TRADEMARK COLLATERAL SECURITY AGREEMENT

WHEREAS, Bio-Plexus, Inc., an obligor under certain notes and security agreements (“Obligor”) has adopted, intends to use, or has used and is using the trademarks and service marks listed on the annexed Appendix, which trademarks and service marks are registered in the United States Patent and Trademark Office and/or trademark offices or the equivalent thereof, or applications therefor have been filed (collectively, the “Trademarks”); and

WHEREAS, Obligor was obligated to Appaloosa Investment Limited Partnership I, a limited partnership organized under the laws of the State of Delaware (referred to herein as the “Bridge Holder”) under certain Transaction Documents (as such term is defined in the 7.5% Secured Note, dated October 21, 1999 (as such 7.5% Secured Note may be amended and restated from time to time, the “7.5% Note”)), and the Obligor entered into a Security Agreement, dated October 21, 1999 (as such Security Agreement may be amended and restated from time to time, the “Bridge Security Agreement”), in favor of the Bridge Holder; and

WHEREAS, pursuant to the Bridge Security Agreement, Obligor granted to the Bridge Holder a security interest in, and mortgage on, all right, title and interest of Obligor in and to the Trademarks, together with the goodwill of the business and the business or portion thereof to which each of the Trademarks and the applications and registrations thereof, relate and pertain and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof, to secure the payment, performance and observance of the Secured Obligations (as defined in the 7.5% Note), as identified in the Trademark Collateral Security Agreements executed on October 21, 1999 and January 5, 2000, recorded in the U.S. Patent and Trademark Office on November 11, 1999, at Reel and Frame No. 001987/0172, and forwarded for recording in the U.S. Patent and Trademark Office on January 31, 2000 (collectively, the “Bridge Collateral Agreement”) (attached as Exhibit A hereto); and

WHEREAS, Obligor is obligated to Appaloosa Investment Limited Partnership I, L.P., Palomino Fund Ltd. and Tersk LLC (together with their respective successors or assigns, the “Holders”) under the Transaction Documents (as such term is defined in the Convertible Note Purchase Agreement, dated the date hereof (as such Convertible Note Purchase Agreement may be amended and restated from time to time, the “Note Purchase Agreement”)) (the “Current Transaction Documents”), and Obligor has entered into a Security Agreement, dated the date hereof (the “Security Agreement”), in favor of the Holders, with Appaloosa Management, L.P. as the collateral agent for the Holders (the “Collateral Agent”); and

WHEREAS, the Bridge Holder has agreed to release its security interest in, and mortgage on, and assign to Obligor any and all interest it may have in, certain of the Trademarks of the Obligor as described in the Bridge Collateral Agreement attached as Exhibit A hereto (the “Released Trademarks”), and, pursuant to the Security Agreement, Obligor has granted to the Collateral Agent, for the benefit of the Holders, a security interest in, and mortgage on, all right, title and interest of Obligor in and to the Trademarks, together with the goodwill of the business and the business or portion thereof to which each of the Trademarks and the applications and

registrations thereof, relate and pertain and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof (the "Trademark Collateral"), to secure the payment, performance and observance of the Secured Obligations (as defined in the Note Purchase Agreement) (the "Current Secured Obligations");

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged:

Bridge Holder hereby releases its security interest in, and mortgage on, and assigns to Obligor its entire right, title and interest in, all Released Trademarks listed in the Bridge Collateral Agreement attached as Exhibit A hereto, including all goodwill symbolized thereby, connected therewith or relating thereto, and declares as null and void all liens, security interests, and other claims, including any claim of ownership, of the Bridge Holder with respect to the Released Trademarks arising from the Bridge Security Agreement and the Bridge Collateral Agreement (attached as Exhibit A hereto) and any other previously executed collateral documents, or otherwise.

This RELEASE of security interest and collateral assignment has been executed and delivered by the Bridge Holder for the purpose of releasing, removing, or otherwise eliminating the security interest and assignment of the Bridge Holder in the Released Trademarks that has been filed with the United States Patent and Trademark Office and, to the extent required, any other such offices in other countries of the world.

Obligor does hereby grant to the Collateral Agent, for the benefit of the Holders, a security interest in, and mortgage on, the Trademark Collateral to secure the prompt payment, performance and observance of the Current Secured Obligations and obligations of every kind and nature of the Obligor now or hereafter incurred, existing or created, to the Holders, including without limitation a grant to the Holders of the right to inspect the premises, goods, or services relating to each of the Trademarks.

Obligor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent, for the benefit of the Holders, with respect to the security interest in and mortgage on the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement and the Current Transaction Documents, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.
