## ADDITIONAL SECURITY AGREEMENT – TRADEMARKS

**THIS ADDITIONAL SECURITY AGREEMENT** (this “**Agreement**”) is made and dated as of this 27th day of April, 2000, by and between **LINCOLN SNACKS COMPANY**, a Delaware corporation (the “**Grantor**”) having its principal place of business and chief executive office at 4 High Ridge Park, Stamford, Connecticut 06905, and **THE BANK OF NEW YORK**, a New York banking corporation with an address at 10 Mason Street, Greenwich, Connecticut 06830 (the “**Bank**”). This Agreement is incorporated into and made part of that certain Security Agreement (“**Security Agreement**”) between Grantor and the Bank dated April 27, 2000, and also into certain other financing documents and security agreements executed by and between the Grantor and the Bank (all such documents including this Agreement being collectively referred to as “**Security Documents**”). All capitalized terms not otherwise defined in this Agreement shall have the same meanings ascribed to such terms in the other Security Documents.

The Grantor has adopted, used, and is using (or has filed applications for the registration of) the trademarks, service marks, and trade names listed on Schedule A attached hereto and made part hereof (all such marks or names hereinafter referred to as the “**Trademarks**”).

The Bank desires to acquire a lien and security interest on the Trademarks and any registration(s) thereof, together with all the goodwill of the Grantor associated therewith and represented thereby, as security for the Note and all of the other Obligations (as defined in the Security Agreement) to the Bank, and the Bank desires to have its security interest in such Trademarks confirmed by a document identifying same and in such form that it may be recorded in the United States Patent and Trademark Office.

**NOW, THEREFORE**, with the foregoing background deemed incorporated by reference and made part hereof, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

**1. Grant of Security Interest.** In consideration of and pursuant to the terms of the Security Documents, and for other good, valuable, and sufficient consideration, the receipt of which is hereby acknowledged, and to secure the Note and the other Obligations, the Grantor hereby grants to the Bank, for the benefit of the Bank and any subsequent holder of the Note and the other Obligations, a lien and continuing security interest in all Grantor’s present and future right, title, and interest in and to the Trademarks and any other trademarks, service marks or trade names in which Grantor has acquired or in the future acquires rights, together with all the goodwill of the Grantor associated with and represented by the foregoing, and the registration thereof and the right (but not the obligation) to sue for past, present, and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits.

**2. Representations and Warranties.** Subject to the disclosures set forth pursuant to the Security Agreement of even date by and between the Grantor and the Bank, the Grantor represents, warrants, and covenants that: (a) except as otherwise provided in or resulting from the Security Documents, the Grantor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to each of the Trademarks, and each of the

Trademarks is free and clear of any liens, charges, and encumbrances, including, without limitation, pledges, assignments, licenses, and covenants by the Grantor not to sue third persons and (b) the Grantor has the unqualified right to enter into this Agreement and perform its terms.

**3. Covenants.** The Grantor covenants that: (a) until the Note and all of the other Obligations have been satisfied in full, the Grantor will not enter into any agreement which is inconsistent with the Grantor's obligations under this Agreement or which restricts or impairs the Bank's rights hereunder; (b) if the Grantor registers or applies to register or acquires rights in any additional trademark, service mark or trade name not identified on Schedule A, (i) the provisions of this Agreement shall automatically apply thereto, (ii) the Grantor shall give the Bank prompt written notice thereof along with an amended Schedule A, and (iii) such trademark(s), service mark(s) and trade name(s) shall be deemed Trademarks for purposes of this Agreement; and (c) the Grantor has no notice of any suits or actions commenced or threatened against it, or notice of claims asserted or threatened against it, with respect to the Trademarks.

**4. Ownership of Trademarks.** So long as this Agreement is in effect and so long as the Grantor has not received notice from the Bank that an Event of Default has occurred under the Security Documents and that the Bank has elected to exercise its remedies hereunder, the Grantor shall continue to have the exclusive ownership of the Trademarks and the Bank shall have no ownership or other right to use the Trademarks or issue any exclusive or non-exclusive license with respect thereto, or assign, pledge or otherwise transfer title in the Trademarks to anyone else. In addition, so long as this Agreement is in effect, the Bank agrees that it shall not assign or otherwise transfer its security interest in the Trademarks in a manner that causes abandonment of any rights in and to the Trademarks.

