or more shares of Common Stock by a holder thereof (including, for this purpose, a holder of shares of Common Stock issuable upon conversion of Preferred Stock) shall be aggregated for purposes of determining whether the stock split would result in the issuance of any fractional share. If, after the aforementioned aggregation, the stock split would result in the issuance of a fraction of a share of Common Stock, the number of shares of Common Stock to be issued shall be rounded up to the nearest whole share. Unless otherwise requested by the holders thereof, the share certificates representing the shares outstanding prior to the filing of these Amended and Restated Articles of Incorporation shall represent such number of New Shares as split following the filing of these Amended and Restated Articles of Incorporation. Upon surrender by a holder of Common Stock of a certificate or certificates for Common Stock, duly endorsed, at the office of this corporation, this corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Common Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of New Shares to which such holder shall be entitled as aforesaid.

B. Rights, Preferences and Restrictions of Preferred Stock. The rights, preferences, restrictions and other matters relating to the Preferred Stock are as follows:

1. Dividend Provisions.

(a) The holders of shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall be entitled to receive dividends, out of any assets legally available therefor, prior and in preference to any declaration or payment of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of this corporation) on the Common Stock of this corporation, at the rate of \$0.07 per share of Series A Preferred Stock per annum, \$0.08 per share of Series B Preferred Stock per annum and \$0.09 per share of Series C Preferred Stock per annum ("Preferred Dividend Preference") payable when, as and if declared by the Board of Directors. Such dividends shall not be cumulative. No cash dividend shall be declared or paid with respect to the Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock unless at the same time a like proportionate cash dividend for the same dividend period, ratably in proportion to the respective annual dividend rates set forth above, is declared and paid with respect to the Series A Preferred Stock, the Series B Preferred Stock and the Series C Preferred Stock.

(b) After paying the full Preferred Dividend Preference in any calendar year, whenever this corporation declares a further dividend in such calendar year, the holders of Common Stock and the holders of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall be entitled to receive dividends ratably based on the number of shares of Common Stock held by each (assuming conversion of all such Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock as applicable).

2. Liquidation Preference.

(a) In the event of any liquidation, dissolution or winding up of this corporation, either voluntary or involuntary, the holders of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall be entitled to receive, prior to and in

preference to any distribution of any of the assets of this corporation to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to the sum of (i) \$0.87 for each outstanding share of Series A Preferred Stock (subject to appropriate adjustments for stock splits, stock dividends, combinations or other recapitalizations and hereafter referred to as the "Original Series A Issue Price"), (ii) \$1.00 for each outstanding share of Series B Preferred Stock (subject to appropriate adjustments for stock splits, stock dividends, combinations or other recapitalizations and hereafter referred to as the "Original Series B Issue Price"), and (iii) \$1.00 for each outstanding share of Series C Preferred Stock (subject to appropriate adjustments or stock splits, stock dividends, combinations or other recapitalizations and hereafter referred to as the "Original Series C Issue Price"), and (iv) an amount equal to declared but unpaid dividends on such shares of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock, as applicable. If upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A Preferred Stock, the Series B Preferred Stock, and Series C Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the corporation legally available for distribution shall be distributed ratably among the holders of the Series A Preferred Stock, the Series B Preferred Stock and the Series C Preferred Stock in proportion to the aggregate liquidation preferences of the respective series, and ratably among the holders of that series in proportion to the amount of such stock owned by each such holder.

(b) Upon the completion of the distribution required by subparagraph (a) of this Section 2, if assets remain in this corporation the holders of Common Stock shall be entitled to receive an amount equal to \$0.87 per share (subject to appropriate adjustments for stock splits, stock dividends, combinations or other recapitalizations). If upon the occurrence of such event, the assets and funds thus distributed among the holders of the Common Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the corporation legally available for distribution (after giving effect to the distribution referred to in subsection 2(a) hereof) shall be distributed ratably among the holders of the Common Stock in proportion to the amount of such stock owned by each such holder.

