Origin Assignment Agr.doc.pob

ORIGIN SYSTEMS, INC.

ASSIGNMENT AGREEMENT

This Assignment is entered into as of December 1, 1998 (the "Effective Date") by and between Origin Systems, Inc., a Texas corporation with offices at 5918 West Courtyard Dr., Austin, Texas 78730 ("Origin") and Electronic Arts Inc., a Delaware corporation with its principal business offices at 209 Redwood Shores Parkway, Redwood City, CA 94065 ("EA").

RECITALS

A. Origin is a wholly-owned subsidiary of EA.

B. Origin and EA, as Origin's sole shareholder, have determined that it is in the best interests of both companies that Origin's intellectual property assets be assigned to EA.

Now, therefore, the parties agree as follows:

1. ASSIGNMENT OF INTELLECTUAL PROPERTY ASSETS

For good and valuable consideration, receipt of which is hereby acknowledged, Origin hereby assigns to EA all of Origin's right, title and interest, of whatever kind and nature forever and throughout the universe, in and to any and all of Origin's intellectual property assets and rights (including but not limited to, copyrights, moral rights, patents, patent applications, trademarks, service marks, trade names and trade secrets, and specifically including those trademark registrations and applications listed on Exhibit A attached hereto, and those copyright registrations and applications listed on Exhibit B attached hereto) all rights to receive any of the foregoing, and all proceeds thereof (the "Origin IP Assets"). The Origin IP Assets shall also be deemed to include the results and proceeds of the services of all persons rendering services in connection with the intellectual property assets, the rights of which are being assigned hereunder.

2. FURTHER DOCUMENTS

Origin agrees to execute and deliver to EA such further instruments as may be reasonably required to carry out or effectuate the purposes and intent of this Assignment. Without limiting the foregoing, Origin hereby agrees to cause to be executed, acknowledged and delivered to EA, upon EA's request (a) a short form assignment in a form to be prepared by EA, which such instrument EA may record with the United States Copyright Office, and any other applicable copyright registries, as evidence of the rights granted to EA herein; and (b) a short form assignment in a form to be prepared by EA, which such instrument EA may record with the United States Patent and Trademark Office, and any other applicable trademark registries, as evidence of the rights granted to EA herein.

3. ASSUMPTION OF OBLIGATIONS

EA hereby agrees to assume all of Origin's current and future obligations and liabilities related to the Origin IP Assets, whether certain or contingent, including but not limited to all liabilities for taxes, liabilities under contracts, liabilities for any tort, malfeasance or omission committed by Origin (or any of Origin's officers or directors in the course of their duties for Origin), and other liabilities imposed by law, whether arising prior to the Effective Date or thereafter.

Executed by the parties as of the Effective Date by their authorized representatives as set forth below:

RE: TRADEMARK ASSIGNMENT REMOVAL

Dear Assistant Commissioner:

Enclosed please find the following materials for the correction of an erroneous assignment of a trademark made in the process of assigning a number of trademarks from ORIGIN SYSTEMS, INC. to ELECTRONIC ARTS INC.:

1. Recordation Form Cover Sheet – Trademarks Only;
2. Copy of Notice of Recordation of Assignment and original Agreement;
3. Check for \$40.00 as the fee for removal of the trademark from our assignment;
4. Postage-paid return card.

After making the request, it was brought to our attention that one of the marks was not Origin System's to convey and, therefore, should not be assigned to Electronic Arts.

Should there be any questions regarding these materials, please contact me directly at 650-628-7416.

Sincerely yours,

ELECTRONIC ARTS INC.

Sue Garfield
