(c) to the extent expressly required by the terms hereof or of any Transaction Document, or otherwise as the Priority Collateral Agent may request, delivered to the Priority Collateral Agent, possession of all Collateral with respect to which either a security interest can be perfected only by possession or a security interest perfected by possession shall have priority as against Persons not having possession, and including in the case of Instruments, Documents, and Investment Property in the form of certificated securities, duly executed endorsements or stock powers in blank, as the case may be, affixed thereto in form and substance acceptable to the Priority Collateral Agent and sufficient under applicable law so that the Priority Collateral Agent, for the benefit of the Priority Secured Parties, shall have a security interest in all such Collateral perfected by possession; subject in each case only to Permitted Liens; and

(d) executed in blank and delivered to the Priority Collateral Agent an assignment of licenses and federally registered trademarks and licenses (the "Assignment of Trademarks and Licenses") owned by it in the form of Exhibit A hereto. Each Grantor hereby authorizes the Priority Collateral Agent to complete as Assignee and record with the United States Patent and Trademark Office (the "Patent and Trademark Office") each Assignment of Trademarks and Licenses upon the occurrence of an Event of Default (as defined herein) that is continuing at the time of filing, and the Priority Collateral Agent agrees not to so file the Assignment of Trademarks and Licenses until an Event of Default has occurred.

All financing statements (including all amendments thereto and continuations thereof), control agreements, certificates, acknowledgments, stock powers and other documents, electronic identification, restrictive legends, and instruments furnished in connection with the creation, enforcement, protection, perfection or priority of the Priority Collateral Agent's security interest in Collateral, including such items as are described above in this Section 3 are sometimes referred to herein as "Perfection Documents." The delivery of possession of items of or evidencing Collateral, causing other Persons to execute and deliver Perfection Documents as appropriate, the filing or recordation of Perfection Documents, and the taking of such other actions as may be necessary or advisable in the determination of the Priority Collateral Agent to create, enforce, protect, perfect, or establish or maintain the priority of, the security interest of the Priority Collateral Agent for the benefit of the Priority Secured Parties in the Collateral is sometimes referred to herein as "Perfection Action."

4. Maintenance of Security Interest; Further Assurances.

(a) Each Grantor will from time to time at its own expense, deliver specific assignments of Collateral or such other Perfection Documents, and take such other or additional Perfection Action, as may be required by the terms of the Transaction Documents or as the Priority Collateral Agent may reasonably request in connection with the administration or enforcement of this Priority Security Agreement or related to the Collateral or any part thereof in order to carry out the terms of this Priority Security Agreement, to perfect, protect, maintain the priority of or enforce the Priority Collateral Agent's security interest in the Collateral, subject only to Permitted Liens, or otherwise to better assure and confirm unto the Priority Collateral Agent its rights, powers and remedies for the benefit of the Priority Secured Parties hereunder. Without limiting the foregoing, each Grantor hereby irrevocably authorizes the Priority Collateral Agent to file (with, or to the extent permitted by applicable law, without the signature of the Grantor appearing thereon) financing statements or other Perfection Documents (including copies thereof) showing such Grantor as "debtor" and the Priority Collateral Agent in such capacity as "Priority Secured Party" at such time or times and in all filing offices as the Priority Collateral Agent may from time to time determine to be necessary or advisable to perfect or protect the rights of the Priority Collateral Agent and the Priority Secured Parties hereunder, or otherwise to give effect to the transactions herein contemplated. Without limiting the generality of the foregoing, each Grantor will execute and file (with the appropriate governmental offices, authorities, agencies and regulatory bodies in the United States and any applicable foreign jurisdiction) such supplements to this Priority Security Agreement and such financing or continuation statements, or amendments thereto, and such other instruments or notices, including executed Assignments of Trademarks and Licenses with the Patent and Trademark Office, as may be necessary or desirable, or as the Priority Collateral Agent, on behalf of the Priority Secured Parties, may reasonably request, in order to perfect and preserve the security interests granted hereby.

(b) With respect to any and all Collateral, each Grantor agrees to do and cause to be done all things necessary to perfect, maintain the priority of and keep in full force the security interest granted in favor of the Priority Collateral Agent for the benefit of the Priority Secured Parties, including, but not limited to, the prompt payment upon demand therefor by the Priority Collateral Agent of all fees and expenses (including documentary stamp, excise or intangibles taxes) incurred in connection with the preparation, delivery, or filing of any Perfection Document or the taking of any Perfection Action to perfect, protect or enforce a security interest in Collateral in favor of the Priority Collateral Agent for the benefit of the Priority Secured Parties, subject only to Permitted Liens. All amounts not so paid when due shall constitute additional Secured Obligations and (in addition to other rights and remedies resulting from such nonpayment) shall bear interest from the date of demand until paid in full at the Default Rate.

(c) Each Grantor agrees to maintain among its books and records appropriate notations or evidence of, and to make or cause to be made appropriate disclosure upon its

financial statements of, the security interest granted hereunder to the Priority Collateral Agent for the benefit of the Priority Secured Parties.

(d) Each Grantor agrees that, should it have or obtain an ownership interest in any Material Trademark or trademark application that is not now identified on Schedule 5-A or any Material License that is not now identified on Schedule 5-B: (i) the provisions of this Agreement shall automatically apply to such item, and such item shall automatically become part of the Collateral; and (ii) such Grantor shall, within three months after acquiring or becoming aware of such ownership interest, (A) give written notice thereof to the Priority Collateral Agent, (B) with respect to Material Trademarks, cause such Trademarks to be properly registered with the Patent and Trademark Office and (C) with respect to Material Trademarks and Material Licenses, prepare, execute and file in the Patent and Trademark Office or in the equivalent agencies in any foreign jurisdiction, and in each applicable filing or recording office under the applicable Uniform Commercial Code within the requisite time period, all documents and financing statements that are known by such Grantor to be necessary or that the Priority Collateral Agent, on behalf of the Priority Secured Parties, reasonably requests in order to perfect the security interest of the Priority Collateral Agent, on behalf of the Priority Secured Parties, therein. Each Grantor authorizes the Priority Collateral Agent, on behalf of the Priority Secured Parties, to execute and file such a document in the name of such Grantor if such Grantor fails to do so.

