## BILL OF SALE AND ASSIGNMENT AGREEMENT

This Bill of Sale and Assignment Agreement (the "Agreement") is by and between **U.S.F. Surface Preparation Group, Inc.**, a Georgia corporation and **United States Filter Corporation**, a Delaware corporation (collectively called "Seller"), and **Sheree Moore and Thomas Page**, jointly ("Purchasers").

### WITNESSETH:

WHEREAS, Seller and Pro Earth, LLC are the parties to that certain Letter Agreement dated \_\_\_\_\_, 2000 (the "Letter Agreement"), providing for the assignment to Pro Earth, LLC or its assignees and sale to Pro Earth, LLC or its assignees of specific assets of Seller in consideration of the payment of the agreed purchase price by Pro Earth, LLC or its assignee to Seller;

WHEREAS, Pro Earth, LLC hereby assigns, conveys and grants to Purchaser all of its rights, title, and interests in and to the Letter Agreement with regards to the assets purchased herein; and

NOW, THEREFORE, in consideration of the purchase price, the consideration herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Purchasers hereby agree as follows:

1. All capitalized terms shall have the following meaning:

"Affiliates" shall mean any persons that, directly or indirectly, control or are controlled by or are under common control with any other persons. As used in the preceding sentence, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of the entity referred to, whether through ownership of voting securities, by contract, or otherwise, and the term "controlling" and "controls" shall have meanings correlative to the foregoing. As used in the first sentence of this paragraph defining Affiliates, "persons" shall mean any individuals or entities and any heirs, executors, administrators, legal representatives, successors or assigns thereof where the context so admits.

"Assets" shall have the meaning stated in Section 2.

"Effective Date" shall mean the date upon which this letter agreement has been signed by USF.

"Pro Earth" shall mean Pro Earth, LLC, a Texas limited liability company, or its assignee.

"Purchase Price" shall mean \$2,096,447.00 as determined in accordance with Exhibit "B" attached hereto.

“Technology” shall mean U.S. Patent No. 5469597, U.S. Patent No. 5704989 (the “Patents”) and the documentation directly relating to the Patents, the trade name “VaxJet,” and the domain name “VaxJet.com” and variants thereof, and, to the extent directly derived from the Patents and used in the manufacture and sale of mobile surface preparation equipment utilizing continuous water recycling, trade secrets, confidential information and other directly derived intellectual properties.

2. Transfer of Assets. Seller hereby conveys, grants, bargains, sells, transfers, sets over, delivers, and assigns unto Purchasers and their successors and assigns, and Purchasers hereby acquires from Seller, all of Seller’s right, title and interest in and to the equipment and patents (the “Assets”), more specifically described in Exhibit “A” attached hereto. TO HAVE AND TO HOLD such Assets unto the Purchasers, their successors and assigns, and for their use forever.

3. Purchase Price. Upon the Effective Date of this Agreement Purchasers shall deliver by wire transfer \$2,096,447.00 (the “Purchase Price”) in good funds to Seller. The Purchase Price is allocated among the components as set forth on Exhibit “B.”

4. Representations and Warranties by Seller. Seller represents and warrants to Purchasers as follows:

(a) Seller has good and valid title to the Assets. Seller has the complete and unrestricted right, power, and authority to sell, transfer, and assign the Assets pursuant to this Agreement. The delivery of the Assets to the Purchasers as herein contemplated will vest in the Purchasers good and valid title to all the Assets.

(b) Seller will not reveal any proprietary information involved with the Patents to any person, firm, or entity.

(c) There are no outstanding options, licenses or agreements of any kind relating to the use of the Assets.

(d) Seller has the full right and power to enter into this Agreement and sell, assign and transfer the Assets, and Seller has not entered into or will enter into any other agreement in conflict with this Agreement.

(e) Seller is duly incorporated and validly existing in Georgia and Delaware, in good standing under the laws of Georgia and Delaware, with corporate power and authority to carry on its business as presently conducted.

(f) This Agreement will transfer all of the Assets to Purchasers free and clear of all liens, claims and encumbrances whatsoever.

(g) There are no legal actions, suits, arbitrations, or other legal, administrative or other governmental proceedings pending or overtly threatened against Seller regarding its ownership or use of the Assets.

(h) Seller will permit Sheree Moore and Thomas Page to place forwarding messages on their office voice mail in the offices of Seller for 90 days and will advise customers and other callers where Sheree Moore and Thomas Page may be located after Closing.

