**COLLATERAL ASSIGNMENT AND
TRADEMARK SECURITY AGREEMENT**

THIS COLLATERAL ASSIGNMENT AND TRADEMARK SECURITY AGREEMENT (this "Agreement"), made as of the 16th day of December, 1999, by the undersigned ("Grantor"), in favor of WACHOVIA BANK, N.A. ("Grantee").

WITNESSETH THAT:

WHEREAS, Grantor owns and uses certain trademarks and trademark applications filed in the United States Patent and Trademark Office, as more fully described on Exhibit "A" attached hereto and by reference made part hereof (hereinafter, together with all rights, benefits and privileges derived therefrom, the goodwill of the business symbolized thereby, all registrations thereof, all reissues, divisions, continuations, renewals and extensions thereof, and all proceeds of the foregoing, called the "Trademark Rights"); and

WHEREAS, Grantor and Grantee are parties to a certain Loan and Security Agreement, dated of even date herewith (hereafter, as it may be amended or modified from time to time, called the "Security Agreement"; capitalized terms used herein, but not expressly defined herein having the meanings given to such terms in the Security Agreement), pursuant to which Grantee may make loans or other financial accommodations to Grantor from time to time; and

WHEREAS, as a condition precedent (among others) to the extension of such financial accommodations, Grantor has required that Grantor execute and deliver this Agreement in favor of Grantee;

NOW, THEREFORE, in order to induce Grantee to consummate such financial accommodations, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to Grantee a security interest in, and makes to Grantee a collateral assignment of, the entire right, title, and interest of Grantor in and to the Trademark Rights. The Trademark Rights shall serve as collateral security for the payment of all "Obligations", as that term is defined in the Security Agreement, shall constitute a part of the Collateral and shall be subject to all of the terms and conditions of the Security Agreement.

Notwithstanding the foregoing, unless and until Grantee exercises the rights and remedies accorded to it under the Security Agreement and by law with respect to the realization upon its security interest in and collateral assignment of the Trademark Rights, Grantor shall own, and may use and enjoy the Trademark Rights in connection with its business operations, but only in a manner consistent with the preservation of their current substance, validity, registration and the security interest herein granted.

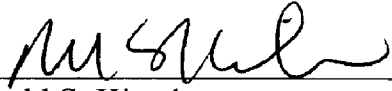

Grantor further agrees (a) that Grantee shall not have any obligation or responsibility to protect or defend the Trademark Rights and Grantor shall at its own expense protect, defend and maintain the same to the extent advisable for its business, (b) that it shall forthwith advise Grantee in writing of infringements of the Trademark Rights detected by it and (c) that if Grantor fails to comply with the requirements of the preceding clause (a), Grantee may do so in Grantor's name or in Grantee's name but at Grantor's expense, and Grantor hereby agrees to reimburse Grantee for all expenses, including attorneys' fees, incurred by Grantee in protecting, defending and maintaining the Trademark Rights owned by Grantor.

The security interest in and collateral assignment of the Trademark Rights granted hereunder shall remain in full force and effect until the termination of the Loan Agreement and the payment and satisfaction in full of the Secured Obligations. At such time Grantee shall, if requested by Grantor, execute and deliver to Grantor, or to a third party upon Grantor's instructions, for filing with the United States Patent and Trademark Office and in each office in which any financing statement relative to the security interest granted hereby may have been filed, (i) documentation in accordance with the rules and regulations of said office, (ii) termination statements under the Uniform Commercial Code and (iii) any other documentation reasonably requested by Grantor, all as may be necessary to release Grantee's interest in the Trademark Rights, all at the cost and expense of Grantor.

This Agreement shall inure to the benefit of Grantee and its successors and assigns, and bind Grantor and its successors and assigns.

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed by its officer thereunto duly authorized as of the date first above written.

ALLIED FOODS, LLC

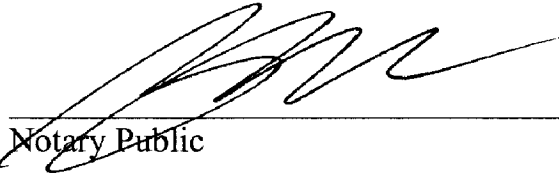

By: 

Ronald S. Kirschner
President

STATE OF GEORGIA

COUNTY OF FULTON

On this 16th day of December, 1999, before me appeared Ronald S. Kirschner, the person who signed the within and foregoing Collateral Assignment and Trademark Security Agreement in his capacity as President of the Grantor named therein, who acknowledged that he signed same as a free act for and on behalf of the identified company with authority to do so.
