AGREEMENT

SECTION 1. Security for Obligations.

(a) Security Interest in Patents. To secure the full and prompt payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the Obligations, each Obligor hereby grants and conveys to the Agent,

for the ratable benefit of the Lenders, a valid security interest in all of its right, title and interest in the United States and throughout the world in, to and under all of the now owned and hereafter acquired United States and foreign patents and all patent and design patent applications, and all issues, reissues, re-examinations, continuations, continuations-in-part or divisions thereof, and all proceeds thereof (hereinafter collectively referred to as the "Patents"). All unexpired patents and all currently pending patent applications in which each Obligor has an interest are listed on Schedule A opposite such Obligor's name. Each Obligor hereby further grants, assigns and conveys to the Agent, for the ratable benefit of the Lenders, a valid security interest, having priority over all other security interests in all of the right, title and interest of such Obligor in and to all proceeds, income, royalties, damages and payments now or hereafter due and payable under or in respect of all Patents and in and to all rights during the term of this Agreement to sue, collect and retain damages and payments for past or future infringements of the Patents.

(b) Security Interest in Trademarks. To secure the full and prompt payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the Obligations, each Obligor hereby grants and conveys to the Agent, for the ratable benefit of the Lenders, a valid security interest in all of its right, title and interest in the United States and throughout the world in, to and under all of its now owned and hereafter acquired trademarks, service marks and trade names, and all similar designations of source or origin (whether or not such name is the subject of a registration or an application therefor), and all registrations and applications to register the same, and all renewals thereof, and the goodwill of the business relating thereto, and all proceeds thereof (hereinafter collectively referred to as the "Trademarks"). All trademark registrations and all currently pending trademark applications in which each Obligor has an interest and all foreign trademark registrations and all currently pending trademark applications in which each Obligor has an interest, are listed on Schedule B opposite such Obligor's name. Each Obligor hereby further grants to the Agent, for the ratable benefit of the Lenders, a valid security interest in all of its right, title and interest in and to (i) all proceeds, income, royalties, damages and payments now and hereafter due and payable under or in respect of all Trademarks, (ii) all rights during the term of this Agreement to sue, collect and retain for the Agent's and the Lenders' benefit damages and payments for past or future infringements of the Trademarks and (iii) all rights under or interest in any trademark license agreements or service mark license agreements with any other party, whether any Obligor is a licensee or licensor under any such license agreement, except such license agreements for which consent is required from a third party to grant such security interest and which has not been obtained,

(c) Security Interest in Copyrights. To secure the full and prompt payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the Obligations, each Obligor hereby grants to the Agent, for the ratable benefit of the Lenders, a valid security interest in all of its right, title and interest in the United States and throughout the world in, to and under all of its now owned and hereafter acquired copyrights, and all registrations and applications to register the same, all renewals thereof, any written agreement, naming any Obligor as licensor or licensee, granting any right under any copyright any work which is or may be subject to copyright protection pursuant to Title 17 of the U.S. Code, and all physical things embodying such works (including, without limitation, copies thereof) created or otherwise used in the business of any Obligor, and all proceeds thereof (hereinafter collectively referred to as the "Copyrights"). All copyright registrations and all currently pending copyright applications in which each Obligor has an interest are listed on Schedule C opposite such Obligor's name. Each Obligor hereby further grants to the Agent, for the ratable benefit of the Lenders, a valid security interest in all of its right, title and interest in and to all proceeds, income, royalties, damages and payments now and hereafter due and payable under or in respect of all Copyrights and in and to all rights during the term of this Agreement to sue, collect and retain for the Agent's benefit damages and payments for past or future infringements of the Copyrights.