(e) No Grantor shall do any act or omit to do any act whereby any Material Trademark may become dedicated or abandoned, except where such dedication or abandonment (i) will not materially adversely affect the business, condition (financial or otherwise), operations, performance, or properties of such Grantor individually or of such Grantor and its Subsidiaries taken as a whole, and (ii) is in the ordinary course of such Grantor's business. Each Grantor agrees to notify the Priority Collateral Agent promptly and in writing if it learns that any Material Trademark may become abandoned or dedicated or of any adverse determination or any development (including without limitation the institution of any proceeding in the Patent and Trademark Office or in the equivalent agencies in any foreign jurisdiction, or any court) regarding any Material Trademark.

(f) Each Grantor agrees that in the event that any Material Trademark is infringed or misappropriated by a third party, such Grantor shall promptly notify the Priority Collateral Agent and shall take all reasonable steps to terminate the infringement or misappropriation, and take such other actions as such Grantor shall deem appropriate under the circumstances to protect such Trademark. Any expense incurred in connection with such activities shall be borne by such Grantor.

5. Receipt of Payment. In the event an Event of Default shall occur and be continuing and a Grantor (or any of its affiliates, subsidiaries, stockholders, directors, officers, employees or agents) shall receive any proceeds of Collateral, including without limitation monies, checks, notes, drafts or any other items of payment, each Grantor shall hold all such items of payment in trust for the Priority Collateral Agent for the benefit of the Priority Secured

Parties, and as the property of the Priority Collateral Agent for the benefit of the Priority Secured Parties, separate from the funds and other property of such Grantor, and no later than the first Business Day following the receipt thereof, at the election of the Priority Collateral Agent such Grantor shall cause such Collateral to be forwarded to the Priority Collateral Agent for its custody, possession and disposition on behalf of the Priority Secured Parties in accordance with the terms hereof and of the Intercreditor Agreement.

6. Preservation and Protection of Collateral.

(a) The Priority Collateral Agent shall be under no duty or liability with respect to the collection, protection or preservation of the Collateral, or otherwise, except to the extent expressly contemplated under Section 25. Each Grantor shall be responsible for the safekeeping of its Collateral, and in no event shall the Priority Collateral Agent have any responsibility for (i) any loss or damage thereto or destruction thereof occurring or arising in any manner or fashion from any cause, (ii) any diminution in the value thereof, or (iii) any act or default of any carrier, warehouseman, bailee or forwarding agency thereof or other Person in any way dealing with or handling such Collateral.

(b) Each Grantor shall keep and maintain its tangible personal property Collateral in good operating condition and repair, ordinary wear and tear excepted. No Grantor shall permit any such items to become a fixture to real property (unless such Grantor has granted the Priority Collateral Agent for the benefit of the Priority Secured Parties a Lien on such real property having a priority acceptable to the Required Priority Secured Parties) or accessions to other personal property.

(c) Each Grantor agrees (i) to pay when due all taxes, charges and assessments against the Collateral in which it has any interest, unless being contested in good faith by appropriate proceedings diligently conducted and against which adequate reserves have been established in accordance with GAAP applied on a Consistent Basis (as each capitalized term is defined in the Credit Agreement) and evidenced to the satisfaction of the Priority Collateral Agent and provided that all enforcement proceedings in the nature of levy or foreclosure are effectively stayed, and (ii) to cause to be terminated and released all Liens (other than Permitted Liens) on the Collateral. Upon the failure of any Grantor to so pay or contest such taxes, charges, or assessments, or cause such Liens to be terminated, the Priority Collateral Agent at its option may pay or contest any of them or amounts relating thereto (the Priority Collateral Agent having the sole right to determine the legality or validity of and the amount necessary to discharge such taxes, charges, Liens or assessments) but shall not have any obligation to make any such payment or contest. All sums so disbursed by the Priority Collateral Agent, including reasonable attorneys' fees, court costs, expenses and other charges related thereto, shall be payable on demand by the applicable Grantor to the Priority Collateral Agent and shall be additional Secured Obligations secured by the Collateral, and any amounts not so paid on demand (in addition to other rights and remedies resulting from such nonpayment) shall bear interest from the date of demand until paid in full at the Default Rate.

7. **Status of Grantors and Collateral Generally.** Each Grantor represents and warrants to, and covenants with, the Priority Collateral Agent for the benefit of the Priority Secured Parties, with respect to itself and the Collateral as to which it has or acquires any interest, that:

Upon the failure of any Grantor to so defend, the Priority Collateral Agent may do so at its option but shall not have any obligation to do so. All sums so disbursed by the Priority Collateral Agent, including reasonable attorneys' fees, court costs, expenses and other charges related thereto, shall be payable on demand by the applicable Grantor to the Priority Collateral Agent and shall be additional Secured Obligations secured by the Collateral, and any amounts not so paid on demand (in addition to other rights and remedies resulting from such nonpayment) shall bear interest from the date of demand until paid in full at the Default Rate.

(c) It has full power, legal right and lawful authority to enter into this Priority Security Agreement and to perform its terms, including the grant of the security interests in the Collateral herein provided for and this Priority Security Agreement constitutes the valid and binding obligations of such Grantor enforceable against such Grantor in accordance with its terms.

(iv) So long as no Event of Default shall have occurred and be continuing, the registration of Investment Property in the name of a Grantor as record and beneficial owner shall not be changed and such Grantor shall be

entitled to exercise all voting and other rights and powers pertaining to Investment Property for all purposes not inconsistent with the terms hereof or of any Qualifying Control Agreement relating thereto.

(v) Upon the occurrence and during the continuance of any Event of Default, at the option of the Priority Collateral Agent or written direction of the Required Priority Secured Parties, all rights of the Grantors to exercise the voting or consensual rights and powers which it is authorized to exercise pursuant to clause (iv) immediately above shall cease and the Priority Collateral Agent may thereupon (but shall not be obligated to), at its request, cause such Collateral to be registered in the name of the Priority Collateral Agent or its nominee or agent for the benefit of the Priority Secured Parties and/or exercise such voting or consensual rights and powers as appertain to ownership of such Collateral, and to that end each Grantor hereby appoints the Priority Collateral Agent as its proxy, with full power of substitution, to vote and exercise all other rights as a holder of such Investment Property upon the occurrence and during the continuance of any Event of Default, which proxy is coupled with an interest and is irrevocable until the Security Termination Date, and each Grantor hereby agrees to provide such further proxies as the Priority Collateral Agent may request; provided, however, that the Priority Collateral Agent in its discretion may from time to time refrain from exercising, and shall not be obligated to exercise, any such voting or consensual rights or such proxy.