(c) After the distributions described in subsections (a) and (b) above have been paid the remaining assets of the corporation available for distribution to shareholders shall be distributed among the holders of Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock and Common Stock pro rata based on the number of shares of Common Stock held by each (assuming conversion of all such Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock).

(d) A consolidation or merger of this corporation with or into any other corporation or corporations, or a sale, conveyance or disposition of all or substantially all of the assets of this corporation or the effectuation by the corporation of a transaction or series of related transactions in which more than 50% of the voting power of the corporation is disposed of (excluding the issuance of Series A Preferred Stock pursuant to the Series A Preferred Stock Purchase Agreement, the issuance of Series B Preferred Stock pursuant to the Series B Preferred Stock Purchase Agreement and the issuance of Series C Preferred Stock pursuant to a Series C Preferred Stock Purchase Agreement), shall be deemed to be a liquidation, dissolution or

winding up within the meaning of this Section 2; provided, however, that the acquisition of FormWare Corporation pursuant to that certain Agreement and Plan of Reorganization, dated July 24, 1998, among this corporation, Wheel Acquisition Corporation and FormWare Corporation, shall not be deemed to be a liquidation, dissolution or winding up within the meaning of this Section 2.

3. Redemption.

(a) On or at any time after January 1, 2000, upon the receipt by this corporation of the written request of the holders of a majority of the then outstanding Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock treated as a single class ("Redemption Request"), this corporation shall, to the extent it may lawfully do so, redeem (i) all of the shares of Series A Preferred Stock then outstanding by paying in cash therefor a sum per share equal to the Original Series A Issue Price plus an amount equal to declared but unpaid dividends on such share (such total amount is hereinafter referred to as the "Series A Redemption Price"); (ii) all of the shares of Series B Preferred Stock then outstanding by paying in cash therefor a sum per share equal to the Original Series B Issue Price plus an amount equal to declared but unpaid dividends on such share (such total amount is hereinafter referred to as the "Series B Redemption Price"); and (iii) all of the shares of Series C Preferred Stock then outstanding by paying in cash therefor a sum per share equal to the Original Series C Issue Price plus an amount equal to declared but unpaid dividends on such share (such total amount is hereinafter referred to as the "Series C Redemption Price"). Upon the receipt of a Redemption Request, this corporation shall either (A) redeem all of the shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock as applicable, within ninety (90) days of the corporation's receipt of such Redemption Request or (B) redeem all of the shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock as applicable, in three (3) equal semi-annual installments beginning on the anniversary of the Purchase Date (as defined in subsection 4(c)(i)(A) below) of the Series C Preferred Stock in the period immediately following the receipt of the Redemption Request.

(b) With respect to any redemption to be conducted in installments pursuant to subsection 3(a), the corporation shall effect such redemption pro rata according to the number of shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock held by each holder.

(c) At least 20 but no more than 60 days prior to the date fixed for any redemption of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock (the "Redemption Date"), written notice shall be mailed, first class postage prepaid, to each holder of record (at the close of business on the business day next preceding the day on which notice is given) of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock as applicable, to be redeemed, at the address last shown on the records of this corporation for such holder or given by the holder to this corporation for the purpose of notice or if no such address appears or is given at the place where the principal executive office of this corporation is located, notifying such holder of the redemption to be effected, specifying the number of shares to be redeemed from such holder, the Redemption Date, the Series A Redemption Price, Series B Redemption Price or Series C Redemption Price as applicable, the place at which payment may

be obtained and the date on which such holder's Conversion Rights (as hereinafter defined) as to such shares terminate and calling upon such holder to surrender to this corporation, in the manner and at the place designated, his certificate or certificates representing the shares to be redeemed (the "Redemption Notice"). Except as provided in subsection 3(d) and except as prohibited by applicable California corporate law, on or after the Redemption Date, each holder of Preferred Stock to be redeemed shall surrender to this corporation the certificate or certificates representing such shares, in the manner and at the place designated in the Redemption Notice, and thereupon the Series A Redemption Price, Series B Redemption Price or Series C Redemption Price as applicable, of such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof and each surrendered certificate shall be cancelled. In the event less than all the shares represented by any such certificate are redeemed, a new certificate shall be issued representing the unredeemed shares.