(d) Security Interest in Proprietary Information. To secure the full and prompt payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the Obligations, each Obligor hereby grants to the Agent, for the ratable benefit of the Lenders, a valid security interest in all of its right, title and interest in the United States and throughout the world in, to and under all of its now owned and hereafter acquired inventions, discoveries, trade secrets, improvements, processes, methods, formulae, applications, ideas, know-how, customer lists, corporate and other business records, license rights, advertising materials, operating manuals, sales literature, drawings, specifications, descriptions, name plates, catalogues, dealer contracts, supplier contracts, distributor agreements, confidential information, consulting agreements, engineering contracts, proprietary information, and goodwill (and all other assets which uniquely reflect such goodwill), and to all income, royalties, damages and payments now and hereafter due and/or payable therefor or in respect thereof and all proceeds thereof (collectively, the "Proprietary Information" and, together with the Patents, the Trademarks, the Copyrights and all

(e) Certain Exclusions from Grant of Security Interests. Anything in this Agreement to the contrary notwithstanding, the foregoing grant, assignment, transfer, and conveyance of security interests shall not extend to, and the term "Copyrights" shall not include, any item of Copyrights described in Section 2(c) above that is now or hereafter held by any Obligor as licensee or otherwise, solely in the event and to the extent that: (i) as the proximate result of the foregoing grant, assignment, transfer, or conveyance of security interests, any Obligor's rights in or with respect to such item of Copyrights would be forfeited or would become void, voidable, terminable, or revocable, or if any Obligor would be deemed to have breached, violated, or defaulted the underlying license or other agreement that governs such item of Copyrights pursuant to the restrictions in the underlying license or other agreement that governs such item of Copyrights; (ii) any such restriction shall be effective and enforceable under applicable law, including Section 9-318(4) of the Uniform Commercial Code (the "UCC"); and (iii) any such forfeiture, voidness, voidability, terminability, revocability, breach, violation, or default cannot be remedied or prevented by any Obligor using its reasonable efforts (but without any obligation to make any material expenditures of money or to commence legal proceedings); provided, however, that the foregoing grant, assignment, transfer, and conveyance of security interests shall extend to, and the term "Copyrights" shall include, (y) any and all proceeds of such item of Copyrights and (z) upon any such licensor or other applicable party's consent with respect to any such otherwise excluded item of Copyrights being obtained, thereafter such item of Copyrights as well as any proceeds thereof that might theretofore have been excluded from such grant, assignment, transfer, and conveyance of security interests and the term "Copyrights."

SECTION 2. Representations, Warranties and Covenants of the Obligors.

(a) Each Obligor is and will continue to be the owner of all of the Intellectual Property Collateral, free from any adverse claim, security interest, lien or encumbrance in favor of any Person except for the security interest granted under the Credit Documents, except as set forth on Schedule D attached hereto and made a part hereof, except for Liens, licenses and other dispositions permitted by the Credit Agreement and except as otherwise expressly permitted pursuant to this Section 2.

(b) None of the Intellectual Property Collateral is or shall become subject to any lien, security interest or

other encumbrance in favor of any Person other than the Agent, except as set forth on Schedule D attached hereto and made a part hereof and except for any Liens, licenses and other dispositions permitted by the Credit Agreement, and each Obligor agrees not to license, transfer, convey or encumber any interest in or to its Intellectual Property Collateral except as permitted by the Credit Agreement. Notwithstanding the foregoing, each Obligor shall be permitted to license (on a non-exclusive basis) any of its Trademarks in the ordinary course of business to (i) third parties for the sole purpose of manufacturing, marketing, advertising, distributing or selling goods or (ii) third parties that do not manufacture, market, advertise, distribute, or sell goods in the United States or to others for sale in the United States. Any license of the Intellectual Property Collateral granted after the Closing Date by any Obligor (each, a "License") shall be in writing and shall not prohibit any Obligor from assigning, transferring, selling, sublicensing or otherwise disposing of all or any of its right, title and interest thereunder to the Agent or its designees in accordance with Section 4 hereof.

(c) Except for Liens, licenses and other dispositions permitted by the Credit Agreement and except as disclosed in Schedule D hereto, no Obligor has made any previous assignment, transfer or agreement in conflict herewith or constituting a present or future assignment, transfer, or encumbrance of any of its Intellectual Property Collateral.