(vi) Upon the occurrence and during the continuance of any Event of Default, all rights of the Grantors to receive and retain cash dividends and other distributions upon or in respect to Investment Property pursuant to clause (iii) above shall cease and shall thereupon be vested in the Priority Collateral Agent for the benefit of the Priority Secured Parties, and each Grantor shall, or shall cause, all such cash dividends and other distributions with respect to the Investment Property to be promptly delivered to the Priority Collateral Agent (together, if the Priority Collateral Agent shall request, with any documents related thereto) to be held, released or disposed of by it hereunder or, at the written direction of the Required Priority Secured Parties to be applied to the Secured Obligations in accordance with the Intercreditor Agreement.

(f) **Deposit Accounts.** With respect to its Deposit Accounts (other than Securitization Deposit Accounts) whether now existing or hereafter created or acquired and wheresoever located, each Grantor represents, warrants and covenants to the Priority Collateral Agent for the benefit of the Priority Secured Parties that:

(i) Schedule 4 attached hereto contains a true and complete description of (x) the name and address of each depositary institution with which such Grantor maintains a Deposit Account.

(ii) Except as otherwise permitted by the Credit Agreement or with the express prior written consent of the Priority Collateral Agent in each instance, all

Deposit Accounts (other than Securitization Deposit Accounts) shall be maintained at all times with the Agent or a Lender or a depository institution as to which the Priority Collateral Agent shall have received a Qualifying Control Agreement. Without limiting the generality of the foregoing, no Grantor shall cause, suffer or permit (x) any deposit to be evidenced by a certificate of deposit unless immediately upon receipt thereof such certificate shall have been delivered to the Priority Collateral Agent, together with a duly executed undated assignment in blank affixed thereto, or (y) any Deposit Account not listed on Schedule 4 attached hereto to be opened or maintained except in each case upon giving not less than thirty (30) days' prior written notice to the Priority Collateral Agent and taking or causing to be taken at such Grantor's expense all such Perfection Action, including the delivery of such Perfection Documents, as may be reasonably requested by the Priority Collateral Agent to perfect or protect, or maintain the perfection and priority of, the Lien of the Priority Collateral Agent for the benefit of the Priority Secured Parties in such Collateral as contemplated hereunder.

(g) **Chattel Paper.** With respect to its Chattel Paper (other than Chattel Paper constituting Excluded Accounts) whether now existing or hereafter created or acquired and wheresoever located, each Grantor represents, warrants and covenants to the Priority Collateral Agent for the benefit of the Priority Secured Parties that:

(i) Each Grantor shall at all times retain sole physical possession of the originals of all Chattel Paper (other than electronic Chattel Paper); provided, however, that (x) upon the request of the Priority Collateral Agent from time to time, such Grantor shall immediately deliver physical possession of such Chattel Paper to the Priority Collateral Agent or its designee, and (y) in the event that there shall be created more than one original counterpart of any document that alone or in conjunction with any other physical or electronic document constitutes Chattel Paper, then such counterparts shall be numbered consecutively starting with "1" and such Grantor shall retain the counterpart numbered "1".

(ii) All counterparts of all Chattel Paper shall immediately upon the creation or acquisition thereof by any Grantor be conspicuously legended as follows: "A SECURITY INTEREST IN THIS CHATTEL PAPER HAS BEEN GRANTED TO BANK OF AMERICA, N.A. AS PRIORITY COLLATERAL AGENT FOR CERTAIN PRIORITY SECURED PARTIES PURSUANT TO A PRIORITY SECURITY AGREEMENT DATED AS OF JANUARY 28, 2000 AS AMENDED FROM TIME TO TIME. NO SECURITY INTEREST OR OTHER INTEREST IN FAVOR OF ANY OTHER PERSON MAY BE CREATED BY THE TRANSFER OF PHYSICAL POSSESSION OF THIS CHATTEL PAPER OR OF ANY COUNTERPART HEREOF EXCEPT BY OR WITH THE CONSENT OF BANK OF AMERICA, N.A., AS PROVIDED IN SUCH PRIORITY SECURITY AGREEMENT"; provided, however, in the case of electronic Chattel Paper (including the electronic components of hybrid Chattel Paper), each Grantor may utilize other means acceptable to the Priority Collateral Agent and sufficient under applicable law to constitute perfection by control in

order to identify the interest of the Priority Collateral Agent for the benefit of the Priority Secured Parties.

(iii) Other than in the ordinary course of business and in keeping with reasonable and customary practice, no Grantor shall amend, modify, waive or terminate any provision of, or fail to exercise promptly and diligently each material right or remedy conferred under or in connection with, any Chattel Paper, in any case in such a manner as could reasonably be expected to materially adversely affect the value of affected Chattel Paper as collateral.

(h) **Instruments.** With respect to its Instruments (other than those evidencing solely Excluded Accounts) whether now existing or hereafter created or acquired and wheresoever located, each Grantor represents, warrants and covenants to the Priority Collateral Agent for the benefit of the Priority Secured Parties that:

(i) Each Grantor shall (i) maintain at all times, and furnish to the Priority Collateral Agent from time to time at the Priority Collateral Agent's request, a current list identifying in reasonable detail Instruments of which such Grantor is the payee or holder and having a face amount payable in excess of \$250,000, and (ii) upon the request of the Priority Collateral Agent from time to time deliver to the Priority Collateral Agent the originals of all such Instruments, together with duly executed undated endorsements in blank affixed thereto and such other documentation and information as may be necessary to enable the Priority Collateral Agent to realize upon the Instruments in accordance with their respective terms or transfer the Instruments as may be permitted under the Loan Documents or by applicable law.

