**CONFIRMATORY  
TRADEMARK ASSIGNMENT**

Assignment made this 13 day of December 1999 from DECKERS OUTDOOR CORPORATION, a corporation duly organized under the laws of the State of Delaware, and doing business at 495-A South Fairview Avenue, Goleta, CA 93117 ("Assignor"), to Mark Thatcher, a United States citizen residing at 1245 Cochran Avenue, Flagstaff, AZ 86001 ("Assignee").

WHEREAS, Assignor is the owner of the entire right, title and interest in and to the trademarks, trademark applications and registrations therefor listed on attached Schedule A (the Trademarks) and the goodwill of the business symbolized by said trademarks; and

WHEREAS, Assignee is the successor in the business of Assignor as pertains to the Trademarks and Assignor is Assignee's exclusive licensee thereunder pursuant to a Teva License Agreement dated June 7, 1999.

WHEREAS, this second assignment from Assignor and Assignee is being filed to remedy a technical error included in the first executed assignment, dated August 27, 1999 and submitted to the U.S. Patent and Trademark Office on August 30, 1999. The first assignment was filed as being effective *nunc pro tunc* from June 7, 1999, when Assignor incurred the obligation to assign the subject trademark to Assignee pursuant to a License Agreement entered into by the parties on that date. However, Assignor had previously given a security interest to Congress Financial Corporation in the subject trademarks, that had not been released as of June 7, 1999, but was released as of August 19, 1999. Therefore, this second assignment is being executed and recorded to correctly reflect the Assignor's ability to convey the unencumbered trademarks to the Assignee as of the effective date of this assignment.

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN:

BE IT KNOWN that, for good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, his successors and assigns, the entire right, title and interest in and to the Trademarks including and the right to make applications for registration in any and all countries thereon, to claim any and all priority rights, and to any and all registrations of the United States and of foreign countries and any renewals which may be granted thereon, including the goodwill of the business symbolized by the Trademarks; and, to collect and sue for past damages.

Assignor and its successors agree to sign and execute, or to make reasonable efforts (e.g., payment of consulting fees) to have signed and executed by any necessary party, without further compension, any and all necessary and lawful documents, including: oaths/declarations; assignments; applications for foreign trademarks; Statements of Use; Affidavits of Use; and Renewal Applications, as the Assignee, its legal representatives, or its successors and assigns may from time to time require. All such documents will be prepared at Assignee's expense.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all registrations which may be granted upon the aforesaid applications to the Assignee, as the assignee of the entire interest therein.

IN WITNESS WHEREOF, Deckers Outdoor Corporation by its duly authorized Officer has caused this Assignment to be executed effective *nunc pro tunc* from August 20, 1999.
