RECITALS

A. The Assignor, NIM Holdings Limited, a company organized and existing under the laws of England and Wales ("NIM Holdings"), Berry Plastics UK Limited, a company organized and existing under the laws of England and Wales ("Berry UK"), the Agent and certain of the Lenders are parties to that certain Second Amended and Restated Financing and Security Agreement dated as of July 2, 1998 (as amended, restated, supplemented or otherwise modified, the "Original Credit Agreement"). Pursuant to the provisions of the Original Credit Agreement, the Assignor applied to the Lenders for credit facilities consisting of (i) a revolving credit facility in the maximum principal amount of \$70,000,000 (the "Domestic Revolving Credit Facility"), (ii) a letter of credit facility in the maximum principal amount of \$5,000,000 (the "Domestic Letter of Credit Facility"), as part of that revolving credit facility, (iii) a term loan facility in the maximum principal amount of \$35,828,079 ("Term Loan A"), (iv) a term loan facility in the maximum principal amount of \$36,500,000 ("Term Loan B"), (iv) a standby letter of credit facility in the maximum principal amount of \$18,852,000 ("the "Bond Letter of Credit Facility"), (v) a special source bond facility in the maximum principal amount of \$860,575.07 (the "Special Source Bond"), all to be used by the Assignor for the Permitted Uses described in the Original Credit Agreement. In addition, the Assignor, NIM Holdings and Berry UK applied to the UK Lender (as defined in the Original Credit Agreement) for (i) a revolving credit facility in the maximum principal amount of £1,500,000 (the "UK Revolving Loan") and (ii) a term loan facility in the maximum principal amount of £4,500,000 (the "UK Term Loan").

B. Payment and performance of the obligations, liabilities and indebtedness under and in connection with the Original Credit Agreement are secured by, among other things, that certain collateral assignment of trademarks as security dated as of January 21, 1997 from the Assignor (as amended, restated, supplemented or otherwise modified in writing at any time and from time to time, collectively, the "Original Trademark Assignment"). The Original Trademark Assignment grants and assigns to the Agent for the benefit of the Lenders ratably and the Agent a lien on, assignment of, and security interest in, certain trademarks then owned by the Assignor, including those trademarks listed on SCHEDULE A attached hereto and made a part hereof (the "Existing Trademarks").

C. The Bond Letter of Credit Facility originally consisted of three (3) letters of credit issued in connection with certain obligations of the Assignor and/or one or more of the Assignor's subsidiaries under certain bond obligations (the "Bond Letters of Credit"). Subsequently, two (2) of the three (3) Bond Letters of Credit have expired and/or been

terminated, such that as of the date of this Assignment there remains outstanding only a single Bond Letter of Credit. In addition, since the execution and delivery of the Original Credit Agreement, all obligations of the Assignor under and in connection with the Special Source Bond have been repaid in full.

Immediately upon closing and consummation of the Assignor's acquisition of the Poly-Seal Stock, the Assignor intends to merge Berry Plastics Acquisition Corp., a corporation organized and existing under the laws of the State of Delaware ("Berry Acquisition") into Poly-Seal such that Poly-Seal will be the surviving corporation. Following the Assignor's acquisition of the Poly-Seal Stock and the merger of Berry Acquisition into Poly-Seal, Poly-Seal will be a wholly-owned subsidiary of the Assignor.

E. In connection with the purchase of the Poly-Seal Stock, the Borrower has requested that the Agent and the Lenders agree (i) to readvance a portion of Term Loan A previously repaid by the Borrower such that as of the date of this Assignment, the unpaid principal balance of Term Loan A shall be in an amount up to, but not exceeding \$63,000,000, (ii) to readvance a portion of Term Loan B previously repaid by the Borrower such that as of the date of this Assignment, the unpaid principal balance of Term Loan B shall be equal to \$17,500,000, and (iii) otherwise to amend certain terms and conditions of the Original Credit Agreement. F. The Assignor, the Agent and the Lenders have agreed to amend and restate the Original Credit Agreement in accordance with the terms and conditions of that certain Third Amended and Restated Financing and Security Agreement dated the date hereof by and among the Assignor, NIM Holdings, Berry UK, the Agent and the Lenders (as amended, restated, supplemented or otherwise modified, the "Financing Agreement"). Under the terms of the Financing Agreement, the Lenders have made the following credit facilities available to the Assignor, NIM Holdings and Berry UK: (i) a revolving credit facility available to the Assignor in the maximum principal amount of \$70,000,000, (ii) a letter of credit facility available to the Assignor in the maximum principal amount of \$5,000,000, as part of that revolving credit facility, (iii) a term loan facility available to the Assignor in the maximum principal amount of \$63,000,000, (iv) an additional term loan available to the Assignor in the maximum principal amount of \$17,500,000 (v) a bond letter of credit facility in the maximum principal amount of \$4,180,822, (vi) a revolving credit facility available to NIM Holdings and Berry UK up to a maximum principal amount of £1,500,000 and (vii) a term loan available to NIM Holdings up to

The Assignor has adopted, used and is using certain trademarks as listed on SCHEDULE A attached hereto and made a part hereof and has applied for or has pending the trademarks also as listed on SCHEDULE A (collectively, the "Trademarks"); the Trademarks include the Existing Trademarks.

H. The Financing Agreement and certain other Financing Documents contain security agreements under which the Assignor has granted to the Agent for the benefit of the Agent and for the ratable benefit of the Lenders, a Lien on, and security interest in, certain assets of the Assignor associated with or relating to products sold under any one or more of the Trademarks and under which the Agent is entitled to foreclose or otherwise deal with the Trademarks under the terms and conditions set forth in the Financing Agreement.

Notwithstanding anything to the contrary contained herein, the Collateral shall not include any Trademarks (other than registered Trademarks) to the extent the grant of an assignment and security interest pursuant hereto in the Assignor's right, title and interest in such item of property is prohibited by an applicable contractual obligation or requirement of law or would give any other Person the right to terminate its obligations with respect to such item (it being understood and agreed, however, that notwithstanding the foregoing, all rights to payment for money due or to become due pursuant to any such excluded item of property shall be subject to the security interests created hereby and it being further understood and agreed that any such excluded item shall be included as part of the Trademarks if and to the extent any applicable prohibition on the collateral assignment of such item shall be unenforceable under the applicable Uniform Commercial Code as now or hereafter in effect).
