Honorable Sir:

Enclosed please find registration certificates for the above Marks which incorrectly show title to be in the name of Bollinger Industries L.P. A review of the PTO records for the Marks indicates that Bollinger Industries, L.P. recorded a Notice of License Agreement on December 14, 1998 against these Marks at Reel/Frame Number 1829/0576. A true and correct copy of the Notice of License Agreement and Recordation Cover Sheet is enclosed. Records from the LEXIS database of PTO records confirm that the document was correctly recorded as a license. LEXIS printouts of the Marks are enclosed. However the PTO records on TARR show that an assignment was incorrectly recorded. See enclosure. There was never any documentation filed indicating that there was an assignment to Bollinger Industries as listed on the registration certificates or on TARR.
