In addition, the Parent and the U.S. Purchaser are jointly and severally becoming obligors with respect to that certain \$7,500,000 Secured Working Capital Term Note dated as of even date herewith in favor of the Seller (the "Secured Working Capital Term Note"; and together with the Secured Convertible Note, the "Notes" and individually, a "Note").

C. In connection with the Purchase Agreement, the Pledgor, together with the U.S. Purchaser and certain other pledgors, is executing and delivering a Security Agreement, dated as of the date hereof (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Security Agreement").

D. The Pledgor is a subsidiary of the Parent.

E. It is a condition precedent to the transactions contemplated by the Purchase Agreement that the Pledgor enter into this Agreement and grant to the Secured Party the security interests hereinafter provided to secure the Obligations (defined below).

F. It is in the best interest of the Pledgor to execute this Agreement, as the Pledgor will derive substantial direct and indirect benefits from the transactions contemplated by the Purchase Agreement.

G. The Pledgor has duly authorized the execution, delivery and performance of this Agreement.

Accordingly, the parties hereto agree as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble, recitals, schedules and exhibits, have the meanings provided (or incorporated by reference) in the Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Obligations, the Pledgor does hereby mortgage, pledge and hypothecate to the Secured Party, and grant to the Secured Party a security interest in all of the following property (the "Trademark Collateral"), whether now owned or hereafter acquired or existing by it:

(a) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names, all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such marks, names, applications and licenses as described in Schedule 1), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof; and

The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Termination. Upon payment and performance in full of all Obligations, the security interests granted under this Agreement shall terminate and the Secured Party shall promptly execute and deliver to the Pledgor such documents and instruments reasonably requested by the Pledgor as shall be necessary to evidence termination of all security interests given by the Pledgor to the Secured Party hereunder; provided, however, that the obligations of the Pledgor under Section 15 of the Security Agreement shall survive such termination.

SECTION 5. Acknowledgement. The Pledgor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Counterparts. IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement,  
as of the date first above written.
