TRADEMARK ASSIGNMENT

This Trademark Assignment is made as of August 20, 1997, by AMERITECH CORPORATION, a Delaware corporation ("Ameritech") in favor of AMERITECH KNOWLEDGE DATA, INC., a Delaware corporation, and its successors and assigns ("AKD"). All undefined capitalized terms shall have the meanings set forth in the Purchase Agreement (the "Agreement"), dated as of July 16, 1997, by and among AMERITECH HEALTH CONNECTIONS, INC., a Delaware corporation ("Seller"), AMERITECH INFORMATION SYSTEMS, INC., a Delaware corporation ("AIS") and SPACELABS MEDICAL, INC., a California corporation ("Purchaser").

The Agreement provides, among other things, for the transfer to Purchaser of the trademarks set forth in Schedule 3.13(a) to the Agreement (the "Trademarks") owned by Ameritech. Purchaser has specified that transfer of the Trademarks pursuant to the Agreement shall be made to AKD prior to Closing. This instrument is made and delivered in accordance with, and as additional documentation of, the Agreement, and to assure the assignment by Seller to AKD of the Trademarks.

THEREFORE, pursuant to the Agreement, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Ameritech hereby sells, assigns, conveys and transfers to AKD all right, title and interest in and to trade names or trademarks listed on Schedule 1, attached hereto and incorporated herein by this reference and all goodwill of Ameritech associated therewith.

From and after the date hereof, Ameritech, upon the reasonable request of AKD, shall without further consideration execute, acknowledge and deliver all such other instruments of transfer and conveyance and do and perform all such other acts and things as AKD may reasonably require to more effectively carry out the intent of this Trademark Assignment.

The interpretation of this Trademark Assignment and the rights and obligations of Ameritech and AKD shall be construed and enforced in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, this instrument has been executed by Ameritech as of the date set forth above.
