants to the Bank an irrevocable, nonexclusive license (exercisable

without payment of royalty or other compensation to the Borrower) to use, license or sublicense any Patent, Trademark or Copyright, now owned or hereafter acquired by the Borrower, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Bank shall be exercised, at the option of the Bank, upon the occurrence and the continuation of an Event of Default. With respect to any Trademark licensed to the Bank under this Section 5.04, the Bank agrees to maintain, and to cause any licensee or sublicensee to maintain, the quality of products and services offered under such Trademark. The Bank agrees to apply the net proceeds received from any license towards payment of the Liabilities.

ARTICLE VI Miscellaneous

~~SECTION 6.01 *The Bank Appointed Attorney-in-Fact.* Except as otherwise provided herein, the Borrower hereby appoints the Bank the attorney-in-fact of the Borrower for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument which the Bank may deem necessary or advisable to accomplish the purposes hereof after the occurrence and the continuation of an Event of Default, which appointment is in each case irrevocable and coupled with an interest.~~

SECTION 6.04 *Successors and Assigns.*

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower or the Bank that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 6.06 *Waivers; Amendment.*

(a) No failure or delay of the Bank in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other right or power. The rights and remedies of the Bank hereunder are cumulative and exclusive of any rights or remedies which it would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

SECTION 6.08 *Survival of Agreement.* All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Bank and shall survive the making by the Bank of the financial accommodations referred to in the Loan Agreement, regardless of any investigation made by the Bank or on its behalf, and shall continue in full force and effect as long as any of the Liabilities is outstanding and unpaid.

SECTION 6.09 *Termination.* This Agreement and the Security Interest shall terminate when (i) all the Liabilities have been paid in full and (ii) the Bank has no further commitment to lend under the Loan Agreement, at which time the Bank shall execute and deliver to the Borrower, at the Borrower's expense, all Uniform Commercial Code termination statements and similar documents which the Borrower shall reasonably request to evidence such termination and the release of the Collateral hereunder.

SECTION 6.10 *Severability.* In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

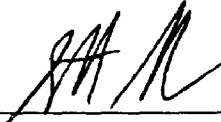

SECTION 6.11 *Counterparts.* This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract.

SECTION 6.12 *Headings*. Article and Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.