(d) Except as disclosed in Schedule D hereto, there is no financing statement or other document or instrument now signed or on file in any public office granting a security interest in or otherwise encumbering any part of the Intellectual Property Collateral, except those showing the Agent as secured party, except for Liens, licenses and other dispositions permitted by the Credit Agreement. So long as any Obligations or Letters of Credit remain outstanding or any Commitments remain in effect, no Obligor will execute, and there will not be on file in any public office, any such financing statement or other document or instruments, except financing statements filed or to be filed in favor of the Agent and except for the grant of any license.

(e) Subject to any limitation stated therein or in connection therewith, all information furnished to the Agent and the Lenders concerning the Intellectual Property Collateral and proceeds thereof is and will be accurate and correct in all material respects.

(f) Except as disclosed in Schedule D hereto, all Intellectual Property Collateral consisting of applications for Patents and for registrations of Trademarks and Copyrights has been duly and properly filed and all Intellectual Property Collateral consisting of issued or granted Patents and of registrations of .

(g) Promptly upon the receipt by any Obligor of an official filing receipt indicating that a patent application or an application for registration of a trademark has been received from such Obligor by the U.S. Patent and Trademark Office (the "PTO") or an application for registration of a copyright has been received from such Obligor by the U.S. Copyright Office and upon the issuance of any patent or of any trademark or copyright registration, such Obligor shall take all actions and execute and deliver to the Agent all documents necessary or appropriate to perfect a first priority security interest in such patent, trademark or copyright application or such patent or trademark or copyright registration, and each Obligor shall quarterly, or more frequently as the Agent shall reasonably request, cause instruments sufficient to perfect, protect or establish the first priority lien or security interest granted hereunder to be recorded in the PTO with respect to all United States patent applications filed by it or patents issued to it during the prior calendar quarter or preceding period, as the case may be, and with respect to all trademark applications filed by it or trademark registrations issued to it during the prior calendar quarter, such Obligor shall quarterly, or more frequently as the Agent shall request, cause instruments sufficient to perfect, protect or establish the first priority lien or security interest granted hereunder to be recorded in the U.S. Copyright Office with respect to United States copyright applications filed by it or copyright registrations issued to it during the prior calendar quarter or preceding period, as the case may be.

(h) Except for dispositions of the Intellectual Property Collateral permitted by the Credit Agreement, no Obligor shall take any action, or permit any action to be taken by others subject to such Obligor's control, including any such licensees, or fail to take any action, or permit others subject to such Obligor's control, including any such licensees, to fail to take any action, subject to the provisions of Section 2(g), which would, in the case of any such actions or failures to act taken singly or together, adversely affect the validity, grant and enforceability of the security interest granted to the Agent herein; provided, however, that, so long as no Event of Default shall have occurred and be continuing, each Obligor may license (on a non-exclusive basis) all or part of the Intellectual Property Collateral in any lawful manner that is in the ordinary course of business, is deemed to be in the best interest of such Obligor in the exercise of its reasonable business judgment, and is otherwise not explicitly .

prohibited by this Agreement. Notwithstanding the foregoing, the Obligors shall be permitted to abandon or dedicate to the public any of the Trademarks, Patents, Copyrights or other Intellectual Property Collateral in accordance with the terms of Section 2(1).

(i) Each Obligor shall promptly notify the Agent, in writing, of any suit, action, proceeding, claim or counterclaim brought against such Obligor that would reasonably be expected to adversely affect the Intellectual Property Collateral, and shall, on request, deliver to the Agent a copy of all pleadings, papers, orders or decrees theretofore and thereafter filed in any such suit, action or proceeding, and shall keep the Agent duly advised in writing of the progress of any such suit.

(j) In the event of any material infringement of the Intellectual Property Collateral by others or in the event of any other conduct materially detrimental to the Intellectual Property Collateral by others known or brought to the attention of any Obligor, such Obligor shall as promptly as practicable notify the Agent in writing at the address set forth in the Credit Agreement of such infringement or other conduct and the full nature and extent of such infringement or other conduct known to such Obligor.