(ii) Other than in the ordinary course of business and in keeping with reasonable and customary practice, no Grantor shall amend, modify, waive or terminate any provision of, or fail to exercise promptly and diligently each material right or remedy conferred under or in connection with, any Instrument, in any case in such a manner as could reasonably be expected to materially adversely affect the value of the affected Instrument as Collateral.

(i) **Material Trademarks.** Each Grantor represents and warrants as follows:

(i) It is the sole, legal and beneficial owner of the entire right, title and interest in and to the Material Trademarks purported to be granted by it hereunder, free and clear of any Lien, security interest, option, charge, pledge, registered user agreement, assignment (whether conditional or not), or covenant, or any other encumbrance, except for the security interests created or permitted by this Agreement or by each of the Transaction Documents and certain Material Licenses and registered user agreements described on Schedule 5-B. No financing statement or other instrument similar in effect covering all or any part of the Material Trademarks purported to be granted by such Grantor hereunder is on file in any recording office, including, without limitation, the Patent and

Trademark Office and the equivalent offices in any foreign jurisdiction, except such as may have been filed in favor of the Priority Collateral Agent, for the benefit of the Priority Secured Parties.

(ii) Set forth on Schedule 5-A is a list of all of the Material Trademarks owned by such Grantor necessary for the conduct of its business as currently conducted or utilized and material in such Grantor's manufacturing operations or used in the selling or marketing of such Grantor's products.

(iii) Each Material Trademark of such Grantor identified on Schedule 5-A is validly subsisting and has not been abandoned or adjudged invalid, unregistrable or unenforceable, in whole or in part, and is, to such Grantor's knowledge, valid, registrable and enforceable.

10. Casualty and Liability Insurance Required.

(a) Each Grantor will keep the Collateral continuously insured against such risks as are customarily insured against by businesses of like size and type engaged in the same or similar operations (or on a self-insured basis customary for companies similarly situated and in accordance with prudent business practice) including, without limitation:

(i) property insurance on the Inventory and the Equipment in an amount not less than the replacement cost, or actual cash value for vacated properties or properties formerly used for manufacturing and currently used for warehousing or other non-manufacturing purposes, against loss or damage by theft, fire, lightning and other hazards ordinarily included under uniform broad form standard extended coverage policies, limited only as may be provided in the standard broad form of extended coverage endorsement at the time in use in the states in which the Collateral is located;

(ii) comprehensive general liability insurance against claims for bodily injury, death or property damage occurring with or about such Collateral (such coverage to include provisions waiving subrogation against the Priority Secured Parties), with the Priority Collateral Agent and each of the Priority Secured Parties named as additional insureds thereunder, in amounts as shall be reasonably satisfactory to Priority Collateral Agent;

(iii) liability insurance with respect to the operation of its facilities under the workers' compensation laws of the states in which such Collateral is located, in amounts as shall be reasonably satisfactory to Priority Collateral Agent; and

(iv) business interruption insurance in amounts as shall be reasonably satisfactory to Priority Collateral Agent.

(b) Each insurance policy obtained in satisfaction of the requirements of Section 10(a):

(i) may be provided by blanket policies now or hereafter maintained by each or any Grantor or by the Borrower;

(ii) shall be issued by such insurer (or insurers) as shall be financially responsible, of recognized standing and reasonably acceptable to the Priority Collateral Agent;

(iii) shall be in such form and have such provisions (including without limitation the loss payable clause, the waiver of subrogation clause, the deductible amount, if any, and the standard mortgagee endorsement clause) as are generally considered standard provisions for the type of insurance involved and are reasonably acceptable in all respects to the Priority Collateral Agent;

(iv) shall prohibit cancellation or substantial modification, termination or lapse in coverage by the insurer without at least 30 days' prior written notice to the Priority Collateral Agent, except for non-payment of premium, as to which such policies shall provide for at least ten (10) days' prior written notice to the Priority Collateral Agent;

(v) without limiting the generality of the foregoing, all insurance policies where applicable under Section 10(a)(i) carried on the Collateral shall name the Priority Collateral Agent, for the benefit of the Priority Secured Parties, as loss payee thereunder in respect of any claim for payment.

(c) Prior to expiration of any such policy, such Grantor shall furnish the Priority Collateral Agent with evidence satisfactory to the Priority Collateral Agent that the policy or certificate has been renewed or replaced or is no longer required by this Priority Security Agreement.

(d) Each Grantor hereby makes, constitutes and appoints the Priority Collateral Agent (and all officers, employees or agents designated by the Priority Collateral Agent), for the benefit of the Priority Secured Parties, as such Grantor's true and lawful attorney (and agent-in-fact) for the purpose of making, settling and adjusting claims under such policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item or payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect to such policies of insurance, which appointment is coupled with an interest and is irrevocable; provided, however, that the powers pursuant to such appointment shall be exercisable only upon the occurrence and during the continuation of an Event of Default.

(e) In the event such Grantor shall fail to maintain, or fail to cause to be maintained, the full insurance coverage required hereunder or shall fail to keep any of its Collateral in good repair and good operating condition, the Priority Collateral Agent may

(but shall be under no obligation to), without releasing any Secured Obligation or waiving any Event of Default by such Grantor hereunder, contract for the required policies of insurance and pay the premiums on the same or make any required repairs, renewals and replacements; and all sums so disbursed by Priority Collateral Agent, including reasonable attorneys' fees, court costs, expenses and other charges related thereto, shall be payable on demand by such Grantor to the Priority Collateral Agent, shall be additional Secured Obligations secured by the Collateral, and (in addition to other rights and remedies resulting from such nonpayment) shall bear interest from the date of demand until paid in full at the Default Rate.

(f) Each Grantor agrees that to the extent that it shall fail to maintain, or fail to cause to be maintained, the full insurance coverage required by Section 10(a), it shall in the event of any loss or casualty which would have been insured against but for such Grantor's failure to so comply, pay promptly to the Priority Collateral Agent, for the benefit of the Priority Secured Parties, to be held in a separate account for application in accordance with the provisions of Sections 10(h), such amount as would have been received as Net Proceeds (as hereinafter defined) by the Priority Collateral Agent, for the benefit of the Priority Secured Parties, under the provisions of Section 10(h) had such insurance been carried to the extent required; provided that this Section 10(f) shall not be construed to require any payment in the event of deductibles, self-insurance permitted hereunder, denial of coverage or other circumstances in which insurance proceeds are unavailable despite compliance with Section 10(h).

