Patent and Trademark Security Agreement

THIS PATENT AND TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of January 26, 2000, is made between Internet Global Services, Inc., a Texas corporation ("Grantor"), and Cisco Systems Capital Corporation, a Nevada corporation ("CSCC").

Grantor and CSCC hereby agree as follows:

SECTION 1 Definitions; Interpretation.

(a) Terms Defined in Security Agreement. All capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings assigned to them in the Security Agreement.

(b) Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

"Collateral" has the meaning set forth in Section 2.

"PTO" means the United States Patent and Trademark Office.

"Security Agreement" means the Security Agreement dated as of January 26, 2000 between Grantor and CSCC.

"Secured Party" means collectively CSCC and any other Cisco Company to which any Obligations are at any time owing by Grantor.

(c) Terms Defined in UCC. Where applicable and except as otherwise defined herein, terms used in this Agreement shall have the meanings assigned to them in the UCC.

(d) Interpretation. The rules of interpretation applicable to the Security Agreement shall also be applicable to this Agreement and are incorporated herein by this reference.

SECTION 2 Security Interest.

(a) Grant of Security Interest. As security for the payment and performance of the Obligations, Grantor hereby assigns, transfers and conveys to the Secured Party, and grants a security interest in and mortgage to the Secured Party, all of Grantor's right, title and interest in, to and under the following property, in each case whether now or hereafter existing or arising or in which Grantor now has or hereafter owns, acquires or develops an interest and wherever located (collectively, the "Collateral"):

(i) all patents and patent applications, domestic or foreign, all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such patents and patent applications as described in Schedule A), all rights to sue for past, present or future infringement thereof, all rights arising therefrom and pertaining thereto and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

(ii) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names,

all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such marks, names and applications as described in Schedule B), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(iii) the entire goodwill of or associated with the businesses now or hereafter conducted by Grantor connected with and symbolized by any of the aforementioned properties and assets;

(iv) all general intangibles and all intangible intellectual or other similar property of Grantor of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

(v) all proceeds of any and all of the foregoing Collateral (including license royalties, rights to payment, accounts receivable and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance (whether or not CSCC is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Collateral.

(b) Continuing Security Interest. Grantor agrees that this Agreement shall create a continuing security interest in the Collateral which shall remain in effect until terminated in accordance with Section 18.

SECTION 3 Supplement to Security Agreement. The terms and provisions of this Agreement are intended as a supplement to the terms and provisions of the Security Agreement. Grantor acknowledges that the rights and remedies of CSCC with respect to the security interests in the Collateral granted hereby are more fully set forth in the Security Agreement and the other Loan Documents and all such rights and remedies are cumulative.

SECTION 4 Representations and Warranties. Grantor represents and warrants to Secured Party that:

(a) Patents. A true and correct list of all of the existing Collateral consisting of U.S. patents and patent applications and/or registrations owned by Grantor, in whole or in part, is set forth in Schedule A.

(b) Trademarks. A true and correct list of all of the existing Collateral consisting of U.S. trademarks, trademark registrations and/or applications owned by Grantor, in whole or in part, is set forth in Schedule B.

SECTION 5 Covenants. So long as any of the Obligations remain unsatisfied, Grantor agrees that:

(a) Further Acts. On a continuing basis, Grantor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, including appropriate financing and continuation statements and security agreements, and take all such action as may be necessary or advisable or may be requested by CSCC to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection

of the security interest granted or purported to be granted hereby, to ensure Grantor's compliance with this Agreement or to enable CSCC to exercise and enforce its rights and remedies hereunder with respect to the Collateral.

(b) Compliance with Agreement. Grantor shall comply with each of the terms and provisions of this Agreement and the Security Agreement, and not enter into any agreement (including any license agreement) which is inconsistent with the obligations of Grantor under this Agreement, without CSCC's prior written consent.

(c) Liens. Grantor shall keep the Collateral free of all Liens except Permitted Liens.

(d) Disposition of Collateral. Grantor shall not surrender, sell, lease, or otherwise dispose of or transfer any of the Collateral or any right or interest therein, except to the extent permitted by the Loan Documents and except for non-exclusive licenses in the ordinary course of business.

SECTION 6 Future Rights. Except as otherwise expressly agreed to in writing by CSCC, if and when Grantor shall obtain rights to any new patentable inventions or any new trademarks, or become entitled to the benefit of any of the foregoing, or obtain rights or benefits with respect to any reissue, division, continuation, renewal, extension or continuation-in-part of any patents or trademarks, or any improvement of any patent, the provisions of Section 2 shall automatically apply thereto and Grantor shall give to CSCC prompt notice thereof. Grantor shall do all things deemed necessary or advisable by CSCC to ensure the validity, perfection, priority and enforceability of the security interests of CSCC in such future acquired Collateral. Grantor hereby authorizes CSCC to modify, amend, or supplement the Schedules hereto and to reexecute this Agreement from time to time on Grantor's behalf and as its attorney-in-fact to include any such future Collateral and to cause such reexecuted Agreement or such modified, amended or supplemented Schedules to be filed with PTO.