(k) If requested by the Agent, each Obligor shall provide the Agent a complete report with respect to its Intellectual Property Collateral and all licenses granted thereof granted by such Obligor. Upon request by the Agent, each Obligor shall deliver to counsel for the Agent copies of any such Intellectual Property Collateral and other documents concerned with or related to the prosecution, protection, maintenance, enforcement and issuance of the Intellectual Property Collateral.

(l) Except where the abandonment or dedication to the public of any of the Intellectual Property Collateral is deemed to be in the best interest of any Obligor in the exercise of its reasonable business judgment, such Obligor shall notify the Agent in writing at the address set forth in the Credit Agreement at least 30 days prior to any proposed voluntary abandonment of any of its Intellectual Property Collateral and obtain the prior written consent of the Agent, on behalf of the Majority Lenders or all of the Lenders, as the case may be.

(m) During the term of this Agreement, each Obligor agrees:

(i) whenever any of the registered Trademarks are used by or on behalf of such Obligor to, if reasonably practicable and to the extent consistent with past practice, affix or cause to be affixed a notice that the mark is a registered trademark or service mark, which notice shall be in a form accepted or required by the .

(iii) Without limiting the generality of the foregoing, each Obligor:

(A) authorizes the Agent, in the Agent's sole discretion after ten (10) days prior notice to the Obligors, to modify this Agreement without first obtaining any Obligor's approval of or signature to such modification by amending Schedule A, B or C hereof to include a reference to any right, title or interest in any existing Copyright, Patent or Trademark acquired or developed by any Obligor after the execution hereof, or to delete any reference to any right, title or interest in any Copyright,

SECTION 4. Rights and Remedies Upon an Event of Default.

(a) If any Event of Default shall have occurred and be continuing, then and in every such case, subject to any mandatory requirements of applicable law then in effect, the Agent, in addition to other right and remedies provided for herein and any rights now or hereafter existing under applicable law, shall have all rights and remedies as a secured creditor under the Code in all relevant jurisdictions and may:

(i) personally, or by agents or attorneys, immediately take possession of the Intellectual Property Collateral or any part thereof, from any Obligor or any other Person who then has possession of any part thereof, with or without notice or process of law, and for that purpose may enter upon any Obligor's premises where any of the Intellectual Property Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of any Obligor;

(ii) sell, assign or otherwise liquidate, or direct any Obligor to sell, assign or otherwise liquidate, any or all of the Intellectual Property Collateral or any part thereof, and take possession of the proceeds of any such sale or liquidation;

(b) Any collateral repossessed by the Agent under or pursuant to Section 4(a) and any other Intellectual Property Collateral whether or not so repossessed by the Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Notwithstanding the foregoing, the Agent shall use its reasonable efforts not to make any such disposition or take any other action that would result in harm to or destruction of any of the Intellectual Property Collateral, including without limitation

any naked assignment or license of any Trademark, and shall not disclose any of the Obligor's trade secrets and other proprietary information except if the Person to whom such disclosure is made has entered into an agreement to protect the confidential nature thereof other than if and to the extent that such Person has acquired any such disclosed trade secrets and proprietary information. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' written notice to the applicable Obligor specifying the time at which such disposition is to be made and the intended sale price or other consideration therefor, and shall be subject, for the 10 days after the giving of such notice, to the right of such Obligor or any nominee of such Obligor to acquire the Intellectual Property Collateral involved at a price or for such other consideration at least equal to the intended sale price or other consideration so specified. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than 10 days' written notice to the applicable Obligor specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction (which may, at the option of the Agent, be subject to reserve), after publication of notice of such auction not less than 10 days prior thereto in two newspapers in general circulation in the jurisdiction in which such auction is to be held. To the extent permitted by any such requirement of law, the Agent may bid for and become the purchaser of the Intellectual Property Collateral or any item thereof, offered for sale in accordance with this Section without accountability to any Obligor (except to the extent of surplus money received). If, under mandatory requirements of applicable law, the Agent shall be required to make disposition of the Intellectual Property Collateral within a period of time which does not permit the giving of notice to the applicable Obligor as hereinabove specified, the Agent need give the applicable Obligor only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law. The Agent shall not be obligated to make any sale of Intellectual Property Collateral regardless of notice of sale having been given. The Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.