(g) The Net Proceeds of the insurance carried pursuant to the provisions of Sections 10(a)(ii) and 10(a)(iii) shall be applied by such Grantor toward satisfaction of the claim or liability with respect to which such insurance proceeds may be paid.

(h) The Net Proceeds of the insurance carried with respect to the Collateral pursuant to the provisions of Section 10(a)(i) hereof shall be paid to such Grantor and held by such Grantor in a separate account and applied, as long as no Event of Default shall have occurred and be continuing, as follows: after any loss under any such insurance and payment of the proceeds of such insurance, each Grantor shall have a reasonable period after payment of the insurance proceeds with respect to such loss to elect to either (x) repair or replace the Collateral so damaged or, (y) deliver such Net Proceeds to the Priority Collateral Agent, for the benefit of the Priority Secured Parties, as additional Collateral to be held and disposed of in accordance with the Intercreditor Agreement, subject to the provisions of this Priority Security Agreement. If such Grantor elects to repair or replace the Collateral so damaged, such Grantor agrees the Collateral shall be repaired to a condition substantially similar to or of better quality or higher value than its condition prior to damage or replaced with Collateral in a condition substantially similar to or of better quality or higher value than the condition of the Collateral so replaced prior to damage. At all times during which an Event of Default shall have occurred and be continuing, the Priority Collateral Agent shall be entitled to receive direct and immediate payment of the proceeds of such insurance and such Grantor shall take all action as the Priority Collateral Agent may reasonably request to accomplish such payment. Notwithstanding the foregoing, in the event such Grantor shall receive any

such proceeds, such Grantor shall immediately deliver such proceeds to such Priority Collateral Agent for the benefit of the Priority Secured Parties as additional Collateral, and pending such delivery shall hold such proceeds in trust for the benefit of the Priority Secured Parties and keep the same segregated from its other funds.

(i) "Net Proceeds" when used with respect to any insurance proceeds shall mean the gross proceeds from such proceeds, award or other amount, less all taxes, fees and expenses (including attorneys' fees) incurred in the realization thereof.

(j) In case of any material damage to, destruction or loss of, or claim or proceeding against, all or any material part of the Collateral pledged hereunder by a Grantor, such Grantor shall give prompt notice thereof to the Priority Collateral Agent. Each such notice shall describe generally the nature and extent of such damage, destruction, loss, claim or proceeding. Subject to Section 10(d), each Grantor is hereby authorized and empowered to adjust or compromise any loss under any such insurance other than losses relating to claims made directly against any Priority Secured Party as to which the insurance described in Section 10(a)(ii) or (iii) is applicable.

(k) The provisions contained in this Priority Security Agreement pertaining to insurance shall be cumulative with any additional provisions imposing additional insurance requirements with respect to the Collateral or any other property on which a Lien is conferred under any Security Instrument.

11. Rights and Remedies Upon Event of Default. Upon and after the occurrence of an Event of Default, the Priority Collateral shall have the following rights and remedies on behalf of the Priority Secured Parties in addition to any rights and remedies set forth elsewhere in this Priority Security Agreement or the other Priority Security Instruments or the Intercreditor Agreement, all of which may be exercised with or, if allowed by law, without notice to a Grantor:

(a) All of the rights and remedies of a Priority Secured Party under the UCC or under other applicable law, all of which rights and remedies shall be cumulative, and none of which shall be exclusive, to the extent permitted by law, in addition to any other rights and remedies contained in this Priority Security Agreement or any other Priority Security Instruments or the Intercreditor Agreement or the Priority Collateral Agency Agreement;

(b) The right to foreclose the Liens and security interests created under this Priority Security Agreement by any available judicial procedure or without judicial process;

(c) The right to (i) enter upon the premises of a Grantor through self-help and without judicial process, without first obtaining a final judgment or giving such Grantor notice or opportunity for a hearing on the validity of the Priority Collateral Agent's claim and without any obligation to pay rent to such Grantor, or any other place or places where any Collateral is located and kept, and remove the Collateral therefrom to the premises of

the Priority Collateral Agent or any agent thereof, for such time as the Priority Collateral Agent may desire, in order effectively to collect or liquidate the Collateral, (ii) require such Grantor or any bailee or other agent of such Grantor to assemble the Collateral and make it available to the Priority Collateral Agent at a place to be designated by the Priority Collateral Agent that is reasonably convenient to both parties, and (iii) notify any or all Persons party to a Qualifying Control Agreement or who otherwise have possession of or control over any Collateral of the occurrence of an Event of Default and other appropriate circumstances, and exercise control over and take possession or custody of any or all Collateral in the possession, custody or control of such other Persons;

(d) The right to (i) exercise all of a Grantor's rights and remedies with respect to the collection of its Accounts, Chattel Paper, Instruments, Supporting Obligations and General Intangibles (collectively, "Payment Collateral"), including the right to demand payment thereof and enforce payment, by legal proceedings or otherwise; (ii) settle, adjust, compromise, extend or renew all or any Payment Collateral or any legal proceedings pertaining thereto; (iii) discharge and release all or any Payment Collateral; (iv) take control, in any manner, of any item of payment or proceeds referred to in Section 5 above; (v) prepare, file and sign a Grantor's name on any Proof of Claim in bankruptcy, notice of Lien, assignment or satisfaction of Lien or similar document in any action or proceeding adverse to any obligor under any Payment Collateral or otherwise in connection with any Payment Collateral; (vi) endorse the name of a Grantor upon any chattel paper, document, instrument, invoice, freight bill, bill of lading or similar document or agreement relating to any Collateral; (vii) use the information recorded on or contained in any data processing equipment and computer hardware and software relating to any Collateral to which a Grantor has access; (viii) open such Grantor's mail and collect any and all amounts due to such Grantor from any Account Debtors or other obligor in respect of Payment Collateral; (ix) take over such Grantor's post office boxes or make other arrangements as the Priority Collateral Agent, on behalf of the Priority Secured Parties, deems necessary to receive such Grantor's mail, including notifying the post office authorities to change the address for delivery of such Grantor's mail to such address as the Priority Collateral Agent, on behalf of the Priority Secured Parties, may designate; (x) notify any or all Account Debtors or other obligor on any Payment Collateral that such Payment Collateral has been collaterally assigned to the Priority Collateral Agent for the benefit of the Priority Secured Parties and that the Priority Collateral Agent has a security interest therein for the benefit of the Priority Secured Parties (provided that the Priority Collateral Agent may at any time give such notice to an Account Debtor that is a department, agency or authority of the United States government); each Grantor hereby agrees that any such notice, in the Priority Collateral Agent's sole discretion, may (but need not) be sent on such Grantor's stationery, in which event such Grantor shall co-sign such notice with the Priority Collateral Agent; and (xi) do all acts and things and execute all documents necessary, in Priority Collateral Agent's sole discretion, to collect the Payment Collateral; and

