ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS (the "Assignment") is made and entered into this 27th day of January, 1999, by CQ INC., a Delaware corporation ("Assignor"), in favor of DUQUESNE ENERGY, INC., a Pennsylvania corporation ("Assignee").

BACKGROUND

A. Assignor owns the trademarks, trademark registrations and applications for registration of trademarks identified and set forth in Exhibit A attached hereto (collectively, the "Trademarks"), and the good will of the business associated with the Trademarks.

B. Pursuant to a certain Technology Purchase Agreement between Assignor and Assignee, dated as of October 5, 1998, as such agreement may be amended (the "Agreement"), Assignor agreed to assign to Assignee its entire right, title and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademark is used and which is symbolized by the Trademark, along with the right to recover for damages and profits for past infringements thereof.

C. Pursuant to the Agreement, Assignee is a successor to that portion of Assignor's business to which the Trademarks sought to be registered pertain, such business being ongoing and existing.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and delivers to the Assignee, the entire right, title and interest of Assignor in and to the Trademarks, and all registrations therefore for the United States and throughout the world, together with the goodwill of the business in connection with which the Trademark is used and which is symbolized by the Trademark, along with the right to recover for damages and profits for past infringements thereof.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks to record Assignee as the owner of, and to issue in accordance with this instrument, all of the Trademarks.

Assignor agrees to execute and deliver at the request of the Assignee, all papers, instruments, and assignments, and to perform any other reasonable acts and the Assignee may require in order to vest all Assignor's rights, title, and interest in and to the Trademark in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of Assignor.

This instrument shall inure to the benefit of Assignee and its successors and assigns and shall be binding upon Assignor and its successors and assigns.

IN WITNESS WHEREOF, Assignor has duly executed this Assignment as of the date first above-written.
