WHEREAS, the Note is subject to the terms and conditions of the Loan Agreement, dated as of the date hereof, between Borrower and Secured Party (the "Loan Agreement"); and

WHEREAS, pursuant to the Note Purchase Agreement, Borrower and Secured Party are parties to a Security Agreement, dated as of the date hereof (the "Security Agreement"), a copy of which is attached hereto as Exhibit A; and

WHEREAS, under the Security Agreement, Borrower has granted to Secured Party a continuing security interest in and to all Collateral (as such term is defined in the Security Agreement), including, without limitation, all general intangibles now owned or hereafter acquired by Borrower; and

WHEREAS, in connection with the Security Agreement, the Secured Party has required that the Borrower execute and deliver to the Secured Party a lien on and security interest in, among other property of the Borrower, all of the patents, trademarks and related intellectual property, whether now owned or hereafter acquired.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein and in the Note Purchase Agreement, the Note, the Loan Agreement and the Security Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower and Secured Party agree as follows:

II. SECURITY INTEREST.

2.1 Security Interest. To secure payment and performance of the Obligations, Borrower hereby grants to Lender a continuing security interest in and to all of the following items and types of property: Whether now owned or hereafter acquired by Borrower, all present and future personal property including, without limitation, all accounts, general intangibles, goods, inventory, equipment, instruments, documents, chattel paper, notes receivable, cash, money, deposit accounts, policies of insurance (casualty, liability, life, business interruption, etc.), and all products, replacements, and proceeds of, and accessions and additions to, and other rights arising from or by virtue of, or from the voluntary or involuntary sale or other disposition of, or collections with respect to, or insurance proceeds payable with respect to, or proceeds payable by virtue of warranty or other claims against manufacturers of, or claims against any other person or entity or property with respect to, any of the foregoing property and interests in property, together with all of Borrower's books and records relating to any of the foregoing property, but not including (i) any motor vehicles or (ii) any collateral pledged under the Grand Bank Agreement. Borrower acknowledges that the foregoing expressly includes all of Borrower's intellectual property and rights thereto, including but not limited to all of Borrower's patents and or applications therefor, trademarks and applications therefor, service marks and applications therefor, trade names, copyrights or applications therefor, trade secrets, licenses, information, know how, computer software, processes, inventions, designs and proprietary rights and processes.

2.2 Title. Borrower represents and warrants to Lender that Borrower owns all presently existing Collateral, and will acquire all hereafter-acquired Collateral, free and clear of all liens, security interests, encumbrances and claims, except Permitted Liens, and that Lender's security interest in all Collateral will constitute a first priority perfected security interest, subject to Permitted Liens and the terms and conditions of the Intercreditor Agreement.

2.3 Perfection: Financing Statements; Delivery of Possession. Borrower will execute and deliver to Lender such financing statements or amendments thereof or supplements thereto and such other instruments or documents, as Lender may from time to time require or as otherwise may be necessary to preserve, protect and maintain the security interests hereby granted and the perfection thereof, as a perfected security interest in each item of Collateral. Subject to the Intercreditor Agreement, Borrower shall hold in trust for the benefit of Lender, and promptly deliver to Lender,

all Collateral for which possession by Lender is necessary for perfection of Lender's security interest or advisable (in Lender's opinion) for the protection or preservation of Lender's perfected security interest therein.

III. BORROWER'S COVENANTS.

3.1 Covenants. Until performance, payment, and satisfaction in full of the Obligations, Borrower covenants and agrees as follows:

(a) Insurance. Borrower shall keep the Collateral insured against loss or damage by fire, theft, and such other risks, hazards, and contingencies, with such companies, in such amounts and under policies in such form as are customary in the industry and acceptable to Lender. Such policies shall make all losses payable to Borrower and Lender, as their respective interests may appear and shall bear a standard non-contributory first mortgage endorsement, as appropriate;

(b) Taxes and Liens. Borrower will file all tax returns and pay before delinquent all taxes levied or assessed against Borrower or the Collateral, and will cause any liens for taxes to be promptly released and, except as to liens which the Borrower has previously notified Lender in writing, there are no other liens or encumbrances on the Collateral;

(c) Location of Collateral. None of the Collateral shall be moved to a location other than the location identified in Section 5.3 below, nor will Borrower change the location of its chief executive office, without first delivering at ten (10) days prior written notice to Lender and taking all actions necessary to give Lender the opportunity to file whatever financing statements or other documents and taking all other actions as may be necessary or advisable (in Lender's opinion) to maintain the perfection and priority of its security interests in the Collateral;

(d) No Disposition. Borrower will not sell, lease, or otherwise dispose of, or permit the sale, lease, or disposition of, any Collateral except for sales, leases, and other dispositions (i) of inventory in the ordinary course of business on ordinary business terms, (ii) of obsolete or destroyed equipment and (iii) of equipment replaced with similar equipment of equal or greater value and in which Lender has a perfected security interest;

(e) No Liens. Borrower will not create, incur, or suffer or permit to be created or incurred or to exist any lien, security interest, encumbrance or claim upon or against any of the Collateral, except for Permitted Liens; and

(f) Further Assurances. Borrower will from time to time promptly execute and deliver to Lender all such other assignments, certificates, supplemental documents, and financing statements, and do all other acts or things as Lender may reasonably request to more fully create, evidence, perfect, continue, and preserve the priority of Lender's security interest in the Collateral.

