

ASSIGNMENT OF PATENT AND TRADEMARK RIGHTS

BE IT KNOWN THAT in consideration of the sum of One Dollar (\$1.00) and other goods and valuable consideration, the receipt of which is hereby acknowledged, ESSEF Corporation, a corporation of the State of Ohio, located at 220 Park Drive, Chardon, Ohio 44024, hereinafter called ASSIGNOR, has as of July 8, 1998, sold, assigned, and transferred to Polymer & Steel Technologies, Inc., a corporation of the State of Ohio, located at 34355 Vokes Drive, Eastlake, Ohio 44095, and its successors and assigns, all hereinafter called ASSIGNEE:

1. All right, title, and interest in the United States and throughout the world in and to any inventions, patent rights, patents, and applications for patent, including without limitation the entire right, title, and interest in and to the United States patents and applications for United States patents noted on Schedule A attached hereto and made a part hereof, and the entire right, title, and interest in the United States and throughout the world in and to the inventions to which said patents and applications pertain, and in and to any corresponding foreign patents or patent applications, registrations, or inventor's certificates, together with all of the rights and privileges granted and secured by said patents or patent applications, registrations or certificates, including without limitation all claims, demands, and rights of action which ASSIGNOR may have had against others on account of any past infringement of any said patents, with the right in ASSIGNEE to sue for and obtain all relief to which ASSIGNOR may have been entitled by reason of any such past infringement, said entire right, title, and interest to be held and enjoyed by ASSIGNEE for its own use and

benefit and for the use and benefit of its successors and assigns, to the full end of the term for which said patents, registrations, or certificates may be granted, as fully and entirely as the same would have been held and enjoyed by said ASSIGNOR had this assignment and sale not been made. The Commissioner of Patents and Trademarks is hereby authorized and requested to issue the Letters Patent which may mature from the aforesaid applications to the said ASSIGNEE, as the ASSIGNEE of said entire right, title, and interest in and to the same.

2. All right, title, and interest in the United States and throughout the world in and to any trademarks or service marks, including without limitation the entire right, title, and interest in and to the United States registrations and applications for United States registrations and the unregistered marks listed on Schedule B attached hereto and made a part hereof, and the entire right, title, and interest in the United States and throughout the world in and to the marks to which said registrations and applications for registration pertain and in and to said unregistered marks, together with the good will of the business associated with the marks, and in and to any corresponding registrations and applications for registration throughout the world, together with the good will of the business associated with each of the marks to which said registrations and applications for registration pertain and the right to sue for past infringement of each of such marks. The Commissioner of Patents and Trademarks is requested to issue the certificate of registration for each such mark to the said ASSIGNEE.