(d) From and after the Redemption Date, unless there shall have been a default in payment of the Series A Redemption Price, Series B Redemption Price or Series C Redemption Price as applicable, all rights of the holders of such shares as holders of Preferred Stock (except the right to receive the Series A Redemption Price, Series B Redemption Price or Series C Redemption Price as applicable, without interest upon surrender of their certificate or certificates) shall cease with respect to such shares, and such shares shall not thereafter be transferred on the books of this corporation or be deemed to be outstanding for any purpose whatsoever. If the funds of the corporation legally available for redemption of shares of Preferred Stock on any Redemption Date are insufficient to redeem the total number of shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock to be redeemed on such date, those funds which are legally available will be used to redeem the maximum possible number of such shares ratably among the holders of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock in proportion to the respective Series A Redemption Price, Series B Redemption Price and Series C Redemption Price and ratably among the holders of each series in proportion to the amount of such stock owned by each such holder. The shares of Preferred Stock not redeemed shall remain outstanding and entitled to all the rights and preferences provided herein. At any time thereafter when additional funds of the corporation are legally available for the redemption of shares of Preferred Stock, such funds will immediately be used to redeem the balance of the shares which the corporation has become obligated to redeem on any Redemption Date but which it has not redeemed.

4. Conversion. The holders of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) Right to Convert.

(i) Subject to subsection 4(c), each share of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share and prior to the close of business on any Redemption Date as may have been fixed in any Redemption Notice with respect to such share, at the office of this corporation or any transfer agent for the particular series of Preferred Stock, into such number of fully paid and nonassessable shares of Common

Stock as is determined by dividing (A) the Original Series A Issue Price for each share of Series A Preferred Stock; (B) the Original Series B Issue Price for each share of Series B Preferred Stock and (C) the Original Series C Issue Price for each share of Series C Preferred Stock plus all declared but unpaid dividends thereon for each share of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock by the applicable Conversion Price at the time in effect for such share. The initial Conversion Price per share for shares of Series A Preferred Stock shall be the Original Series A Issue Price, the initial Conversion Price per share for shares of Series B Preferred Stock shall be the Original Series B Issue Price, and the initial Conversion Price per share for shares of Series C Preferred Stock shall be the Original Series C Issue Price; provided, however, that the Conversion Price for the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall be subject to adjustment as set forth in subsection 4(c).

(ii) In the event of a call for redemption of any shares of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock pursuant to Section 3 hereof, the Conversion Rights shall terminate as to the shares designated for redemption at the close of business on the Redemption Date, unless default is made in payment of the Series A Redemption Price, Series B Redemption Price or Series C Redemption Price as applicable, in which case the Conversion Rights shall terminate on the date such payment of the Series A Redemption Price, Series B Redemption Price or Series C Redemption Price as applicable, is made.

(iii) Each share of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall automatically be converted into shares of Common Stock at the Conversion Price at the time in effect for such shares immediately upon the earlier of (A) the consummation of the corporation's sale of its Common Stock pursuant to a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), or (B) the date upon which the corporation obtains the consent of the holders of a majority of the then outstanding shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock treated as a single class on an as converted basis.

(b) Mechanics of Conversion. Before any holder of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock shall be entitled to convert the same into shares of Common Stock, he shall surrender the certificate or certificates therefor, duly endorsed, at the office of this corporation or of any transfer agent for the particular series of Preferred Stock and shall give written notice by mail, postage prepaid, to this corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. This corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Series A Preferred Stock and/or Series B Preferred Stock and/or Series C Preferred Stock or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Series A Preferred Stock and/or Series B Preferred Stock and/or Series C Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record

holder or holders of such shares of Common Stock as of such date. If the conversion is in connection with an underwritten offer of securities registered pursuant to the Securities Act, the conversion may, at the option of any holder tendering Series A Preferred Stock and/or Series B Preferred Stock and/or Series C Preferred Stock for conversion, be conditioned upon the closing with the underwriter of the sale of securities pursuant to such offering, in which event the person(s) entitled to receive the Common Stock issuable upon such conversion of the Series A Preferred Stock and/or Series B Preferred Stock and/or Series C Preferred Stock shall not be deemed to have converted such Series A Preferred Stock and/or Series B Preferred Stock and/or Series C Preferred Stock until immediately prior to the closing of such sale of securities.