**5. Negative Pledge.** Notwithstanding anything to the contrary contained in this Agreement, the Grantor agrees not to sell, pledge, assign, license or otherwise transfer its rights and interest in the Trademarks without the prior written consent of the Bank, which consent shall not be unreasonably withheld or delayed (it being specifically agreed that the Grantor shall have the right to enter into non-exclusive licenses in the ordinary course of business with respect to the Trademarks, provided, that (a) not later than five (5) days prior to the proposed date for signing any such license agreement, the Grantor shall provide notice thereof to the Bank and (b) not later than twenty (20) days after the signing of any such license agreement, the Grantor shall send to the Bank a copy of each executed license agreement certified as to the authenticity by the Grantor, and such other documents or instruments as may be reasonably requested by the Bank).

**6. Remedies Upon Default.**

(a) Anything herein contained to the contrary notwithstanding, if and while the Grantor shall be in default hereunder or an Event of Default exists under the Security Documents, the Grantor hereby covenants and agrees that the Bank, as the holder of a security interest under the Uniform Commercial Code, as now or hereafter in effect in the State of Connecticut, may take such action permitted under the Security Documents or permitted by law, in its exclusive discretion, to foreclose upon the Trademarks covered hereby.

(b) For such purposes, and in the event of an Event of Default under the Security Documents and while such Event of Default exists, the Grantor hereby authorizes and

empowers the Bank to make, constitute, and appoint any officer or agent of the Bank as the Bank may select, in its exclusive discretion, as the Grantor's true and lawful attorney-in-fact, with the power to endorse the Grantor's name on all applications, documents, papers, and instruments necessary for the Bank to use the Trademarks or to grant or issue any exclusive or non-exclusive license under the Trademarks to anyone else, or necessary for the Bank to assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone else. This power of attorney shall be irrevocable for the life of this Agreement and the Security Documents, and until the Note and all other Obligations are satisfied in full.

(c) The Grantor expressly acknowledges that this Agreement or an equivalent document shall be recorded as a Notice of Security Interest with the Patent and Trademark Office in Washington, D.C. Upon the occurrence of an Event of Default, the Grantor shall also execute and deliver to the Bank such documents as the Bank shall reasonably request to permanently assign all rights in the Trademarks to the Bank or its assignee. After such occurrence, the Bank may, at its sole option, record any such documents with the Patent and Trademark Office.

7. **Subject to Security Agreement.** This Agreement shall be subject to the terms, provisions, and conditions set forth in the Security Agreement and may not be modified without the written consent of the party against whom enforcement is being sought.

8. **Inconsistent with Security Agreement.** All rights and remedies herein granted to the Bank shall be in addition to any rights and remedies granted to the Bank under the Security Documents. In the event of an inconsistency between this Agreement and the Security Agreement, the language of the Security Agreement shall control. The terms and conditions of the Security Agreement are hereby incorporated herein by reference.

9. **Termination of Agreement.** Upon payment and performance of the Note and all other Obligations under the Security Documents, the Bank shall immediately execute and deliver to the Grantor all documents, and take any and all actions, necessary to re-vest all rights in and to the Trademarks in the Grantor and/or terminate any interest of the Bank therein.

10. **Prosecution of Trademark Applications.** The Grantor shall have the exclusive right, in its sole discretion, to bring suit in its own name to enforce the Trademarks.

11. **Additional Remedies.** Upon the occurrence of an Event of Default under the Security Documents, the Bank may, without any obligation to do so, complete any obligation of the Grantor hereunder, in the Grantor's name or in the Bank's name, but at the Grantor's expense, and the Grantor hereby agrees to reimburse the Bank in full for all reasonable expenses, including reasonable attorney's fees, incurred by the Bank in protecting, defending, and maintaining the Trademarks.

12. **Governing Law.** THIS AGREEMENT WILL BE INTERPRETED AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO DETERMINED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CONNECTICUT, EXCLUDING ITS CONFLICT OF LAW RULES, EXCEPT THAT THE FEDERAL LAWS OF THE UNITED STATES OF AMERICA SHALL GOVERN TO THE EXTENT APPLICABLE.

**13. Counterparts.** This Agreement may be signed in any number of counterpart copies and by the parties hereby on separate counterparts, but all such copies shall constitute one and the same instrument.