5. Noncompetition Covenant. Other than the specific assets which are described on **Exhibit "C"** hereof, which assets may be retained and/or sold by Seller to third parties and other than relating to the use of other assets already purchased by Seller or its Affiliates (referred to collectively herein as "Seller's Assets"), Seller agrees that neither Seller nor its Affiliates will, without the consent of the Purchasers use the Technology within the geographical boundaries of the United States and its territories and will not use or market, sell or transfer the Technology outside the geographical boundaries of the United States and its territories for a period of seven years following the effective date of this Agreement or the term of the Patents, whichever is longer. Seller acknowledges that a remedy at law for any breach or attempted breach of this Section 5 will be inadequate and further agrees that any breach of this Section 5 will result in irreparable harm to the Purchasers and their business and the Purchasers shall, in addition to any other remedy that may be available to them, be entitled to specific performance and injunctive and other equitable relief in case of any such breach or attempted breach. Seller acknowledges that this covenant not to compete is being provided in order to induce the Purchasers to acquire the Assets and that this Section 5 contains reasonable limitations as to time, geographical area and scope of activity to be restrained that do not impose a greater restraint than is necessary to protect the goodwill or other business interest of the Purchasers. Whenever possible, each provision of this Section 5 shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Section 5 shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Section 5 but shall be confined in its operation to the provision of this Section 5 directly involved in the controversy in which such judgment shall have been rendered. In the event that the provisions of this Section 5 should ever be deemed to exceed the time or geographic limitations permitted by applicable laws, then such provision shall be reformed to the maximum time or geographic limitations permitted by applicable law.

6. Purchasers' Representations. Purchasers represent and warrant to Seller as follows:

(a) Purchasers shall assume all liability for warranty claims made after the Effective Date in connection with the Technology and the Assets, notwithstanding the fact that such claims may arise out of incidents which occur before Closing, but with the exception that Purchaser shall not assume and shall not be liable for any warranty claims arising out of breaches of the warranty provided by U.S. Filter Schmidt, Inc. in connection with the Assets. U.S. Filter Schmidt, Inc. shall provide its standard warranty with respect to workmanship only.

(b) Purchasers shall assume all liability for collecting the accounts receivable set forth on the Financial Schedule and shall hold harmless and release Seller from any liability with respect to such accounts receivable, including their collectibility.

(c) Seller shall have the right, power and authority to retain or to sell to third parties any Seller's Assets without any obligation to pay royalties on such Seller's

Assets to Pro Earth, LLC, Sheree Moore or Thomas Page. The use or the sale by Seller of such Seller's Assets shall not be deemed to be a breach of the noncompetition covenant from Seller to Purchasers.

7. Indemnification. Each Party ("Indemnitor") hereby agrees to indemnify and hold harmless the other party ("Indemnitee") against and in respect of all claims, actions, demands, losses, costs, expenses, liabilities, penalties, and other damages, including without limitation reasonable counsel fees and other costs and expenses reasonably incurred in investigating or in attempting to avoid same or oppose the imposition thereof or in enforcing any indemnification under this Agreement sustained by Indemnitee from any inaccurate representation made by Indemnitor in or pursuant to this Agreement, any breach of any of the warranties made by Indemnitor in or pursuant to this Agreement or breach or default in the performance by Indemnitor of any of the obligations to be performed by it hereunder or, in each case noted above, in any certificate, agreement or any instrument executed by the Indemnitor, or document prepared and delivered by the Indemnitor, pursuant to this Agreement.

8. Further Conveyances. Seller covenants and agrees with Purchasers that Seller will, whenever and as often as required to do so by Purchasers, their successors and assigns, do, execute, acknowledge and deliver such other instruments of conveyance and transfer and take such other action as may reasonably be required more effectively to convey, transfer to and vest in Purchasers, their successors and assigns, and to put Purchasers, their successors and assigns, in possession of the Assets conveyed, transferred and delivered hereunder, and in the case of contracts, leases and other property rights or interests, if any, which cannot be transferred effectively without the consent of third parties to use their best efforts to obtain such consents and to take such other action as may be reasonably necessary to assure to Purchasers, their successors and assigns, all rights and benefits thereof.

9. Choice of Law. This Agreement shall be construed and enforced in accordance with the substantive laws of the State of Texas.

10. Miscellaneous.

(a) Successors and Assigns. This Agreement shall be binding upon Seller and Purchaser and their respective successors and assigns.

(b) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

(c) Headings. The headings of particular provisions of this Agreement are inserted for convenience only and shall not be construed as a part of this Agreement or serve as a limitation or expansion on the scope of any term or provision of this Agreement.