(c) Conversion Price Adjustments of Preferred Stock. The Conversion Price of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall be subject to adjustment from time to time as follows:

(i) A. Upon each issuance by the corporation of any Additional Stock (as defined in subsection 4(c)(ii) below), after the date upon which any shares of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock were first issued (the "Purchase Date" with respect to such series), without consideration or for a consideration per share less than the Conversion Price for the Series A Preferred Stock, the Conversion Price for the Series B Preferred Stock or the Conversion Price for the Series C Preferred Stock in effect immediately prior to the issuance of such Additional Stock, the Conversion Price for the Series A Preferred Stock, Series B Preferred Stock or the Series C Preferred Stock as the case may be, in effect immediately prior to each such issuance shall forthwith (except as otherwise provided in this clause (i)) be adjusted to a price determined by multiplying the applicable Conversion Price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issuance (including, without limitation, the number of shares of Common Stock issuable upon the conversion of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock) plus the number of shares of Common Stock which the aggregate consideration received by the corporation for such issuance would purchase at such Conversion Price; and the denominator of which shall be the number of shares of Common Stock outstanding immediately prior to such issuance (including, without limitation, the number of shares of Common Stock issuable upon the conversion of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock) plus the number of shares of such Additional Stock.

B. No adjustment of the Conversion Price for the Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock shall be made in an amount less than one cent per share, provided that any adjustments which are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to 3 years from the date of the event giving rise to the adjustment being carried forward, or shall be made at the end of 3 years from the date of the event giving rise to the adjustment being carried forward. Except to the limited extent provided for in subsections (E)(3) and (E)(4), no adjustment of such Conversion Price pursuant to this subsection 4(c)(i) shall have the effect of increasing the Conversion Price above the Conversion Price in effect immediately prior to such adjustment.

way affected by or computed using such options, rights or securities, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the exercise of any such options or rights or the conversion or exchange of such securities.

4. Upon the expiration of any such options or rights, the termination of any such rights to convert or exchange or the expiration of any options or rights related to such convertible or exchangeable securities, the applicable Conversion Price of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock, as applicable, to the extent in any way affected by or computed using such options, rights or securities or options or rights related to such securities, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and convertible or exchangeable securities which remain in effect) actually issued upon the exercise of such options or rights, upon the conversion or exchange of such securities or upon the exercise of the options or rights related to such securities.

5. The number of shares of Common Stock deemed issued and the consideration deemed paid therefor pursuant to subsections 4(c)(i)(E)(1) and (2) shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either subsection 4(c)(i)(E)(3) or (4).

(ii) "Additional Stock" shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to subsection 4(c)(i)(E)) by this corporation after the applicable Purchase Date other than:

A. shares of Common Stock issued pursuant to a transaction described in subsection 4(c)(iii) hereof,

B. shares of Common Stock issued upon conversion of shares of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock,

C. shares of Common Stock issuable or issued to employees, consultants or directors of this corporation, or to vendors, suppliers, customers or other persons or organizations with which the corporation has a commercial relationship, at any time when the total number of shares of Common Stock so issuable or issued (and not repurchased at cost by the corporation in connection with the termination of employment or the commercial relationship) does not exceed 2,788,000 (subject to appropriate adjustments for stock splits, stock dividends, combinations or other recapitalizations) subsequent to the Purchase Date with respect to the Series A Preferred Stock,

D. shares of Common Stock issued or issuable (I) in a public offering before or in connection with which all outstanding shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock will be converted to Common Stock or (II) upon exercise of warrants or rights granted to underwriters in connection with such a public offering, or

E. shares of the corporation's Common Stock issued to holders of FormWare Corporation's common stock pursuant to that certain Agreement and Plan of Reorganization, dated July 24, 1998, among this corporation, Wheel Acquisition Corporation and FormWare Corporation (the "Merger Agreement"), and any shares of the corporation's Common Stock issued to holders of options and warrants to purchase shares of FormWare's common stock assumed by the corporation pursuant to the Merger Agreement.