IV. DEFAULT; REMEDIES.

4.1 Default. A Default shall exist if any one or more of the following occurs and is continuing:

(a) Borrower fails or refuses to make any payment of any portion of the Obligations on or before the date such payment is due;

(b) Borrower fails to perform or to observe any covenant contained in any of the Loan Documents, or otherwise breaches or is in default under any of the Loan Documents;

(c) Lender discovers that any representation or warranty of Borrower in any of the Loan Documents is false or misleading in any material respect; or

(d) Borrower shall become insolvent, fail to pay its debts generally as they become due, voluntarily seek, consent to, or acquiesce in the benefit or benefits of any Debtor Relief Law (hereinafter defined), or become a party to (or be made the subject of) any proceeding provided for by any Debtor Relief Law, other than as a creditor or claimant, that could suspend or otherwise adversely affect the rights of Lender (unless, in the event such proceeding is involuntary, the petition instituting same is dismissed within 60 days of the filing of same). As used herein, the term "**Debtor Relief Laws**" means the Bankruptcy Code of the United States of America and all other applicable liquidation, conservatorship, bankruptcy, moratorium, rearrangement, receivership, insolvency, reorganization, suspension of payments, or similar Debtor Relief Laws from time to time in effect affecting the rights of creditors generally.

4.2 Remedies Upon Default. Upon the occurrence and during the continuance of a Default, Lender shall have the right to exercise any one or more of the following remedies, each cumulative of the other to the extent permitted by law: (a) Lender may declare all Obligations secured hereby immediately due and payable without presentment for payment, demand for payment, notice of non-payment, protest, notice of protest or of dishonor, notice of default, notice of intent to accelerate, notice of acceleration, notice of intent to foreclose, or any other notice, all of which are hereby expressly waived (provided that, upon the occurrence of a Default under paragraph 4.1(d), the entire Obligations shall automatically become due and payable without declaration, notice or other action of any kind whatsoever); (b) Lender may proceed to enforce payment of the Obligations; and (c) Lender may exercise any and all of the rights and remedies provided under the UCC, by any Loan Document, at law or in equity, as well as any other additional rights and remedies available to Lender, including the right to sell the Collateral, or any part thereof, at public or private sale, for cash, upon credit, or for future delivery as Lender shall deem appropriate. For purposes of any notice required by the UCC or other law, the giving of 5 days notice in accordance with Section 5.2 below is deemed to be reasonable notice. No course of dealing in exercising, nor any delay or failure on the part of Lender to exercise, any power or right under any Loan Document, at law or in equity shall impair that power or right or be construed as a waiver thereof, nor shall any single or partial exercise of a power or right preclude other or further exercise thereof or the exercise of any other power or right under this Agreement, at law or in equity. All sums received or recovered by Lender on account of its security interest in or rights with respect to the Collateral shall be applied to the Obligations in the order and manner selected by Lender in its sole discretion.

4.3 Other Rights of Lender.

(a) Performance. In the event Borrower shall fail to keep the Collateral in good repair, working order, and condition as required in this Agreement, or to pay when due all taxes on any of the Collateral, or to preserve the priority of Lender's security interest in any of the Collateral, or to keep the Collateral insured as required by this Agreement, or otherwise fail to perform any of its obligations with respect to the Collateral, then Lender may, at its option, but without being required to do so, make those repairs, pay those taxes, prosecute or defend any suits in relation to the Collateral, or insure and keep insured the Collateral in any amount deemed appropriate by Lender, or take all other action that Borrower is required, but has failed or refused, to take.

(b) Fees and Expenses. Any sum that may be expended or paid by Lender in enforcing its rights and Borrower's obligations under this Agreement or in exercising any remedies available to Lender under this Agreement, at law or in equity (including, without limitation, court costs and, whether or not suit is filed, attorneys' fees) shall be due and payable by Borrower to Lender upon demand and shall bear interest from the dates of expenditure or payment by Lender at the highest lawful rate until paid by Borrower, and all such amounts shall be part of the Obligations.

V. MISCELLANEOUS.

5.1 Applicable Law. This Agreement shall be construed in all respects in accordance with, and be governed by, the laws and decisions of the State of Maryland.

5.2 Notices. Any notice, request, instruction, or other document to be given hereunder by any party hereto to any other party shall be in writing and delivered personally or sent by registered or certified mail, postage prepaid, at the address of such other party appearing below such party's signature to this Agreement, or at such other address for a party as shall be specified by like notice, which change of address shall become effective when actually received. Any notice which is delivered personally in the manner provided herein shall be deemed to have been duly given to the party to whom it is directed upon actual receipt by such party. Any notice which is addressed and mailed in the manner herein provided shall be conclusively presumed to have been duly given to the party to which it is addressed upon being so placed in the mail.

5.3 Locations of Collateral and Borrower's Chief Executive Office. The street address of each location where Collateral is located and the street address of Borrower's chief executive office are as follows:

7355 Old Georgetown Rd.

5963 Weld County Rd.

5.4 Invalid Provisions. If any provision hereof is held to be illegal, invalid, or unenforceable under present or future laws effective during the term hereof, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part hereof; and the remaining provisions hereof shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance herefrom. Furthermore, in lieu of such illegal, invalid, or unenforceable provision there shall be added automatically as a part hereof a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

5.6 Parties Bound. This Agreement shall be binding on Borrower and Borrower's legal representatives, successors, and assigns and shall inure to the benefit of Lender and Lender's successors and assigns.

IN WITNESS WHEREOF, this Agreement has been duly executed as of May __, 1999.