(e) The right to sell all or any Collateral in its then existing condition, or after any further manufacturing or processing thereof, at such time or times, at public or private sale or sales, with such notice as may be required by law, in lots or in bulk, for

cash or on credit, with or without representations and warranties, all as the Priority Collateral Agent, in its sole discretion, may deem advisable. The Priority Collateral Agent shall have the right to conduct such sales on a Grantor's premises or elsewhere and shall have the right to use a Grantor's premises without charge for such sales for such time or times as the Priority Collateral Agent may see fit. The Priority Collateral Agent may, if it deems it reasonable, postpone or adjourn any sale of the Collateral from time to time by an announcement at the time and place of such postponed or adjourned sale, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that the Priority Collateral Agent has no obligation to preserve rights to the Collateral against prior parties or to marshal any Collateral for the benefit of any Person. The Priority Collateral Agent for the benefit of the Priority Secured Parties is hereby granted a license or other right to use, without charge, each Grantor's labels, patents, copyrights, rights of use of any name, trade secrets, trade names, trademarks and advertising matter, or any property of a similar nature, as it pertains to the Collateral, in completing production of, advertising for sale and selling any Collateral and a Grantor's rights under any license and any franchise agreement shall inure to the Priority Collateral Agent for the benefit of the Priority Secured Parties. If any of the Collateral shall require repairs, maintenance, preparation or the like, or is in process or other unfinished state, the Priority Collateral Agent shall have the right, but shall not be obligated, to perform such repairs, maintenance, preparation, processing or completion of manufacturing for the purpose of putting the same in such saleable form as the Priority Collateral Agent shall deem appropriate, but the Priority Collateral Agent shall have the right to sell or dispose of the Collateral without such processing and no Grantor shall have any claim against the Priority Collateral Agent for the value that may have been added to such Collateral with such processing. In addition, each Grantor agrees that in the event notice is necessary under applicable law, written notice mailed to such Grantor in the manner specified herein seven (7) days prior to the date of public sale of any of the Collateral or prior to the date after which any private sale or other disposition of the Collateral will be made shall constitute commercially reasonable notice to such Grantor. All notice is hereby waived with respect to any of the Collateral which threatens to decline speedily in value or is of a type customarily sold on a recognized market. The Priority Collateral Agent may purchase all or any part of the Collateral at public or, if permitted by law, private sale, free from any right of redemption which is hereby expressly waived by such Grantor and, in lieu of actual payment of such purchase price, may set off the amount of such price against the Secured Obligations. Each Grantor recognizes that the Priority Collateral Agent may be unable to effect a public sale of certain of the Collateral by reason of certain prohibitions contained in the Securities Act of 1933, as amended (the "Securities Act"), and applicable state law, and may be otherwise delayed or adversely affected in effecting any sale by reason of present or future restrictions thereon imposed by governmental authorities ("Affected Collateral"), and that as a consequence of such prohibitions and restrictions the Priority Collateral Agent may be compelled (i) to resort to one or more private sales to a restricted group of purchasers who will be obliged to agree, among other things, to acquire Affected Collateral for their own account, for investment and not with a view to the distribution or resale thereof, or (ii) to seek regulatory approval of any proposed sale or sales, or (iii) to limit the amount of Affected Collateral sold to any Person or group. Each Grantor agrees

and acknowledges that private sales so made may be at prices and upon terms less favorable to such Grantor than if such Affected Collateral was sold either at public sales or at private sales not subject to other regulatory restrictions, and that the Priority Collateral Agent has no obligation to delay the sale of any Affected Collateral for the period of time necessary to permit the Grantor or any other Person to register or otherwise qualify them under or exempt them from any applicable restriction, even if such Grantor or other Person would agree to register or otherwise qualify or exempt such Affected Collateral so as to permit a public sale under the Securities Act or applicable state law. Each Grantor further agrees, to the extent permitted by applicable law, that the use of private sales made under the foregoing circumstances to dispose of Affected Collateral shall be deemed to be dispositions in a commercially reasonable manner. Each Grantor hereby acknowledges that a ready market may not exist for Affected Collateral that is not traded on a national securities exchange or quoted on an automated quotation system and agrees and acknowledges that in such event the Affected Collateral may be sold for an amount less than a pro rata share of the fair market value of the assets of the issuer of such Affected Collateral minus its liabilities.

The net cash proceeds resulting from the collection, liquidation, sale, or other disposition of the Collateral shall be applied first to the expenses (including all attorneys' fees) of retaking, holding, storing, processing and preparing for sale, selling, collecting, liquidating and the like, and then applied to the satisfaction of all Secured Obligations in accordance with the terms of the Intercreditor Agreement. Each Grantor shall be liable to the Priority Collateral Agent, for the benefit of the Priority Secured Parties, and shall pay to the Priority Collateral Agent, for the ratable benefit of the Priority Secured Parties, on demand any deficiency which may remain after such sale, disposition, collection or liquidation of the Collateral.

12. Attorney-in-Fact. Each Grantor hereby appoints the Priority Collateral Agent as the Grantor's attorney-in-fact for the purposes of carrying out the provisions of this Priority Security Agreement and taking any action and executing any instrument which the Priority Collateral Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest; provided, that the Priority Collateral Agent shall have and may exercise rights under this power of attorney only upon the occurrence and during the continuance of an Event of Default. Without limiting the generality of the foregoing or of any other rights and powers granted to the Priority Collateral Agent herein, upon the occurrence and during the continuance of an Event of Default, the Priority Collateral Agent shall have the right and power

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(b) to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (a) above;

(c) to endorse such Grantor's name on any checks, notes, drafts or any other payment relating to or constituting proceeds of the Collateral which comes into the

possession or the control of the Priority Collateral Agent, and deposit the same to the account of the Priority Collateral Agent, for the benefit of the Priority Secured Parties, on account and for payment of the Secured Obligations.

