ASSIGNMENT AGREEMENT

WHEREAS, PrimeQuest International, Inc. ("PrimeQuest"), a California corporation having a place of business at 2354 Garden Road, Monterey, California 93930 has adopted, used, is using and is the owner of all right, title and interest in and to the trademarks listed in the attached schedule, Schedule A, ("the Marks"), and the registrations and application related thereto as set forth in the attached schedule; and

WHEREAS, LifeScience Technologies Limited Partnership ("LifeScience"), a Nevada limited partnership, having a place of business at 3201 Dickerson Pike, Nashville, Tennessee 37207, is desirous of obtaining the Marks, and any attendant registrations, together with the goodwill appurtenant thereto and symbolized thereby, any and all past and present rights which have accrued or may accrue to PrimeQuest of any and all kind or nature incident or appertaining to the Marks, and including without limitation any and all common law rights and the right to sue for and recover any accrued damages for past infringements thereof, and is desirous of obtaining all other intellectual property rights of PrimeQuest, including, without limitation, copyrights, industrial designs, patents, trade secrets, and trade dress.

WHEREAS, PrimeQuest represents and warrants that it has all necessary title and right to grant the assignment and rights transferred hereunder, free and clear of all liens and encumbrances of any kind, and that it has not made and will not make any commitments to others inconsistent with or in derogation of such rights, and that it is not under any contractual obligation to or acting for the benefit of third parties in entering into this Agreement.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, PrimeQuest does hereby sell, assign, convey and transfer to LifeScience, its successors and assigns, any and all right, title and interest in and to the Marks, and the registrations and application, and any and all other trademarks, trade names and service marks not specifically listed in the attached schedule but used and owned by PrimeQuest in connection with the assets being transferred to LifeScience, together with the goodwill appurtenant thereto and symbolized thereby, and, further, all right, title and interest in and

to any and all other intellectual property rights without limitation, and any and all past and present rights which have accrued or may accrue to PrimeQuest of any and all kind or nature incident or appertaining to the Marks and the registrations and application, and any and all other trademarks, trade names and service marks not specifically listed in the attached schedule but used and owned by PrimeQuest in connection with the assets being transferred to LifeScience and any and all other intellectual property rights without limitation, and including without limitation any and all common law rights and the right to sue for and recover any accrued damages for past infringements thereof, the same to be held and enjoyed by LifeScience as fully and entirely as the same would have been held by PrimeQuest had such sale, assignment, conveyance and transfer not been made;

PrimeQuest agrees to execute and deliver at LifeScience's request, without further consideration, all documents necessary to effectuate the assignment as set forth above.

PrimeQuest agrees that this agreement will be binding on its assignees and successors in interest.

The undersigned individual represents and warrants that he has the authority to act on behalf of and bind PrimeQuest.

This Assignment is effective as and from the ___ day of July 1998.
