TRADEMARK ASSIGNMENT

TRADEMARK ASSIGNMENT ("Trademark Assignment") dated as of

December, 10, 1999 from and by Sea-Land Service, Inc., a Delaware corporation ("Assignor"), in favor of Aktieselskabet Dampskibsselskabet Svendborg, a Danish corporation ("Svendborg") and Dampskibsselskabet AF 1912, Aktieselskab, a Danish corporation ("1912" and, together with Svendborg, "Assignees").

WITNESSETH:

WHEREAS, Svendborg, 1912, CSX Corporation, a Virginia corporation, and Assignor have executed and delivered an Amended and Restated Purchase Agreement, dated as of July 21, 1999 (as amended, supplemented or modified from time to time, the "Purchase Agreement"), which provides, among other things, for the sale by Assignor to Svendborg and 1912 of certain of the Acquired Assets; and

WHEREAS, Assignor is the owner of certain trademarks, service marks and/or trade names; and

WHEREAS, the Closing under the Purchase Agreement is occurring on the date hereof; capitalized terms not otherwise defined herein are used as defined in the Purchase Agreement;

NOW, THEREFORE, pursuant to the Purchase Agreement and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. **Assignment.** Assignor hereby assigns free and clear of all Liens (other than Permitted Liens) to Assignees, their successors and assigns, to have and to hold the same for the use and enjoyment of Assignees and their successors and assigns, forever all of Assignor's right, title and interest in and to, or arising under, certain United States and foreign trademarks (together with all registrations or applications therefor, the "Marks") including, without limitation, those marks registered in the United States and in certain foreign jurisdictions set forth on Exhibit 1 hereto, together with the goodwill of the businesses in connection with which the Marks are used and which is symbolized by the Marks, along with the right to recover for damages and profits for past or future infringements thereof, the Marks to be held and enjoyed by Assignees for their own use and behalf and for the use and behalf of their successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

2. **Further Assurances.** (a) Assignor, for itself and its successor and assigns hereby agrees with Assignees, their successors and assigns, that Assignor will do, execute and deliver or will cause to be done, executed and delivered all such further acts, transfers, assignments and conveyances, powers of attorney, and assurances, and will take all such further action, in order to better assure, convey and confirm unto Assignees, their successors and

assigns, all and each of the Marks hereby sold, conveyed, assigned, transferred, and delivered and to establish and protect rights and remedies created or intended to be created in favor of Assignees under this Trademark Assignment, in each case as Assignees, their successors or assigns, will reasonably request.

(b) Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and each sovereign official holding a corresponding position of authority in any country within which Assignor has registrations or pending applications with respect to any Mark, to issue and to record the title of Assignees as owners of all right, title and interest in and to the Marks and applications for the Marks, it being agreed and understood by the parties hereto that Assignor has no obligation to record this Assignment or to obtain certificates of registration in Assignees' name, that being Assignees' responsibility.

3. Purchase Agreement. The execution and delivery of this Trademark Assignment will not be (or be deemed to be) a waiver or discharge of any representation, warranty, covenant, or agreement of Assignor, Assignees or any other party to the Purchase Agreement in or under the Purchase Agreement, and such execution and delivery will not be deemed a modification or amendment of any provision of the Purchase Agreement in any respect.

4. Waivers and Amendments. This Trademark Assignment may be amended, modified or supplemented, and any terms hereof may be waived, only by a written instrument executed by the parties hereto.

5. Counterparts. This Trademark Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall be considered one and the same agreement, and all signatures need not appear on any one counterpart.

6. Headings. Section headings contained in this Trademark Assignment are for convenience of reference only and will not be deemed a part of or to affect the meaning or interpretation of this Trademark Assignment or any term or provision hereof.

7. Successors and Assigns. This Trademark Assignment will inure to the benefit of, and be binding upon, the parties hereto and their respective successors and assigns.

8. Governing Law. This Trademark Assignment will be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to any choice of law or conflict of law (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York, except that if it is necessary in any other jurisdiction to have the law of such other jurisdiction govern this Trademark Assignment in order for this Trademark Assignment to be effective in any respect, then the laws of such other jurisdiction will govern this Trademark Assignment to such extent.