(d) to file any claims or take any action or institute any proceedings that the Priority Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Priority Collateral Agent, for the benefit of the Priority Secured Parties, with respect to any of the Collateral; and

(e) to execute, in connection with any sale or other disposition of Collateral provided for herein, any endorsement, assignments, or other instruments of conveyance or transfer with respect thereto.

13. Reinstatement. The granting of a security interest in the Collateral and the other provisions hereof shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Secured Obligations is rescinded or must otherwise be returned by any Priority Secured Party, whether upon the insolvency, bankruptcy or reorganization of any Grantor or any other Credit Party or otherwise, all as though such payment had not been made. The provisions of this Section 13 shall survive final repayment in full of all of the Secured Obligations and the termination or expiration of this Priority Security Agreement in any manner, including but not limited to termination upon occurrence of the Security Termination Date.

14. Certain Waivers by the Grantors. Each Grantor waives to the extent permitted by applicable law (a) any right to require any Priority Secured Party or the Priority Collateral Agent or any other obligee of the Secured Obligations to (x) proceed against any Person or entity, including without limitation any Credit Party, (y) proceed against or exhaust any Collateral or other collateral for the Secured Obligations, or (z) pursue any other remedy in its power; (b) any defense arising by reason of any disability or other defense of any other Person, or by reason of the cessation from any cause whatsoever of the liability of any other Person or entity; (c) any right of subrogation; (d) any right to enforce any remedy which any Priority Secured Party or any other obligee of the Secured Obligations now has or may hereafter have against any other Person and any benefit of and any right to participate in any collateral or security whatsoever now or hereafter held by the Priority Collateral Agent for the benefit of the Priority Secured Parties. Each Grantor authorizes each Priority Secured Party and each other obligee of the Secured Obligations without notice (except notice required by applicable law) or demand and without affecting its liability hereunder or under the Loan Documents from time to time to: (i) take and hold security, other than the Collateral herein described, for the payment of such Secured Obligations or any part thereof, and exchange, enforce, waive and release the Collateral herein described or any part thereof or any such other security; and (ii) apply such Collateral or other security and direct the order or manner of sale thereof as it may determine in its discretion or as directed in writing by the Required Priority Secured Parties.

Each Subsidiary which is a Grantor further agrees with respect to this Priority Security Agreement that it shall have no right of subrogation, reimbursement, contribution or indemnity, unless and until 93 days immediately following the Security Termination Date shall have elapsed without the filing or commencement, by or against any Credit Party, of any state or federal

action, suit, petition or proceeding seeking any reorganization, liquidation or other relief or arrangement in respect of creditors of, or the appointment of a receiver, liquidator, trustee or conservator in respect to, such Credit Party or its assets. This waiver is expressly intended to prevent the existence of any claim in respect to such subrogation, reimbursement, contribution or indemnity by any Subsidiary which is a Grantor against the estate of any other Credit Party within the meaning of Section 101 of the Bankruptcy Code, in the event of a subsequent case involving any other Credit Party. The agreements in this paragraph shall survive repayment of all of the Priority Senior Obligations, the termination or expiration of this Priority Security Agreement in any manner, including but not limited to termination in accordance with Section 24, and occurrence of the Security Termination Date.

The Priority Collateral Agent may at any time deliver (without representation, recourse or warranty) the Collateral or any part thereof to a Grantor and the receipt thereof by such Grantor shall be a complete and full acquittance for the Collateral so delivered, and the Priority Collateral Agent shall thereafter be discharged from any liability or responsibility therefor.

15. Continued Powers. Until the Security Termination Date shall have occurred, the power of sale and other rights, powers and remedies granted to the Priority Collateral Agent for the benefit of the Priority Secured Parties hereunder shall continue to exist and may be exercised by the Priority Collateral Agent at any time and from time to time irrespective of the fact that any of the Priority Secured Obligations or any part thereof may have become barred by any statute of limitations or that any part of the liability of any Grantor may have ceased.

16. Other Rights. The rights, powers and remedies given to the Priority Collateral Agent for the benefit of the Priority Secured Parties by this Priority Security Agreement shall be in addition to all rights, powers and remedies given to the Priority Collateral Agent or any Priority Secured Party under any other Priority Security Instrument or any Transaction Document or by virtue of any statute or rule of law. Any forbearance or failure or delay by the Priority Collateral Agent in exercising any right, power or remedy hereunder shall not be deemed to be a waiver of such right, power or remedy, and any single or partial exercise of any right, power or remedy hereunder shall not preclude the further exercise thereof; and every right, power and remedy of the Priority Secured Parties shall continue in full force and effect until such right, power or remedy is specifically waived in accordance with the terms of the applicable Priority Security Instrument or Transaction Document.

17. Anti-Marshaling Provisions. The right is hereby given by each Grantor to the Priority Collateral Agent, for the benefit of the Priority Secured Parties, to make releases (whether in whole or in part) of all or any part of the Collateral agreeable to the Priority Collateral Agent without notice to, or the consent, approval or agreement of other parties and interests, including junior lienors, which releases shall not impair in any manner the validity of or priority of the Liens and security interests in the remaining Collateral conferred hereunder, nor release any Grantor from personal liability for the Secured Obligations. Notwithstanding the existence of any other security interest in the Collateral held by the Priority Collateral Agent, for the benefit of the Priority Secured Parties, the Priority Collateral Agent shall have the right to determine the order in which any or all of the Collateral shall be subjected to the remedies provided in this Priority Security Agreement. Each Grantor hereby waives any and all right to

require the marshaling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein or in any other Priority Security Instrument or Transaction Document.

