AGREEMENT OF ASSIGNMENT

This AGREEMENT OF ASSIGNMENT is dated December 31, 1998 and is by and between:

THE GALE GROUP, INC. (hereinafter "TGGI"), a corporation organized and existing under the laws of the State of Delaware, having its principal office at 362 Lakeside Drive, Foster City, California 94404; and

MARKBOROUGH CALIFORNIA, INC. (hereinafter "MCI"), a corporation organized and existing under the laws of the State of California, having its principal office c/o Markland Properties, Inc., 7377 East Double Tree Ranch Road, Suite 250, Scottsdale, Arizona 85258.

WHEREAS, TGGI has used and/or is using in its business certain marks consisting of the words shown on Schedule "A" attached hereto, which words are used alone and in combination with other words and/or in combination with various designs; and

WHEREAS, MCI is desirous of acquiring all of the right, title and interest which TGGI has acquired and has developed in said marks throughout the world;

NOW, THEREFORE, for good and valuable consideration, as hereinafter set forth, the parties agree as follows:

1. **Definition:**

The "Trademarks" mean the marks shown in Schedule A hereto, as well as all other marks which have heretofore been used by TGGI as trademarks, service marks

or trade names by virtue of their use on or in connection with the products or services of TGGI.

2. Assignment of Trademarks:

TGGI assigns to MCI:

- (a) the Trademarks;
- (b) all issued trademark registrations for the Trademarks and all pending applications to register the Trademarks in the United States and throughout the world, and all trademark registrations deriving from said applications if any;
- (c) all of the goodwill of the business symbolized by the Trademarks; and
- (d) all claims and proceeds relating to the foregoing including, without limitation, any claims by TGGI against third parties for past infringement of the Trademarks or injury to the goodwill of the business symbolized by the Trademarks.

3. Consideration:

In consideration of the assignment and other transfers contained herein, MCI shall, upon execution of all required documents by TGGI, transfer to TGGI one share of MCI common stock.

4. Representations and Warranties of TGGI:

TGGI represents and warrants to MCI as follows:

- (a) Title to Trademarks. TGGI owns beneficially and of record, free and clear of any lien or other encumbrance, the Trademarks and, upon execution of this Agreement of Assignment, MCI will acquire good, valid and marketable beneficial ownership of the Trademarks, free and clear of any lien or other encumbrance of any kind.

(b) Authority to Execute and Perform Agreement. MCI has the full legal right and power and all authority and approvals required to enter into, execute and deliver this Agreement and to perform fully TGGI's obligations hereunder, and this Agreement, upon execution and delivery by TGGI, will be duly executed and delivered by TGGI and (assuming due execution and delivery by MCI) will be the valid and binding obligation of TGGI enforceable against TGGI in accordance with its terms.

(c) No Infringement or Claims. To TGGI's knowledge, the rights of TGGI in the Trademarks do not infringe the rights of others and are not being infringed by others, and TGGI has no notice of any adversely held trademark, service mark or trade name of any other person or notice of any claim of any other person relating to the Trademarks and does not know of any basis for any such claim.

5. Representations and Warranties of MCI:

MCI represents and warrants to TGGI as follows:

Authority to Execute and Perform Agreement. MCI has the full legal right and power and all authority and approvals required to enter into, execute and deliver this Agreement and to perform fully its obligations hereunder. This Agreement, upon execution and delivery by MCI, will be duly executed and delivered by MCI and (assuming due execution and delivery by TGGI) will be the valid and binding obligation of MCI enforceable against MCI in accordance with its terms.

6. Registration and Further Assurances:

TGGI, at MCI's reasonable expense, shall execute all instruments and do all acts and otherwise use its best efforts to effectuate the purpose of this Agreement and

to procure the acceptance of all applications for and registrations of the Trademarks and the registration of MCI as the registered owner thereof. MCI shall compensate TGGI for its out of pocket expenses incurred in the performance of this paragraph.

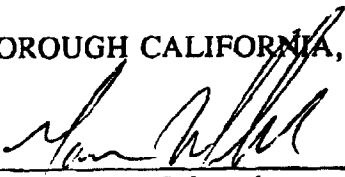

7. Governing Law:

This Agreement shall be governed and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed entirely within such State.