SECTION 7 CSCC Appointed Attorney-in-Fact. CSCC shall have the right to, in the name of Grantor, or in the name of CSCC or otherwise, without notice to or assent by Grantor, and Grantor hereby constitutes and appoints CSCC (and any of CSCC's officers or employees or agents designated by CSCC) as Grantor's true and lawful attorney-in-fact, with full power and authority: (i) to execute in the name of Grantor any financing statement or other instrument and any modification, supplement or amendment to this Agreement (including any described in Section 6), and to sign the name of Grantor on all or any of such documents or instruments and perform all other acts that CSCC deems necessary or advisable in order to perfect or continue perfected, maintain the priority or enforceability of or provide notice of CSCC's security interest in, the Collateral; and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of Grantor, which CSCC may deem necessary or advisable to maintain, preserve and protect the Collateral and to accomplish the purposes of this Agreement, including (A) to defend, settle, adjust or after the occurrence of any Event of Default institute any action, suit or proceeding with respect to the Collateral, (B) to assert or retain any rights under any license agreement for any of the Collateral, including any rights of Grantor arising under Section 365(n) of the Bankruptcy Code, and, (C) after the occurrence of any Event of Default, to execute any and all applications, documents, papers and instruments for CSCC to use the Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Collateral, and to assign, convey or otherwise transfer title in or dispose of the Collateral; provided, however, that in no event shall CSCC have the unilateral power, prior to the occurrence of an Event of Default, to assign any of the Collateral to any Person, including itself, without Grantor's written consent. The foregoing power of attorney is coupled with an interest and

irrevocable so long as the Obligations have not been paid and performed in full. Grantor hereby ratifies, to the extent permitted by law, all that CSCC shall lawfully and in good faith do or cause to be done by virtue of and in compliance with this Section 7.

SECTION 8 CSCC Performance of Grantor Obligations. CSCC may perform or pay any obligation which Grantor has agreed to perform or pay under or in connection with this Agreement, and Grantor shall reimburse CSCC on demand for any amounts paid by CSCC pursuant to this Section 8.

SECTION 9 Secured Party's Duties. Notwithstanding any provision contained in this Agreement, no Secured Party shall have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Grantor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by a Secured Party hereunder, no Secured Party shall have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Collateral.

SECTION 10 Remedies. Upon the occurrence and during the continuance of any Event of Default, CSCC shall have, in addition to all other rights and remedies granted to it in this Agreement, the Credit Agreement or any other Loan Document, all rights and remedies of a secured party under the UCC and other applicable laws. Without limiting the generality of the foregoing, Grantor agrees that CSCC shall at all times have such royalty free licenses, to the extent permitted by law, for any Collateral that is reasonably necessary to permit the exercise of any of CSCC's rights or remedies upon the occurrence and during the continuance of an Event of Default. In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, CSCC shall have the right but shall in no way be obligated to bring suit, or to take such other action as CSCC deems necessary or advisable, in the name of Grantor or CSCC, to enforce or protect any Collateral, and any license thereunder, in which event Grantor shall, at the request of CSCC, do any and all lawful acts and execute any and all documents required by CSCC in aid of such enforcement.

SECTION 11 Notices. All notices or other communications hereunder shall be in writing (including by facsimile transmission) and mailed, sent or delivered to the respective parties hereto at or to their respective addresses or facsimile numbers set forth below their names on the signature pages hereof, or at or to such other address or facsimile number as shall be designated by any party in a written notice to the other parties hereto. All such notices and other communications shall be effective (i) if delivered by hand, when delivered; (ii) if sent by mail, upon the earlier of the date of receipt or five business days after deposit in the mail, first class; and (iii) if sent by facsimile transmission, when sent.

SECTION 12 No Waiver; Cumulative Remedies. No failure on the part of Secured Party to exercise, and no delay in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights and remedies under this Agreement are cumulative and not exclusive of any rights, remedies, powers and privileges that may otherwise be available to Secured Party.

SECTION 13 Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Grantor, Secured Party and their respective successors and assigns. Grantor may not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or

duties hereunder without the prior express written consent of CSCC. Any such purported assignment, transfer, hypothecation or other conveyance by Grantor without the prior express written consent of CSCC shall be void. Grantor acknowledges and agrees that in connection with an assignment of, or grant of a participation in, the Obligations, CSCC may assign, or grant participations in, all or a portion of its rights and obligations hereunder. Upon any assignment of CSCC's rights hereunder, such assignee shall have, to the extent of such assignment, all rights of CSCC hereunder and may in turn assign such rights. Grantor agrees that, upon any such assignment, such assignee may enforce directly, without joinder of CSCC, the rights of CSCC set forth in this Agreement. Any such assignee shall be entitled to enforce CSCC's rights and remedies under this Agreement to the same extent as if it were a "Secured Party" party hereto.

SECTION 14 Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York, except as required by mandatory provisions of law and to the extent the validity or perfection of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than New York.

SECTION 15 Entire Agreement; Amendment. This Agreement contains the entire agreement of the parties with respect to the subject matter hereof and shall not be amended except by the written agreement of the parties.

SECTION 16 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under all applicable laws and regulations. If, however, any provision of this Agreement shall be prohibited by or invalid under any such law or regulation in any jurisdiction, it shall, as to such jurisdiction, be deemed modified to conform to the minimum requirements of such law or regulation, or, if for any reason it is not deemed so modified, it shall be ineffective and invalid only to the extent of such prohibition or invalidity without affecting the remaining provisions of this Agreement, or the validity or effectiveness of such provision in any other jurisdiction.

SECTION 17 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

SECTION 18 Termination. Upon payment and performance in full of all Obligations, the security interests created by this Agreement shall terminate and CSCC shall promptly execute and deliver to Grantor such documents and instruments reasonably requested by Grantor as shall be necessary to evidence termination of all such security interests given by Grantor to CSCC hereunder, including cancellation of this Agreement by written notice from CSCC to the PTO.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement,  
as of the date first above written.