18. Entire Agreement. This Priority Security Agreement, together with the Transaction Documents, the Security Documents, the Priority Collateral Agency Agreement, the Facility Guaranty and the Intercreditor Agreement, constitutes and expresses the entire understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior negotiations, agreements and understandings, inducements, commitments or conditions, express or implied, oral or written, except as contained in the Loan Documents. The express terms hereof control and supersede any course of performance or usage of the trade inconsistent with any of the terms hereof. Neither this Priority Security Agreement nor any portion or provision hereof may be changed, altered, modified, supplemented, discharged, canceled, terminated, or amended orally or in any manner without the prior written consent of the Required Priority Secured Parties.

19. Third Party Reliance. Each Grantor hereby consents and agrees that all issuers of or obligors in respect of any Collateral, and all securities intermediaries, warehousemen, bailees, public officials and other Persons having any interest in, possession of, control over or right, privilege, duty or discretion in respect of, any Collateral shall be entitled to accept the provisions hereof as conclusive evidence of the right of the Priority Collateral Agent, on behalf of the Priority Secured Parties, to exercise its rights hereunder with respect to the Collateral, notwithstanding any other notice or direction to the contrary heretofore or hereafter given by any Grantor or any other Person to any of such Persons.

20. Binding Agreement; Assignment. This Priority Security Agreement, and the terms, covenants and conditions hereof, shall be binding upon and inure to the benefit of the parties hereto, and to their respective successors and assigns, except that no Grantor shall be permitted to assign this Priority Security Agreement or any interest herein or, except as expressly permitted herein or in each Transaction Document, in the Collateral or any part thereof, or otherwise, except as expressly permitted herein or in each Transaction Document, pledge, encumber or grant any option with respect to the Collateral or any part thereof. All references herein to the Priority Collateral Agent and to the Priority Secured Parties shall include any successor thereof or permitted assignee, and any other obligees from time to time of the Secured Obligations.

21. Swap Agreements. All obligations of each Grantor under or in respect of Swap Agreements (as defined in the Credit Agreement) (which are not prohibited under the terms of any of the Transaction Documents) to which any Lender or any affiliate of any Lender is a party, shall be deemed to be Secured Obligations secured hereby, and each Lender or affiliate of a Lender party to any such Swap Agreement shall be deemed to be a Priority Secured Party hereunder with respect to such Secured Obligations; provided, however, that such obligations shall cease to be Secured Obligations at such time as such Person (or affiliate of such Person) shall cease to be a "Lender" under the Credit Agreement.

22. Severability. The provisions of this Priority Security Agreement are independent of and separable from each other. If any provision hereof shall for any reason be held invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of any other provision hereof, but this Priority Security Agreement shall be construed as if such invalid or unenforceable provision had never been contained herein.

23. Counterparts. This Priority Security Agreement may be executed in any number of counterparts each of which when so executed and delivered shall be deemed an original, and it shall not be necessary in making proof of this Priority Security Agreement to produce or account for more than one such counterpart executed by the Grantor against whom enforcement is sought.

24. Termination. Subject to the provisions of Section 13, this Priority Security Agreement and all obligations of the Grantors hereunder (excluding those obligations and liabilities that expressly survive such termination) shall terminate without delivery of any instrument or performance of any act by any party on the Security Termination Date. Upon such termination of this Priority Security Agreement, the Priority Collateral Agent shall, at the request and sole expense of the Grantors, promptly deliver to the Grantors such termination statements and take such further actions as the Grantors may reasonably request to terminate of record, or otherwise to give appropriate notice of the termination of, any Lien conferred hereunder.

25. Indemnification. Without limitation of Section 13.9 of the Credit Agreement or any other indemnification provision in any Transaction Document, the Grantors agree jointly and severally to indemnify and hold harmless the Priority Collateral Agent and each Priority Secured Party and each of their affiliates, and their respective officers, directors, employees, agents, and advisors (each, an "Indemnified Party"), from and against any and all claims, damages, losses, liabilities, costs, and expenses (including, without limitation, reasonable attorneys' fees) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of defense in connection therewith) this Priority Security Agreement, the Transaction Documents or Priority Security Instruments, any of the transactions contemplated herein or therein or the actual or proposed use of the proceeds of the Revolving Loans or other extensions of credit under the Transaction Documents, except to the extent such claim, damage, loss, liability, cost, or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 25 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Grantor or any other Credit Party, any of their respective directors, shareholders or creditors, or an Indemnified Party or any other Person, or any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. Each Grantor agrees that no Indemnified Party shall have any liability (whether direct or indirect, in contract or tort or otherwise) to it, any of its subsidiaries or affiliates, or any security holders or creditors thereof arising out of, related to or in connection with the transactions contemplated herein or in the other Transaction Documents or Priority Security Instruments, except to the extent that such liability is found in a final non-appealable judgment by a court of competent jurisdiction to have directly resulted from such Indemnified Party's gross negligence or willful misconduct. Each Grantor agrees not to

assert any claim against any Indemnified Party, any of its affiliates, or any of their respective directors, officers, employees, attorneys, agents, or advisers, on any theory of liability, for special, indirect, consequential, or punitive damages arising out of or otherwise relating to this Priority Security Agreement, any of the Transaction Documents or Priority Security Instruments, any of the transactions contemplated herein or therein or the actual or proposed use of the proceeds of the Revolving Loans or other extensions of credit under the Transaction Documents. The agreements in this Section 25 shall survive repayment of all of the Secured Obligations and the termination or expiration of this Priority Security Agreement in any manner, including but not limited to termination upon occurrence of the Security Termination Date.

26. Notices. Any notice required or permitted hereunder shall be given (a) with respect to the Borrower, at the address for the giving of notice then in effect under the Credit Agreement, (b) with respect to any Grantor, at the address then in effect for the giving of notices to such Grantor under the Facility Guaranty to which it is a party, (c) with respect to the Priority Collateral Agent, at the Revolving Credit Agent's address indicated in Section 13.2 of the Credit Agreement. All such addresses may be modified, and all such notices shall be given and shall be effective, as provided in Section 13.2 of the Credit Agreement.

27. Rules of Interpretation. The rules of interpretation contained in Sections 1.2(c) through 1.2(l) of the Credit Agreement shall be applicable to this Priority Security Agreement and are hereby incorporated by reference. All representations and warranties contained herein shall survive the delivery of documents and any extension of credit referred to herein or secured hereby.