(iii) In the event the corporation should at any time or from time to time after the applicable Purchase Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (hereinafter referred to as "Common Stock Equivalents") without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the applicable Conversion Price of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock then in effect shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents.

(iv) If the number of shares of Common Stock outstanding at any time after the applicable Purchase Date is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination, the applicable Conversion Price for the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock then in effect shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares.

(d) Other Distributions. In the event this corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by this corporation or other persons, or assets (excluding cash dividends) or options or rights not referred to in subsection 4(c)(iii), then, in each such case for the purpose of this subsection 4(d), the holders of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the corporation into which their shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the corporation entitled to receive such distribution.

(e) Recapitalizations. If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4), provision shall be made so that the holders of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock

shall thereafter be entitled to receive upon conversion of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock respectively, the number of shares of stock or other securities or property of the Company or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock after the recapitalization to the end that the provisions of this Section 4 (including adjustment of the Conversion Price then in effect for each series and the number of shares purchasable upon conversion of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock) shall be applicable after that event as nearly equivalent as may be practicable.

(f) No Impairment. This corporation shall not, by amendment of its Articles of Incorporation or through any reorganization, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by this corporation, but shall at all times in good faith assist in the carrying out of all the provisions of this Section 4 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock against impairment.

(g) No Fractional Shares and Certificate as to Adjustments.

(i) No fractional shares shall be issued upon conversion of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock and the number of shares of Common Stock to be issued shall be rounded to the nearest whole share. Whether or not fractional shares are issuable upon such conversion shall be determined on the basis of the total number of shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock pursuant to this Section 4, this corporation, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. This corporation shall, upon the written request at any time of any holder of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the applicable Conversion Price at the time in effect, and (C) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of a share of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock.

(h) Notices of Record Date. In the event of any taking by this corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, this corporation shall mail to each holder of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock at least 20 days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right.

(i) Reservation of Stock Issuable Upon Conversion. This corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock solely for the purpose of effecting the conversion of the shares of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock, in addition to such other remedies as shall be available to the holder of such Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock, this corporation shall take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes.

(j) Notices. Any notice required by the provisions of this Section 4 to be given to the holders of shares of Series A Preferred Stock, Series B Preferred Stock, or Series C Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of this corporation.

5. Voting Rights.

(a) General Voting Rights. The holder of each share of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock shall have the right to one vote for each share of Common Stock into which such Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock could then be converted (with any fractional share determined on an aggregate conversion basis being rounded to the nearest whole share), and with respect to such vote, such holder shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled, notwithstanding any provision hereof, to notice of any shareholders' meeting in accordance with the By-laws of this corporation, and shall be entitled to vote, together as a single class with holders of Common Stock, with respect to any question upon which holders of Common Stock have the right to vote, except for the election of directors as provided in subsection 5(b) below.

(b) Election of Directors. Notwithstanding subsection 5(a) above, the holders of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock, voting together as a separate class on an as converted basis, shall be entitled to elect two (2)

directors of the corporation and the holders of Common Stock, voting as a separate class, shall be entitled to elect four (4) directors. At any meeting held for the purpose of electing or nominating directors, the presence in person or by proxy of the holders of a majority of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock then outstanding, treated together as a single class on an as converted basis, shall constitute a quorum of the Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock for the election or nomination of directors to be elected or nominated solely by the holders of Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock. At any meeting held for the purpose of electing directors, the presence in person or by proxy of the holders of a majority of the Common Stock then outstanding shall constitute a quorum of the Common Stock for the election of directors to be elected by the holders of Common Stock.
