TRADEMARK SECURITY AGREEMENT

WHEREAS, Vacation.com Technical Services, Inc., a Delaware corporation ("Grantor"), owns the Trademarks, Trademark registrations and Trademark applications listed on Schedule 1 annexed hereto, and is a party to the Trademark licenses listed on Schedule 1 annexed hereto; and

WHEREAS, Vacation.com, Inc. (f/k/a Travel Associates Network, Inc.), as Borrower ("Borrower"), has entered into a Credit Agreement dated as of August 31, 1998 (as the same may heretofore, now or hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with Antares Capital Corporation, as agent ("Agent") for the benefit of all financial institutions that from time to time become lenders under the Credit Agreement (collectively, the "Lenders") and as a Lender, and the other Lenders, providing for extensions of credit and other financial accommodations to be made to Borrower by Lenders; and

WHEREAS, pursuant to the terms of a Subsidiary Guaranty dated as of January 7, 1999 (as the same may heretofore, now or hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Guaranty") by Guarantor (as defined therein) and certain other subsidiaries of Borrower in favor of Agent and the Lenders, Guarantor has guaranteed the "Obligations" (as defined in the Credit Agreement);

WHEREAS, pursuant to the terms of a Subsidiary Security Agreement dated as of January 7, 1999 (as the same may heretofore, now or hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among Guarantor, certain other subsidiaries of Borrower and Agent (in such capacity, "Grantee"), Grantor has granted to Grantee for the benefit of Lenders a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), Trademark registrations, Trademark applications and Trademark licenses, together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of the "Liabilities" (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

(1) each Trademark, Trademark registration and Trademark application, including, without limitation, the Trademarks, Trademark registrations (together with any reissues, continuations or extensions thereof) and Trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application;

(2) each Trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark license; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or Trademark registration including, without limitation, the Trademarks and Trademark registrations referred to in Schedule 1 annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred to in Schedule 1 and the Trademarks licensed under any Trademark license, or (b) injury to the goodwill associated with any Trademark, Trademark registration or Trademark licensed under any Trademark license; but excluding from Trademark Collateral any "intent to use" Trademark registration or application to the extent that the granting of a security interest therein is prohibited by applicable law.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[remainder of page intentionally blank]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer on this 14th day of April, 2000.
