GUIDELINES FOR COMPLETING TRADEMARK RECORDATION COVER SHEET

When using this (FORM PTO-1618 A,B, &C), a cover sheet and any necessary continuation sheets must be submitted with each document to be recorded. Enter all required information using standard business block-style print (such as courier 10 pitch). Completed cover sheets will be scanned for image capture. Photocopies of the cover sheets are acceptable. Information required for recordation will be extracted from the cover sheet and cover sheet continuation forms only. Submitted cover sheets and documents will become part of the public record. If a document to be recorded concerns both patents and trademarks, a separate patent and a separate trademark cover sheet, including any attached continuing information, must accompany the document. When the document concerns multiple conveyances or transfers, a cover sheet must be submitted for each, if a separate recordation of each transaction is desired. For assistance in completing this cover sheet and information, call 703 308-9723.

Submission Type - Each submission type requires a new cover sheet. Enter an "X" in the appropriate box indicating the type of submission. If the conveyance document is being submitted for recordation for the first time, enter an "X" in the box for New Assignment. If the submission is a Non-recordation, enter an "X" for Re-submission and provide the document identification number of the original submission. Resubmitted non-recordation documents require a new cover sheet (the new cover sheet shall contain all of the appropriate data and the fee required for recordation). If a previously recorded document requires correction due to a data entry error, enter an "X" for Public Correction and provide the reel and frame number of the original document. Requests to correct the data entry error must be submitted on a new cover sheet. The cover sheet shall contain only the data element in question, the name, date and signature of the person submitting the request, and any other pertinent information, (enter the correspondent's name and address, if it has changed since the document was recorded).
