 REEL: 001966 FRAME: 0409

BRIEF:

Recordation to remove the recordation of the Subsidiary Trademark Security Agreement ("Security Agreement"), made by Roux Laboratories, Inc. in favor of Chemical Bank, which was recorded in the United States Patent and Trademark Office ("PTO") on March 13, 1995 beginning at Reel 1317, Frame 0332. The Security Agreement should not have been recorded against INTERACTIVES, Reg. No. 1, 357,547, and INTERACTIVES IA and Design, Reg. No. 1,243,360, both of which are owned by Fermodyl Professionals, Inc. but were inadvertently listed on the schedules to the Security Agreement with the PTO. Roux does not have any right, title, or interest in Reg. Nos. 1,357,547 and 1,243,360, and therefore these registrations should not have been listed on the schedule to Security Agreement. Please correct the records of the Assignment Division to remove the recordation of the Security Agreement against Reg. Nos. 1,357,547 and 1,243,360.

TRADEMARK SECURITY AGREEMENT, dated as of February 28, 1995, made by the corporation signatory hereto (the "Grantor") in favor of Chemical Bank, as administrative agent (in such capacity, the "Administrative Agent") for holders of the Bank Obligations (as hereinafter defined).

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of February 28, 1995 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Revlon Consumer Products Corporation, a Delaware corporation (the "Company"), the Borrowing Subsidiaries from time to time parties thereto (the "Borrowing Subsidiaries"; collectively with the Company, the "Borrowers"), the financial institutions from time to time parties thereto (the "Lenders"), the Managing Agents named therein, the Co-Agents named therein, the Syndication Agent named therein, Citibank, N.A., as documentation agent (in such capacity, the "Documentation Agent"), and the Administrative Agent, the Lenders have severally agreed to make loans and other extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantor has guaranteed certain obligations of the Company pursuant to a Guarantee, dated as of the date hereof, in favor of the Administrative Agent, for the benefit of the holders of the Bank Obligations (as amended, supplemented or otherwise modified from time to time, the "Subsidiaries Guarantee");

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective loans and other extensions of credit to the Borrowers under the Credit Agreement that the Grantor shall have executed and delivered this Agreement to the Administrative Agent;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent and the Lenders to enter into the Credit Agreement, and to induce the Lenders to make their respective loans and other extensions of credit to the

REEL 1317 FRAME 362

Borrowers, the Grantor hereby agrees with the Administrative Agent, for the benefit of the holders of the Bank Obligations, as follows:

1. Defined Terms.

(a) Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Subsidiary Security Agreement.

(b) Other Definitional Provisions. (i) The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section and paragraph references are to this Agreement unless otherwise specified.

(ii) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

2. Grant of Security Interest. As collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Bank Obligations, the Grantor hereby grants to the Administrative Agent, for the benefit of the holders of the Bank Obligations, a security interest in all of the following property now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"): REEL 1317 FRAME 363

(a) all trademarks, service marks, trade names, trade dress or other indicia of trade origin, trademark and service mark registrations, and applications for trademark or service mark registrations and any renewals thereof, including, without limitation, each registration and application identified in Schedule 1 attached hereto and made a part hereof, and including without limitation (i) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (ii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past or future infringements thereof), and (iii) all rights corresponding thereto throughout the United States and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each such trademark, service mark, trade name, trade dress or other indicia of trade origin (the "Trademarks"); provided that, for purposes hereof, the term "Trademarks" shall not include those rights which are not created by, or do not arise or exist under, the laws of the United States or any State or political subdivision thereof;

(b) all license agreements with any other Person in connection with any of the Trademarks of the Grantor, or such other Person's trademarks, whether the

Grantor is a licensor or licensee under any such license agreement, including, without limitation, the license agreements listed on Schedule 1 hereto, subject, in each case, to the terms of such license agreements, including, without limitation, terms requiring consent to the grant of a security interest (the "Trademark Licenses"); provided that, for purposes hereof, the term "Trademark Licenses" shall not include those rights which are not created by, or do not arise or exist under, the laws of the United States or any State or political subdivision thereof; and

(c) to the extent not otherwise included, all Proceeds (including, to the extent not otherwise included therein, cash) and products of any and all of the foregoing.

Notwithstanding anything to the contrary contained herein, the Trademark Collateral described herein shall constitute collateral security only for those Bank Obligations with respect to which the Proceeds of such Trademark Collateral are applied pursuant to Section 2.2.1, 2.2.2, 2.2.3, 2.2.4, 2.2.5 or 2.2.6 of the Collateral Agency Agreement and the Lien and security interest provided hereby shall encumber the Trademark Collateral only to the extent of such Bank Obligations.

3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest of the Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Administrative Agent, for the benefit of each Secured Party, under the Subsidiary Security Agreement. The Subsidiary Security Agreement (and all rights and remedies of the Administrative Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

4. Release of Collateral and Termination. (a) This Agreement and all obligations of the Administrative Agent and the Grantor hereunder shall terminate on the date upon which the Grantor is released from its obligations under the Subsidiaries Guarantee without delivery of any instrument or performance of any act by any party. Upon termination of this Agreement, the Administrative Agent shall, at the sole expense of the Grantor, take such actions as reasonably may be necessary to release its security interest in the Trademark Collateral.

(b) Notwithstanding anything to the contrary contained herein, upon the request of the Grantor the Administrative Agent shall (without any notice to or vote or consent of the Documentation Agent or any Lender) take action (at the sole expense of the Grantor) to effect the release of any Trademark Collateral permitted under subsection 14.2 of the Credit Agreement.

5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in

the Subsidiary Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

6. Credit Document, etc. This Agreement is a Credit Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

7. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.
